After World War II / World War 2 (WW2) the World said, **“NEVER AGAIN!”** Nevertheless, here the World is as the **NAZI Axis** (Germany, Italy and Japan, etc.) **with EXTENDED Allies** (European Commission, United Nations Security Council **PERMANENT Members** [United Kingdom, United States, France, China and Russia], Israel, Australia, Canada, Qatar, Saudi Arabia and United Arab Emirates, etc.) **have CONSPIRED to engage** in FRAUD, WAR Crimes and other Atrocities . . . for purposes of **BLINDSIDING** the Chickasaw Tribal Nation as well as other NATIVE Nations and European Nations Adolf Hitler wanted to control through the WW2 Hoax and through the World War III / World War 3 (WW3) Hoax **looked forward in UNLAWFULLY seizing control over the WORLD and “ALL” Native Nations in the push to “WHITE Supremacy;”** however, **has RUN OUT OF TIME** – i.e. in accordance with Revelation 12:9 (Holy Bible - King James Version) and lawful INTERNATIONAL MULTI-Nations Operations are in PROGRESS in accordance with Revelation 18 (Holy Bible - King James Version) to bring the PERPETRATORS TO JUSTICE pursuant to the applicable Statutes, Codes, Rules, Regulations, Articles, Resolutions and Laws, etc. in accordance to 1 Timothy 1:8-11 (Holy Bible – King James Version)! IMPORTANT TO NOTE: Beginning with the above HBCUs in that the Chickasaw Tribal Nation's Officials attended and / or are Alumni. Furthermore, allows for the proceedings to begin and allow LAWFUL International Intervention **to COUNTER** the NAZIS' / WHITE Supremacists / Ku Klux Klan / Jews' / Zionists . . . **BLACKFACE Gatekeepers** that have been put in place for purposes of DECEPTION! In other words, Chickasaw Tribal Nation's / Utica International Embassy's Prime Minister (Vogel Denise Newsome) does NOT need approval from the above-mentioned HBCUs to pursue INTERNATIONAL Assistance in LAWFUL "TAKEOVERS" for purposes of PROTECTING the BLACK Indians' Lands / Territories, Properties and Resources, etc.!

Furthermore, COUNTERING the CONSPIRACIES of the Nazis / Zionists in using their GHETTO Agents / Informants to AID and ABET in the UNLAWFUL destruction of the BLACK Indians / BLACK Tribal Nations. Thus, being the DUTY and OBLIGATION of the Chickasaw Tribal Nation's Official(s) to PROTECT their Tribal Nation and BLACK Indians as well as other BLACK Indians / NATIVE Nations from the United States of America's and its Allies'

WAR Crimes, Crimes Against Humanity, Violation(s) of Geneva Convention on the Prevention and Punishment of the Crime of Genocide (1948), Ethnic Cleansing, Violation(s) of Chemical Weapons Convention (1997), Violation(s) Convention Against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment (Torture Convention), Violation(s) of Convention on the Prevention and Punishment of the Crime of Genocide (Genocide Convention) and other Atrocities. . . against the Native Nation of the State of Palestine and the Palestinian People, etc.

Non-Self-Governing Territories

Under Chapter XI of the Charter of the United Nations, the Non-Self-Governing Territories are defined as "territories whose people have not yet attained a full measure of self-government". The General Assembly, by its resolution 66 (I) of 14 December 1946, noted a list of 72 Territories to which Chapter XI of the Charter applied. In 1963, the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples (also known as the "Special Committee on Decolonization" or the "C-24") approved a preliminary list of Territories to which the Declaration applied (A/5446/Rev.1, annex I). Today, 17 Non-Self-Governing Territories, as listed below, remain on the agenda of the C-24. Member States which have or assume responsibilities for the administration of such Territories are called administering Powers.

BRITISH CONVICTS IN AMERICAN COLONIES

<https://www.familytree.com/blog/british-convicts-in-american-colonies/>

The British were noted for transported prisoners out of England to be made to work at their numerous colonies. From 1615 to 1870, more than 200,000 criminals were conditionally pardoned, exiled, and transported to penal colonies. Before 1775, more than 50,000 prisoners were sent to America—primarily to Virginia and Maryland. With the American Revolutionary War, from 1788 to 1869, more than 160,000 prisoners were sent to the British Colony of Australia.

What most Americans do not realize is that from 1718 until 1775, convict transportation to the American colonies flourished. Some estimates claim that almost 10 percent of immigrants to America during this time were British convicts. This means, if you had ancestors in the American colonies during that time, they might have come as unwanted convicts, against the will.

Bartle Professor (Emeritus) of Sociology

"Pompeo's appointment of Elliott Abrams consolidates the effort to overthrow the government of Nicolas Maduro in Venezuela," said James Petras, a retired professor who has published on political issues with particular focus on Latin America and the Middle East.

"Elliott Abrams has a notorious reputation not only in Central America, but also in regard to his support for Israel; Elliott Abrams is a fanatical Zionist who was engaged in supporting Israel's attempts to conquer and occupy Palestine," Petras told Press TV on Saturday.

PressTV-Hawkish neocon to head up US policy toward Venezuela

US Secretary of State Mike Pompeo has appointed Elliott Abrams, a hawkish neoconservative, to handle US policy toward Venezuela.

Abrams, a Jewish neoconservative who has long advocated an interventionist US role in the world, has served in the administrations of former US Presidents Ronald Reagan and George W. Bush.

New Order (Nazism)

From Wikipedia, the free encyclopedia

The New Order (German: *Neuordnung*), or the New Order of Europe (German: *Neuordnung Europas*), was the political order which Nazi Germany wanted to impose on the conquered areas under its dominion. The establishment of the New Order had already begun long before the start of World War II, but was publicly proclaimed by Adolf Hitler in 1941:

The year 1941 will be, I am convinced, the historical year of a great European New Order.^[1]

The World is in the 21st Century and there is **7%** of the World’s Population (EUROPEAN Nations) – in keeping with Revelation 12:9 – **DECEIVING MANY** and allowing **their EVIL and WICKED Spirits’ OBSESSIONS** to carry out HIDEOUS War Crimes, Crimes Against Humanity, Violations of TORTURE Convention, Violations of GENOCIDE Convention and other Atrocities, etc. **to run RAMPANT / ROGUE in quests to achieve “NEW Order” for GLOBAL White Supremacy!**

The Chickasaw Tribal Nation, its Officials and Citizens as well as other BLACK Indians utilizing CTN Services as well as that of the Utica International Embassy (UIE), have had ENOUGH of those People who have LABELED themselves as “WHITE” and engage in UNLAWFUL War Crimes, etc. against BLACK Indians, their Tribal Nations as well as other NATIVE Nations and, for some DUMB reason, think they are ABOVE THE LAWS (when NOT)! Going as far as setting up “BEER HALL PUTSCH” Operations in the United States of America’s Washington, DC; for purposes of carrying out the NAZIS’ / ZIONISTS’ “NEW Order” Agendas for GLOBAL “White Supremacy” **by any means necessary!** Thus, in keeping with Malcolm X advising using services of the United Nations

Malcolm X Bids Africans Take Negro Issue to U.N.

CAIRO, July 17 (Reuters)—Malcolm X appealed today to delegates of 34 African nations at a conference here to bring the cause of United States Negroes before the United Nations. In a message circulated to the heads of state and government as the meeting got under way, the American racial extremist said “the deteriorating plight” of American Negroes was “definitely becoming a threat to world peace.” He charged that the “United States Government is morally incapable of protecting the lives and property of 22 million Afro-Americans.” In his message Malcolm X said: “We assert the right of self-defense by whatever means necessary and reserve the right of maximum retaliation against our racist oppressors no matter what the odds against us are.”

Dear Sir, Madam

On behalf of the Prosecutor, I thank you for your communication received on 09/08/2018, as well as any subsequent related information.

I hope you will appreciate that with the defined jurisdiction of the Court, many serious allegations will be beyond the reach of this institution to address. I note in this regard that the ICC is designed to complement, not replace national jurisdictions. Thus, if you wish to pursue this matter further, you may consider raising it with appropriate national or international authorities.

I am grateful for your interest in the ICC. If you would like to learn more about the work of the ICC, I invite you to visit our website at www.icc-cpi.int.

Yours sincerely,

Malcolm X also advising to **“BUILD BRIDGES”** with Afrikan / African Nations – i.e. which the Chickasaw Tribal Nation (through said Submission) **is pursuing and UNIFYING on INTERNATIONAL Missions for the ADVANCEMENT of NATIVE Nations and addressing SOLUTIONS against COMMON ADVERSARIES** (Nazis, White Supremacists, Ku Klux Klan, Jews and Zionists . . .)!

NOTING THE FOLLOWING REGARDING THE “PATTERN-OF-PRACTICE” USED BY THE NAZIS / WHITE Supremacists / KU KLUX KLAN / JEWS / ZIONISTS ... **IN THEIR SUPPRESSION OF “BLACK” NATIONS and THEIR VOTES and / or OBSTRUCTING **ROLES IN DECISIONS** REGARDING THE AFFAIRS OF “BLACK” NATIONS LEADING TO THE CHICKASAW TRIBAL NATION MOVING FORWARD WITH “**LAWFUL**” UNITED NATIONS REFORM:**

Africa, through the African Union, has long argued it is "denied" a permanent, fair, and sufficient representation on the UN Security Council, which reflects the power structures of the 1940s and neglects the continent's 1.5 billion people and growing role in global peace and security. African leaders have called for permanent representation, including veto power, and believe decisions on Africa's peace and security should not be made without African voices at the negotiating table - -

<https://www.google.com/search?q=%22Africa%22+%22denied%22+%22united+nations%22+%22security+council%22&oq=%22Africa%22+%22denied%22+%22united+nations%22+%22security+council%22&aqs=chrome..69i57.22657j0j1&sourceid=chrome&ie=UTF-8> - - Africa is consistently denied permanent membership in the UN Security Council (UNSC), a fact that is widely criticized as an historical injustice and a hindrance to the Council's legitimacy and effectiveness, according to various news reports and UN press releases. While African nations contribute significantly to global peace and security, they remain underrepresented on the Council, which has led to calls for urgent reform, including the addition of permanent African seats with full rights.

Historical Context: The UNSC was designed when most African countries were still under colonial rule, leading to an imbalanced structure that does not reflect the realities of the 21st century. - -

Underrepresentation: Despite being home to 54 UN member states, Africa has no permanent members on the UNSC, which is currently composed of five permanent members and ten non-permanent members. - -

Structural Inequality: The lack of a permanent seat means Africa's voice is often not heard at the negotiating table, leading to decisions that affect the continent being made without its full participation.

CALLS FOR CHANGE

Demand for Permanent Seats: African leaders and the African Union (AU) are demanding permanent seats on the UNSC with full rights, similar to the existing permanent members. - -

The Chickasaw Tribal Nation's Officials want to be CLEAR, BLACK Indians **are NOT** Citizens of the United States of America (a PRIVATELY Held Company and **NOT a LAWFUL legitimate Country**)! Furthermore, the CTN **is NOT** a Party in the FRAUD / SCAMS being carried out by the USA in United Nations operations and Global / **World DECEPTION** (Revelation 12:9 – Holy Bible)!

The United States of America's Officials have made it CLEAR that the Chickasaw Tribal Nation as well as the Utica International Embassy **CANNOT** use USA Courts NOR Agencies in resolving Complaint / Claims brought! NEITHER is the Chickasaw Tribal Nation / Utica International Embassy and / or BLACK Indians required to use such FRAUDULENT NAZI-Styled Sondergericht Operations upon LEARNING of these "PRIVATELY Held Company" schemes!

"In the context of the ICC,
justice means accountability."

The Chickasaw Tribal Nation's / Utica International Embassy's Officials . . . Are Using **INTERNATIONAL** Options In **The Takeover** Of The State Of Mississippi, etc. - - - Using **Mississippi House Bill 1020** In **CTN EMERGENCY Takeover** . . . And **EXPOSING** Presence Of **NAZIS / Jews / Zionists TERRORISTS** Acts and **WAR Crimes / Crimes Against Humanity**, etc.

UIE'S TAKE DOWN OF BAKER DONELSON'S "OPERATION SONDERGERICHT"

A *Sondergericht* was a **German "special court"**. After taking power in 1933, the Nazis **quickly moved to remove internal opposition to the Nazi regime** in Germany. **The legal system became one of many tools for this aim** and the Nazis **gradually supplanted the normal justice system with political courts with wide-ranging powers**. The function of the special courts **was to intimidate the German public**, . . .

These protections were swept away in the special courts, since they existed outside the ordinary judicial system. **There was no possibility of appeal**, and verdicts could be executed at once. **The court decided the extent of evidence to consider**, and **"the defense attorneys couldn't question the proof of the charges"** . . . As of 05/04/20: <https://en.wikipedia.org/wiki/Sondergericht>

IMPORTANT TO NOTE: The United States of America's Officials were given opportunity to ANSWER the 22 June 2024, United Nations Human Rights Office of the High Commissioner - Special Procedures of the Human Rights Council (Reference No. hhp08pa7) Complaint; however, **chose to ENTERTAIN Donald John Trump's FOOLISHNESS**, use **DISTRACTIONS** and attempt to get Prime Minister Vogel Denise Newsome to meet with their "GHETTO Informants / Agents" – i.e. which **she DECLINED to do – for ILL PURPOSES [Assassination]!**

Furthermore, **the VOTES** of BLACK Indians / BLACK Indian Nations **are NOT** valid – i.e. even having their Supreme Court of the United States finding that "BLACKS" **have NO Rights** that the WHITE Man has to respect! Thus, there are **ILLEGAL White Immigrants [CRIMINALS sent from EUROPE]** that have set up a **FRAUDULENT System ADVERSE** to those LABELED as BLACK as well as BLACK Indians and their Tribal Nation (as the Chickasaw Tribal Nation)!

WHY is such information IMPORTANT? Because NOW you have **7%** (while some may allege change in percentage and / or challenge percentage of EUROPEAN Population, it is STILL drastically small compared to that of NATIVE Nations) **of the World's Population DELUSIONAL they are SUPERIOR to NATIVE Nations** (however, NOT)!

With **ALL** of the United States of America and State of Israel **DISTRACTIONS**, **NOTE, NO REPRESENTATION** OF “BLACK Indians” – i.e. **NO** Lawyers, Politicians or Preachers, etc. have come forth before the United Nations and / or the appropriate INTERNATIONAL Authorities addressing “NAZIS / ZIONISTS” operations AGAINST “BLACK Indians . . .!” ALL that is shown in the MAINSTREAM Media being what they call are the “WHITE Faces” and “CHRISTIANITY Push!”

IGNORING and **DISRESPECTING** THE BLACK INDIANS!

NOT ANYMORE!

THE UNITED STATES OF AMERICA **EXPERIMENT** and **ILLUSION OF DOMINANCE IS OVER!**

- 4) n or About **20 NOVEMBER 2025**, **SPECIAL EMERGENCY** Session For The Establishment Of Applicable Subsidiary / Organ [known as **Coalition Of Unified Nations**] Be Established Pursuant To **Article 29** Of The United Nations Charter, **Article 22** Of The United Nations Charter and / or Applicable Statutes, Codes, Rules, Regulations, Articles, Resolutions and / or Laws Governing Said Matters. Furthermore, On or About **6 DECEMBER 2025**, **DEPLOYMENT** Of **Analytic Team** For Assessments Regarding **MULTI-Nation Coalition** For **DEPLOYMENT** To State Of Palestine To Determine **Resources Necessary** [Humanitarian Supplies, Equipment Need For Clearing Lands / Providing TEMPORARY Shelters (as MINI Homes / MEDICAL Stations...), Utilities (Water and Electricity / Power)] In STABLIZING Palestine For **REBUILDING / RESTORATION!**

As it appears from MAINSTREAM News Reports, the NAZIS / ZIONISTS are attempting **to STEAL and TAKE CREDIT for the SOLUTIONS presented** in the Chickasaw Tribal Nation's United Nations Human Rights Complaint. Moreover, doing their best **to TRY and PREVENT the INEVITABLE (REFORM of the United Nations / United Nations Security Council)**!

IMPORTANT TO NOTE: The Chickasaw Tribal Nation **TIMELY, PROPERLY and ADEQUATELY** provided **“DETAILED”** information to support the ESTABLISHMENT of the **“Coalition Of Unified Nations”** to REPLACE the United Nations! Thus, the United States of America and its EUROPEAN Allies **having sufficient NOTIFICATION of the MAJOR changes coming** to PROTECT the interests of the CTN as well as other NATIVE Nations! Furthermore, the **BLATANT DISREGARD** of National and INTERNATIONAL Laws by the United States of America, its Officials . . . and EUROPEAN Allies (including China and Russia) REVEALS just **HOW DETERMINED** European Nations are **to PLACE THEMSELVES ABOVE THE LAWS and INABILITY to abide by Laws** governing said matters because of **REPEAT DECEPTION and ADDICTION to** Evils / Wickedness, War Crimes, Crimes Against Humanity and other Atrocities, etc.

As the *Honorable Noble Drew Ali* prophesied / forewarned, **“JUST LONG ENOUGH” to TEACH!** The United Nations has been operating for approximately 80 YEARS! Processes being put in place to UNITE / UNIFY Native Nations and LAWFULLY ALLOW for SWEEPING Reform Operations that the CTN has advised of! Allowing for NATIVE Nations **to REVISIT the purpose for the establishment of the United Nations!**

Believe a reasonable mind may conclude that the United Nations Charter, its Departments / Agencies / Programs . . . appear to have been established in good faith; however, as with the United States of America CORPORATION Empire **has been INFILTRATED** by the NAZIS / ZIONISTS and **operations ARE BEING OBSTRUCTED** by the United Nations Security Council **PERMANENT Members** (United Kingdom, United States, France, China and Russia) and those Member States acting as CO-Conspirators in the “NEW Order” . . . Conspiracies! Thus, MULTI-Nation Coalitions - as the *suggested* “Coalition of Unified Nations” – allows for the SWEEPING Reform and working to see that Departments / Agencies / Programs . . . work as intended and / or designed!

6) EXPULSION OF THE STATE OF ISRAEL FROM THE UNITED NATIONS! A question may be asked, “**CAN a Country be expelled** from the United Nations?” **YES!**

<https://www.google.com/search?q=%22CAN+a+Country+be+expelled+from+the+United+Nations%22&oq=%22CAN+a+Country+be+expelled+from+the+United+Nations%22&aqs=chrome..69i57.1723j0j1&sourceid=chrome&ie=UTF-8&sei=QOTIaLDfE6-vwbkP0I-ewAM>

Yes, a country can be expelled from the United Nations (UN). According to Article 6 of the UN Charter, a member state that has "persistently violated the Principles" of the charter may be expelled. In the State of Israel matter, the Chickasaw Tribal Nation is challenging Israel's STATEHOOD!

Article 6 - A Member of the United Nations which has ***persistently violated*** the Principles contained in the present Charter may be expelled from the Organization by the General Assembly upon the recommendation of the Security Council.

HOW THE PROCESS WORKS:

Expulsion is a two-step process that requires the cooperation of both the Security Council and the General Assembly:

Security Council recommendation: The Security Council must first recommend the expulsion. A decision on this measure would require nine votes in favor, including the concurring votes of all five permanent members—China, France, Russia, the United Kingdom, and the United States.

General Assembly vote: The General Assembly must then approve the recommendation with a two-thirds majority vote.

While a country may have never been EXPELLED from the United Nations, this is the time! The time is NOW to have the State of Israel EXPELLED for "***persistent violations of the United Nations Charter***" and addressing United Nations Security Council PERMENENT MEMBERS Roles in the World War III / World War 3 [WW3] HOAX – i.e. Conspiring to start WW3 for purposes of ENSLAVING Native Nations and UNLAWFULLY seizing control of their Lands/Territories, Properties and Resources! In further support:

- (a) A reasonable mind may conclude that the State of Israel may attempt to rely upon CO-Conspirators (USA/United States, United Kingdom, France, China and Russia) and World War III Hoax to use VETO to prevent LAWFUL EXPULSION; however, the United Nations Security Council PERMENENT Members are NOT allowed to use their VETO – i.e. in that they are PARTIES in the disputes raised / addressed. Moreover, Permanent Members having PERSONAL and FINANCIAL investments / interests in World War III / World War 3 Hoax!
- (b) Establishment of INTERNATIONAL “INVESTIGATION” Task Force regarding the “Israel At War” and allege attacks by “Hamass” – i.e. NOT relying upon the State of Israel and United States of America’s / United States’ handling of matter; however, providing the use of LAWFUL resources for purposes of INDEPENDENT International Investigations and PROSECUTION(s) – if VIOLATION(S) found!
- (c) There is one key exception in the UN Security Council, where a member **must abstain if** it is **a party to a dispute** being discussed under Chapter VI of the UN Charter. -
<https://www.google.com/search?q=why+countries+must+abstain+from+voting+at+the+united+nations&oq=why+countries+must+abstain+from+voting+at+the+united+nations&aqs=chrome..69i57j0j1&sourceid=chrome&ie=UTF-8>
- (d) Mandatory abstention in the Security Council:

Lee introduces DEFUND Act to Pull USA from UN

February 20, 2025

WASHINGTON – Sen. Mike Lee (R-UT) has introduced the Disengaging Entirely from the United Nations Debacle (DEFUND) Act, which calls for the United States' complete withdrawal from the United Nations (UN). This legislation addresses grave issues of national sovereignty and fiscal accountability which have plagued US involvement in the UN. The DEFUND Act is co-sponsored in the Senate by Sens. Marsha Blackburn (R-TN) and Rick Scott (R-FL). House Armed Services Committee Chairman Mike Rogers (R-MI) and Representative Chip Roy (R-TX) are introducing the companion bill in the House of Representatives.

“No more blank checks for the United Nations. Americans' hard-earned dollars have been funneled into initiatives that fly in the face of our values, enabling tyrants, betraying allies, and spreading bigotry,” said Sen. Mike Lee. “With the DEFUND Act, we're stepping away from this debacle. If we engage with the UN in the future, it will be on our terms, with the full backing of the Senate and an iron-clad escape clause.”

With that being said, the following facts:

- (a) The United States of America / United States **chose NOT** to ANSWER and / or CONTEST the 22 June 2024, United Nations Human Rights Office of the High Commissioner - Special Procedures of the Human Rights Council (Reference No. hhpo8pa7) and, **CHOSE INSTEAD, to INVEST** as well as entertain **the FOOLISHNESS of a CONVICTED Felon (Donald John Trump)** and returning him to Office for purposes of **serving as the FACE of the NAZIS “NEW Order” / PROJECT 2025 Operations!** To the USA’s **DEMISE!**

“The saying, ‘**Don't put all your eggs in one basket**’ means it is unwise to risk everything on a single venture, plan, or investment. It advises diversifying your resources, such as money, energy, or effort, across multiple options **to avoid losing everything** if that one option fails. Slavery in Saudi Arabia

Article Talk

From Wikipedia, the free encyclopedia

Legal Chattel slavery existed in Saudi Arabia until the 1960s:

Hejaz (the western region of modern day Saudi Arabia), which encompasses approximately 12% of the total land area of Saudi Arabia, was under the control of the Ottoman Empire from 1517 to 1918, and as such nominally obeyed the Ottoman laws. When the area became an independent nation first as the Kingdom of Hejaz and then as Saudi Arabia, it became internationally known as a slave trade center during the interwar period. After World War II, growing international pressure eventually resulted in the formal abolition of the practice. Slavery was formally abolished in 1962. Many members of the Afro-Saudi minority are descendants of the former slaves.

In contemporary Saudi Arabia, the *kafala* system, in which foreign workers are tied to a single employer for the duration of their time in Saudi Arabia, and often have their passports confiscated, has been described by human-rights organizations as a form of *modern slavery*. The labor performed by Kafala workers is similar to labor previously performed by slaves, and the workers often come from similar parts of the world from which slaves were previously imported.

Slavery in the Trucial States 17 USC § 107 Limitations on Exclusive Rights – FAIR USE

Article Talk

From Wikipedia, the free encyclopedia

Chattel slavery existed in the Trucial States (1892–1971), which later formed the United Arab Emirates. The Trucial States consisted of the Sheikdoms Dubai, Abu Dhabi, Sharjah, Ajman, Umm Al Quwain, Fujairah, and Ras Al Khaima. The region was mainly supplied with enslaved people from the Indian Ocean slave trade, but humans were also trafficked to the area from Hejaz, Oman and Persia. Slaves were used in the famous pearl fish industry and later in the oil industry, as well as sex slaves and domestic servants. Many members of the Afro-Arabian minority are descendants of the former slaves.

The year that the Trucial States officially abolished slavery is unclear. Some say that bondage was officially outlawed in 1963, when the Trucial rulers signed an agreement decreeing the abolition of slavery. Others say that it was in 1971, when the Trucial States joined the UN as the United Arab Emirates and accepted the UN's Conventions against slavery. However, the legislation around slavery remained unclear because the 1963 decree was never actually issued, and the UN law of 1971 was not obligatory.^[1] Slavery of people from Africa and East Asia was succeeded by the modern *Kafala* system of poor workers from the same region where slaves had previously been imported.

For instance, according to research:

In Bahrain – This is where *the abolishment of slavery* began in the Persian Gulf began **in 1937**

In Kuwait – Slavery was officially abolished **in 1949**

In Qatar – Slavery was officially abolished **in 1952**.

In Saudi Arabia – Legal **chattel slavery** being abolished **in 1962** – i.e. wherein the Hejaz Region served as the center of the Slave Trade

In Yemen – Slavery was officially abolished **in 1962**

In Oman – Participation of the Oman Empire in the Indian Ocean **Slave Trade** – Abolishing of slavery **in 1970**

Thus it appears that the NAZIS / ZIONISTS **feeling comfortable in “BEATING THE DRUMS”** regarding their allege **“Abraham Accords”** Agreements because they may have thought that the WORLD and / or United Nations Member States **would never get such information regarding CONSPIRACIES to ENSLAVE the State of Palestine and other Native Nations** through their World War III / World War 3 Hoax – i.e. **SLAVERY** which is listed under **“Crimes Against Humanity!”**

what was purpose of white man's burden

The purpose of the “White Man’s Burden” was to provide a justification for imperialism by framing it as a moral and racial duty for Western powers to “civilize” and uplift non-Western societies. The concept, popularized by Rudyard Kipling’s poem, suggested that it was the white race’s responsibility to bring their culture, religion, and governance to what they deemed “backward” or “lesser” peoples. This narrative helped imperial nations rationalize the exploitative nature of colonialism under the guise of a benevolent, civilizing mission.

- **Imperial justification:** It was used to legitimize the expansion of Western empires and the dominance over other nations, masking the economic and political goals of imperialism.
- **Paternalistic worldview:** The idea was rooted in a racist and ethnocentric belief that Western civilization was superior and that other cultures were inherently inferior, requiring guidance from a “civilizing” force.
- **Moral obligation:** Proponents framed colonialism as a noble and difficult task, suggesting that it was a moral imperative for Westerners to take on the burden of governing and educating other populations.

LEARN NOT THE WAY OF THE HEATHENS:

¹Hear ye the word which the LORD speaketh unto you, O house of Israel:

² Thus saith the LORD, **Learn not the way of the heathen**, and be not dismayed at the signs of heaven; for the heathen are dismayed at them. - *Jeremiah 10 (King James Version)*

It has to be understood that in the final analysis, the stability that the corrupt Arab despots are offering is illusory. Just as the stability that Yitzhak Rabin received from Yasser Arafat was illusory. In the end, none of these decadent dictatorships will endure. The choice is between extremist Islam, secular fascism or democracy. And because of September 11, America understands that. America is in a position where it has no choice. It is obliged to be far more aggressive in promoting democracy. Hence this war. It's based on the new American understanding that if the United States does not shape the world in its image, the world will shape the United States in its own image.

The purpose of the **"White Man's Burden"** was to provide a **justification for imperialism** by arguing that it was the moral and racial obligation of white Europeans and Americans to **"civilize"** and govern **non-white populations around the world**. This concept, popularized by [Rudyard Kipling](#)'s 1899 poem, portrayed colonialism as a paternalistic duty to bring Western culture, religion, and progress to what were considered "inferior" or "uncivilized" societies. - - 10/15/2025:

<https://www.google.com/search?q=what+was+purpose+of+white+man%27s+burden&oq=what+was+purpose+of+white+man%27s+burden&aqs=chrome..69i57.13801j0j1&sourceid=chrome&ie=UTF-8>

Imperial justification:

The "burden" was used to rationalize **the expansion of empires** and **the subjugation** of other peoples, presenting it as a benevolent and altruistic mission rather than a self-serving, exploitative endeavor. -

<https://fiveable.me/key-terms/apush/white-mans-burden#:~:text=The%20White%20Man's%20Burden%20served,under%20the%20guise%20of%20altruism.>

Belief in racial superiority:

The concept was rooted in a belief in **Western racial and cultural superiority**, and a paternalistic view that **non-Western** peoples were **incapable of self-governance** and needed guidance.

"Civilizing" mission:

It promoted the idea that the colonized peoples were **backward** and that the colonizers had a duty to bring them Western advancements like **education, religion, and governance**.

Cultural and economic exploitation:

While framed as a noble cause, it **masked** the **economic and political exploitation** that was characteristic of **colonialism**, including the **seizure of resources** and raw materials.

Kristol says that he is at odds with the administration on the question of Saudi Arabia. But his opinion is that it is impossible to let Saudi Arabia just continue what it is doing. It is impossible to accept the anti-Americanism it is disseminating. The fanatic Wahhabism that Saudi Arabia engenders is undermining the stability of the entire region. It's the same with Egypt, he says: we mustn't accept the status quo there. For Egypt, too, the horizon has to be liberal democracy.

what type of goverment concentrates power in the hands of a few

Governments that concentrate power in the hands of a few include oligarchy (rule by a small group of people), authoritarianism (where a single leader or small elite holds power), monarchy (rule by a king or queen), and dictatorship (where a single ruler has absolute power). These systems contrast with democracies, where power is intended to rest with the people.

Types of government with power concentrated in the hands of a few

- **Oligarchy:** A small group of people hold power, often distinguished by wealth, family ties, or military control.
- **Plutocracy:** A form of oligarchy where the wealthy rule.

New Order (Nazism)

From Wikipedia, the free encyclopedia

The New Order (German: *Neuordnung*), or the New Order of Europe (German: *Neuordnung Europas*), was the political order which Nazi Germany wanted to impose on the conquered areas under its dominion. The establishment of the New Order had already begun long before the start of World War II, but was publicly proclaimed by Adolf Hitler in 1941:

The year 1941 will be, I am convinced, the historical year of a great European New Order.^[1]

Among other things, it entailed the creation of a pan-German racial state structured according to Nazi ideology to ensure the supremacy of an Aryan-Nordic master race, massive territorial expansion into Central and Eastern Europe through its colonization with German settlers, the physical annihilation of . . . others considered to be "unworthy of life" and the extermination, expulsion or enslavement of most of the . . . peoples and others regarded as "racially inferior".^[2] Nazi Germany's desire for aggressive territorial expansionism was one of the most important causes of World War II.

Historians are still divided as to its ultimate goals, some believing that it was to be limited to Nazi German domination of Europe, while others maintain that it was a springboard for eventual world conquest and the establishment of a world government under German control. - -As of 02/13/19 this is an excerpt of an Article that may be found at the following LINK: [https://en.wikipedia.org/wiki/New_Order_\(Nazism\)](https://en.wikipedia.org/wiki/New_Order_(Nazism))

American Colonization Society

Emblem as displayed on a membership certificate from 1840

Abbreviation	ACS
Formation	December 21, 1816; 208 years ago
Founder	Robert Finley
Founded at	Davis Hotel, Washington, D.C.
Dissolved	1964; 61 years ago ^[1]
Purpose	To facilitate the migration of free people of color from the United States to the Colony of Liberia .
Region served	United States and Liberia

Background [edit]

The American Colonization Society was a white-led organization established in 1816 with the mission of encouraging African Americans, both enslaved and free, to emigrate to West Africa and establish a colony. These efforts eventually resulted in the founding of Liberia in 1821. The Society consisted of a coalition of racists, humanitarians, and enslavers, most of whom either felt that Black people did not belong in the US or that they did, but anti-Black prejudice would always keep them from achieving full American citizenship.^[1] Black Americans broadly opposed the organization and the greater Back-to-Africa movement with which it was affiliated.^[2]

African Civilization Society cofounders Henry Highland Garnet and Martin Delany

Despite this, some Black community leaders began to look upon both more favorably after Liberia declared independence under exclusively Black leadership in 1847.^[3] Furthermore, there was a series of events which took place during the 1850s which led Black leaders such as journalist Martin Delany and Presbyterian minister Henry Highland Garnet to reconsider emigration. The frequency of free Black Americans being kidnapped and sold into slavery increased following the Fugitive Slave Act of 1850. Whereas the Missouri Compromise of 1820 had limited the expansion of slavery into US territories south of the parallel 36°30' north, abolitionists were incensed when that rule was repealed by the Kansas-Nebraska Act of 1854.^[4]

This certificate for lifetime membership in the Pennsylvania Colonization Society includes a lithographed "View of Monrovia" the capital city of Liberia where, in 1822, the American Colonization Society established a colony for formerly enslaved people from the United States. The image depicts a party of immigrants being warmly greeted as they disembark from a small boat manned by white sailors. The Monrovia settlement is visible in the distance. The Pennsylvania Colonization Society was a state chapter of the American Colonization Society, which advocated gradual emancipation and the resettlement of free Black people in Africa. Monrovia was named in honor of James Monroe, the president of the United States from 1817 to 1825 who supported the colonization program.

Catholic Church and the Age of Discovery

The Catholic Church during the Age of Discovery inaugurated a major effort to spread Christianity in the New World and to convert the indigenous peoples of the Americas and other indigenous peoples. The evangelical effort was a major part of, and a justification for, the military conquests of European powers such as Portugal, Spain and France. Christian Missions to the indigenous peoples ran hand-in-hand with the colonial efforts of Catholic nations. In the Americas and other colonies in Asia and Africa, most missions were run by religious orders such as the Franciscans, Dominicans, Augustinians, and Jesuits. In Mexico the early systematic evangelization by mendicants came to be known as the “Spiritual Conquest of Mexico”.^[1]

Antonio de Montesinos, a Dominican friar on the island of Hispaniola, was the first member of the clergy to publicly denounce all forms of enslavement and oppression of the indigenous peoples of the Americas.^[2] Theologians such as Francisco de Vitoria and Bartolomé de las Casas drew up theological and philosophical bases for the defense of the human rights of the colonized native populations, thus creating the basis of international law, regulating the relationships between nations.^[3] Important contemporary ecclesiastical documents taking a strong stance on enslaving or despoiling the indigenous peoples of the Americas was the ecclesiastical letter *Pastorale officium* and the superseding encyclical *Sublimis Deus*.

The convent of San Augustin mission centre established Yuriria, Mexico in 1550.

The Catholic Church during the Age of Discovery inaugurated a major effort to spread Christianity in the New World and to convert the indigenous peoples of the Americas and other indigenous peoples. The evangelical effort was a major part of, and a justification for, the military conquests of European powers such as Portugal, Spain, and France. Christian missions to the indigenous peoples ran hand-in-hand with the colonial efforts of Catholic nations. In the Americas and other colonies in Asia, and Africa, most missions were run by religious orders such as the Franciscans, Dominicans, Augustinians, and Jesuits. In Mexico, the early systematic evangelization by mendicants came to be known as the “Spiritual Conquest of Mexico”.^[1]

Antonio de Montesinos, a Dominican friar on the island of Hispaniola, was the first member of the clergy to publicly denounce all forms of enslavement and oppression of the indigenous peoples of the Americas.^[2] Theologians such as Francisco de Vitoria and Bartolomé de las Casas drew up theological and philosophical bases for the defense of the human rights of the colonized native populations, thus creating the basis of international law, regulating the relationships between nations.^[3] Important contemporary ecclesiastical documents taking a strong stance on enslaving or despoiling the indigenous peoples of the Americas was the ecclesiastical letter *Pastorale officium* and the superseding encyclical *Sublimis Deus*.

For instance, while it appears that MANY so-called Leaders are SPIRITUALLY “SLEEP,” the ENEMY (Nazis / White Supremacists / Ku Klux Klan / Jews Zionists...) have PLANTED “Evil / Wicked” Spirits among their NATIVE Nations and NATIVE People:

(A) IT IS HARVEST TIME –
Matthew 13 (Holy Bible – King James Version)

²⁴ Another parable put he forth unto them, saying, The kingdom of heaven is likened unto a man which sowed good seed in his field:

²⁵ But while men slept, his enemy came and sowed tares among the wheat, and went his way.

²⁶ But when the blade was sprung up, and brought forth fruit, then appeared the tares also.

²⁷ So the servants of the householder came and said unto him, Sir, didst not thou sow good seed in thy field? from whence then hath it tares?

²⁸ He said unto them, An enemy hath done this. The servants said unto him, Wilt thou then that we go and gather them up?

²⁹ But he said, Nay; lest while ye gather up the tares, ye root up also the wheat with them.

³⁰ Let both grow together until the harvest: and in the time of harvest I will say to the reapers, Gather ye together first the tares, and bind them in bundles to burn them: but gather the wheat into my barn.

EXPLAINED:

³⁵ That it might be fulfilled which was spoken by the prophet, saying, I will open my mouth in parables; I will utter things which have been kept secret from the foundation of the world.

³⁶ Then Jesus sent the multitude away, and went into the house: and his disciples came unto him, saying, Declare unto us the parable of the tares of the field.

³⁷ He answered and said unto them, He that soweth the good seed is the Son of man;

³⁸ The field is the world; the good seed are the children of the kingdom; but the tares are the children of the wicked one;

³⁹ The enemy that sowed them is the devil; the harvest is the end of the world; and the reapers are the angels.

⁴⁰ As therefore the tares are gathered and burned in the fire; so shall it be in the end of this world.

⁴¹ The Son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity;

⁴² And shall cast them into a furnace of fire: there shall be wailing and gnashing of teeth.

⁴³ Then shall **the righteous shine forth as the sun in the kingdom of their Father. Who hath ears to hear, let him hear.**

The Age of Discovery was a period from the 15th to 17th centuries when Europeans explored the globe, seeking new trade routes and wealth. This era of extensive overseas exploration led to the discovery of the Americas by Europeans, the establishment of global trade networks, and the Columbian Exchange, but it also resulted in colonization, the spread of disease, and the exploitation of indigenous populations. Key figures include Christopher Columbus, Vasco da Gama, and Ferdinand Magellan.

AI Overview

On October 24, 2025, the United States ordered the **USS Gerald R. Ford** aircraft carrier strike group to move from Europe to the Caribbean to bolster military pressure on drug trafficking operations, particularly related to Venezuela. The deployment involves the carrier, its air wing, and escorts like destroyers, and significantly expands U.S. military presence and capabilities in the region.

About the deployment

- The ship:** The USS Gerald R. Ford is the newest and most advanced aircraft carrier in the U.S. Navy.
- The strike group:** The carrier is accompanied by several other vessels, including missile destroyers, and has a substantial air wing with fighter jets, helicopters, and surveillance aircraft.
- The reason:** The deployment is part of an escalation of the administration's military campaign against alleged drug-running organizations in Latin America, with a specific focus on Venezuela. The Pentagon stated the move will enhance the ability to "detect, monitor, and disrupt illicit actors".
- The timeline:** The strike group was in Europe for a scheduled deployment and is making the transit across the Atlantic, which is expected to take about a week.

CONVICTED FELON – WANTED For War Crimes . . .
Descendant of Convicts Sent From Europe

BRITISH CONVICTS IN AMERICAN COLONIES

The British were noted for transported prisoners out of England to be made to work at their numerous colonies. From 1615 to 1870, more than 200,000 criminals were conditionally pardoned, exiled, and transported to penal colonies. Before 1775, more than 50,000 prisoners were sent to America—primarily to Virginia and Maryland. With the American Revolutionary War, then from 1788 to 1869, more than 160,000 prisoners were sent to the British Colony of Australia.

What most Americans do not realize is that from 1718 until 1775, convict transportation to the American colonies flourished. Some estimates claim that almost 10 percent of migrants to America during this time were British convicts. This means, if you had ancestors in the American colonies during that time, they might have come as unwanted convicts, against the will.

What was done by the British was to banish a convict to America was for a term of either seven or fourteen years, after which the convict could theoretically come back the Britain. Escaping on a ship to return to England early, however, was punishable by death. This was not just a sentence for men. Some female convicts were transported to the American colonies as well, for crimes such as being "lewd" and "walking the streets after ten at night."

Going back to the early 1600s, convicts had been sent to America. In 1670 authorities in Virginia passed an act that prohibited convicts from being sent to the area. That act was overruled by King. By the early 1700s British convicts were sent over in droves, and free Americans weren't too happy about it. In fact, even before the Transportation Act of 1718 really opened the doors for Britain's dumping of undesirables in America, some colonies tried to pass laws that would prohibit the practice.

Many of those sent to the American colonies were put to work doing manual labor. Or in time of battles – French-Indian War, served as soldiers. Criminals could have been convicted of any type of crime, this included debtors. Those who had murdered were just hung in England and not sent.

About 20,000 convicts were sent to Virginia and settled along the Potomac and Rappahannock Rivers. Knowing where many did originate can help in your own family research. A reminder they were convicts not indentured servants who worked in exchanged for their passage to America. Indentured servants choose to come, convicts did not.

can the united states sell black indian lands to foreign governments

No, the United States cannot sell "Black Indian lands" to foreign governments. These lands are not the property of the U.S. government to sell, but are held in trust or as sovereign territories belonging to Native American tribes and individuals. Any sale would be a violation of treaties, sovereignty, and the unique legal relationship between the tribes and the federal government.

- **Sovereignty:** Native American tribes are considered sovereign nations, similar to foreign nations, and their reservations are their territories, not U.S. government property that can be sold.
- **Trust Relationship:** The federal government holds most of this land in trust for the benefit of the tribes, which is a legal relationship, not an ownership one.
- **Treaties:** The relationship is governed by treaties, which are legally binding agreements that cannot be easily broken. Selling land would violate these agreements, which historically protected tribal lands from being taken without consent.

From: **Den**
 Date: Jan 30, 2011
 Subject: INVESTIGATION of UNITED STATES PRESIDENT BARACK OBAMA - Senator Paul URGENT Assistance Is Being Requested
 To: senator@paul.senate.gov, Denise Newsome
 Cc: doug_stafford@paul.senate.gov, jessica_jelgerhuis@paul.senate.gov, william_henderson@paul.senate.gov, moria_bagley@paul.senate.gov

Dear Senator Rand Paul:

My name is Vogel Denise Newsome (Newsome) and I am a constituent of yours (i.e. Kentucky Registered Voter). Because Newsome does not want you to think that she is an Ohio resident (i.e. because of the cell phone number and mailing address used), she has attached a copy of my Driver's License. Newsome is requesting an INVESTIGATION and if necessary the IMPEACHMENT and INDICTMENT of United States President Barack Obama, his Administration and others who are found to have engaged in the criminal/civil wrongs reported. From News reports, Newsome believes that Representative Darrell Issa may be handling the initiation of INVESTIGATIONS against President Obama and his Administration. You may want to begin there to determine what the process is in getting my issues addressed in an **EXPEDITED** manner – i.e. considering that it appears President Obama's people are looking to cause IMMEDIATE harm within this week or very shortly against Newsome.

President Obama's people came in and had Newsome unlawfully/illegally removed from her residence without legal authority – i.e. although there was a legally authorized INJUNCTION and RESTRAINING Order in place and over \$16,000 in Escrow in that Newsome was ordered to place her rent in escrow, she was still thrown out on the streets. However, President Obama's people (i.e. Baker Donelson Bearman Caldwell & Berkowitz P.C.) and those they conspired with have engaged in criminal acts which resulted in Newsome's filing of criminal complaint with the FBI. Now President Obama and his people are attempting to cover-up these crimes. Nevertheless, there is record evidence to support that official criminal actions have been filed. Senator Paul, will you check into this matter?

Newsome is also contacting you because Senator Mitch McConnell is one of Baker Donelson's Senator's and his wife Elaine Chao, had a role in the FALSE and MALICIOUS information that has been posted on the Internet regarding Newsome. Some of the criminal/civil wrongs leveled against Newsome happened under Chao's watch when she was Secretary of Labor and employment violations were reported directly to her. This information and the correspondence Newsome submitted is of PUBLIC RECORD! As you know, Mitch McConnell is part of the "CAREER POLITICIANS" that have been in the way, way too long and has profited off of hiding the crimes of President Obama, Baker Donelson and others – i.e.

RE: UNITED STATES KENTUCKY SENATOR RAND PAUL: Request Of Status Of INVESTIGATION/S Request Regarding United States President Barack Obama and Government Agencies/Officials: Assistance In Getting Petition For Extraordinary Writ Filed; and Assistance In Recourse Of Relief PRESENTLY IMMEDIATELY Due Newsome

IN FACT: It is Liberty Mutual, its insured(s) and attorneys that have REPEATEDLY subjected Newsome to CRIMINAL Stalking and other crimes and civil violations it appears because of its RELATIONSHIPS to Baker Donelson – i.e. due to Baker Donelson's TIES to TOP-KEY Corrupt Government/Judicial Officials and ABILITY to BRIBE/PURCHASE/COERCE/BLACKMAIL/INFLUENCE, etc. the outcome of judicial/government agency decisions.

3. Sen. Paul, you will see that Newsome timely, properly and adequately requested that the S.C.U.S. advise her of any/all "CONFLICT OF INTEREST;" however, to date said Court has **NOT** done so. Furthermore, that the following facts are UNDISPUTABLE:

- a. That CONFLICT OF INTERESTS does exist in the S.C.U.S. handling of Newsome's Petition For Extraordinary Writ.
- b. That the S.C.U.S. is engaging in CRIMINAL/CIVIL violations in its OBSTRUCTION OF JUSTICE, CONSPIRACIES, etc as it works FRANTICALLY to try and keep United States President Barack Obama, his Administration, etc in Office – i.e. subjecting Newsome to DILATORY practices in hopes of dragging this matter out beyond the 2012 Elections.

4. If **unlawful combinations overthrow** the lawful State governments or if the State governments are acting in complicity with the unlawful combinations in such a manner that rebellion shall be deemed to exist, the President of the United States shall **make a proclamation ordering the insurgents to stop their activities** and if they do not to suspend the writ of habeas corpus.

5. No person may serve on a grand jury or as a juror in any case involving this act who the court believes **to be part of any combination or conspiracy** and every such juror shall take an oath in open court that **he has never voluntarily aided or participated in such a conspiracy.**

PROPOSED TENTATIVE PROCEDURAL 60-DAYS AGENDA IN SUPPORT OF RELIEF SOUGHT THROUGH THE UNCONTESTED 22 JUNE 2024, UNITED NATIONS HUMAN RIGHTS COMPLAINT (REFERENCE NO. HHPO8PA7)

For the above foregoing reasons / averments, the Chickasaw Tribal Nation through this instant **11/12/2025 CTN Tentative 60-Days 2025 Agenda**, NOW moves forward in the **IMPLEMENTATION** of the **RELIEF / SOLUTIONS** set forth in the 22 June 2024, **UNCONTESTED** “United Nations Human Rights Office of the High Commissioner (Special Procedures of the Human Rights Council (Reference No. *hhpo8pa7*) and Subsequent Submissions As 14 January 2025, United Nations Human Rights Office of the High Commissioner – The Human Rights Council (Reference No. *WHRC/13427*)” and, do hereby, present the following lawful **“TENTATIVE PROCEDURAL 60-Days Agenda;”** however, NOT limited to this listing alone; nevertheless, gets the ball rolling on such **EMERGENCY ISSUES** – i.e. **NOTING** each present **“proposed / suggested”** dates set within reasonable timeline to

17) ON or ABOUT 26 JANUARY 2026, BEGIN DISSOLVING PROCESS OF THE UNITED NATIONS

From RESEARCH, it appears that upon the DISSOLVING of the League of Nations (“LON”), many of the LON’s components were RELOCATED to the United Nations. After 80 years, it appears that it is NOW time to DISSOLVE the United Nations – i.e. due to:

- (a) **FAILURE TO PREVENT World War III / World War 3** – i.e. In that there is record evidence to support that the United Nations Security Council PERMANENT Members relied on **CONCENTRATED Power placed in the hands of a FEW** (five [5] Member States) organized to push NAZI Germany’s “NEW Order” / “WHITE Man’s Burden” Agenda for GLOBAL White Supremacy and the ENSLAVEMENT of Native Nations. SLAVERY which is a Crime Against Humanity.

IMPORTANT TO NOTE: The League of Nations being dissolved for its FAILURE to prevent World War II / WW2! **NEVER AGAIN!**

NOTE: It Being The United Nations Security Council PERMANENT Members Pushing AND Stoking World War III / WW3 Hoax!

- (b) **ADMINISTRATIVE POWER ABUSES and FAILURES:** European Nations have gone about engaging in a **DECEPTIVE EXPERIMENT** known as the United States of America (a **PRIVATELY held Company** – **NOT** a lawful Country)! AFTER almost 250 years of **PLANNING**, has run its course! An **EXPERIMENT** that is **NOT TOO BIG TO FAIL!**

The United Nations Member States having **DUTY** and **OBLIGATION** to **PREVENT** World War III / WW3 Hoax **PLANNED** and **CRAFTED** by the United Nations Security Council's **PERMANENT** Members!

NOTE *subliminal* messages that the United States of America **has managed to “ORGANIZE” / PERFECT** the carrying out of WAR Crimes / Crimes Against Humanity and other Atrocities, etc. **“in a SUPERIOR way!”** Thus, a **HUGE deception** because any such claims *alluding* that WAR Crimes, etc. can be **LEGALIZED is FALSE!**

NEITHER can the **HIDEOUS** War Crimes / Crimes Against Humanity. . . the USA **is engaging in be deemed as MORAL and / or ACCEPTABLE!** **NEITHER** the United States of America **NOR** its CO-Conspirators **are above the laws!**

The United States of America’s Officials and CO-Conspirators have used **Administrative Powers** to carry out **COVERT War Operations to DESTROY** BLACK Indians / NATIVE Tribal Nations, their Officials and People (as with the Chickasaw Tribal Nation); moreover, engage in **PAPER GENOCIDE** for purposes of **DESTROYING** the BLACK Indians’ knowledge of **their NATIONALITY** (Emphasis)!

- (c) **LACK OF “INTERNATIONAL MILITARY FORCE(S):”** After World War II / WW2, the United Kingdom and United States of America collected NAZI Germany’s Adolf Hitler’s NOTES / FILES and brought over 1,000 of Hitler’s SCIENTISTS to the USA where there was ALREADY an UNLAWFUL German INVASION! In approximately **250 years**, managing to engage in NUMEROUS Wars across the World **and push “AGE OF DISCOVERY / WHITE MAN’S BURDEN / NEW ORDER . . .”** Schemes!

IMPORTANT TO NOTE: A key reason for the *League of Nations’* FAILURE being the **LACK of an INTERNATIONAL Multi-Nation Military Force** to ENFORCE its decision – i.e. as that being witnessed today in the United Nations. Look at the **“ISRAEL AT WAR”** and the **USA BUILDUP** off the shores of the Bolivarian Republic of Venezuela - - **both operations led by the Europeans’** NAZIS / WHITE Supremacists / JEWS / ZIONISTS!

IMPORTANT TO NOTE: HOW United Nations **has been used as a FRONT** to push NAZI Germany’s **DISARMING** Script; however, **NOTE** those holding the **POWERFUL Arms / Weapons of Mass Destruction** and **THREATENING** Native Nations **“ALL”** around the World **and VISITING** their **PLANTED Military Bases** - - The United States of America / United States!

- (e) **FAILURE TO PREVENT WARS: Role(s)** of United Nations Security Council **PERMANENT Members** in the World War III / WW3 **Hoax Conspiracies** contrary to the United Nations CHARTER!

IMPORTANT TO NOTE: The League of Nations' allege *failure to prevent* World War II / WW2 **being a MAJOR factor for dissolving** and establishing United Nations.

League of Nations Dies, Willing Its Assets to U.N.

Geneva, April 18 (AP)—The League of Nations, created to preserve peace after a world cataclysm, expired tonight and willed to the United Nations its physical assets in the hope that the new organization might succeed where the League had failed.

It had lived 26 years.

Delegates from 34 nations, outnumbered by spectators in the galleries, witnessed the death of the first major peace organization of the 20th Century.

Quietly, the delegates answered "Yes" to a roll call on a motion providing that "with effect from the day following the close of the present session of the Assembly, the League of Nations shall cease to exist except for the sole purpose of the liquidation of its affairs."

Last Session Ends.

At 5:43 p.m. Carl J. Hambro of Norway, president of the Assembly, pounded his gavel and solemnly announced:

"I declare the 21st and last session of the General Assembly of the League of Nations closed."

Thus ended the life of the peace organization conceived largely by President Wilson, but never joined by the United States.

Its legal existence dated from the entry into force of the Treaty of Versailles on January 10, 1920.

The nostalgic formalities of terminating the League were interrupted only with a problem that is the heritage of the century's second great peace effort—the United Nations.

Egyptian Objects.

Mahmoud Mohamed Aldarwiche, the Egyptian delegate, abstained from voting on a resolution that pointed out that present League members with

mandated territories have declared they will continue to administer these countries as mandates until they are placed under trusteeship of the United Nations.

"It is the view of my Government," said Aldarwiche, "that mandates have terminated with the dissolution of the League of Nations, and that insofar as Palestine is concerned there should be no question of putting it under trusteeship."

Egypt feels, he added, that Palestine has reached a stage "where it should no longer continue under mandate of trusteeship. Her development is not behind that of Syria, Lebanon, Iraq or Transjordan, who have won independence."

Treaties Turned Over.

Hambro told Aldarwiche the United Nations probably would discuss the matter in September.

One of the League's final acts was to turn over to the United Nations thousands of treaty texts.

In physical assets the United Nations will inherit property valued at \$11,700,000. These include the League palace, other real estate and the League's stock of paper, furniture, typewriters and similar equipment.

The League confirmed Sean Lester of Ireland as secretary-general as from 1940 and Seymour Jacklin of South Africa as treasurer from 1944. They will continue to serve until the last of the League's affairs are liquidated.

- (f) **MEMBERSHIP ISSUE:** It is alleged that the United States of America's / United States' **LACK OF MEMBERSHIP** in the League of Nations being significant and played role in **WEAKENING** the LON's **power and authority** from its inception.

IMPORTANT TO NOTE: Keeping from the World / MASS Civilian Population information regarding **the ILLEGITIMACY** of the United States of America – i.e. which **is NOT** a Country; however, merely “**a PRIVATELY held Company**” **PERPETRATING** as a Country (when **NOT**)!

The United Nations Charter **PRECLUDES** the USA / United States **from being a Member** of the United Nations. Thus, **serving as MOTIVE for the CONSPIRACIES** the Europeans' NAZIS / ZIONISTS **have launched against** the Chickasaw Tribal Nation and / or BLACK Indians – i.e. in that it **being IMPERATIVE** that Native Nations and their People **are NOT aware of the criminal acts (FRAUD / DECEPTION . . .) being committed by** the United States of America, its European Allies and CO-Conspirators **for purposes of accomplishing their “NEW Order” agendas for GLOBAL White Supremacy!**

Can Companies / Corporations Be Members Of The United Nations:

No, private companies cannot be members of the United Nations because the UN is an organization **for sovereign states only**. However, the private sector can engage with the UN through initiatives like the UN Global Compact or by forming partnerships for specific projects, such as humanitarian aid or space exploration.

UN membership is exclusive to states:

According to the UN Charter, only "peace-loving states" that accept the obligations of the Charter can become members.

Corporations are not states:

Corporations are not sovereign states and are therefore ineligible for membership and do not have a seat on bodies like the Security Council. - - <https://www.quora.com/Can-a-corporation-receive-a-UN-security-council-seat#:~:text=No.,2> - -

No. A prerequisite to having a seat in the UNSC is membership in the UN. Under the UN charter, membership in the UN is limited to peace-loving states (i.e. countries) which accept the obligations of membership set forth on the Charter, and are willing and able to carry out said obligations. **Corporations are not “states” and therefore are ineligible for a seat on the UNSC.**

LOOKING AT TREES FROM THE FOREST

THIS NATION had its Aaron Burr, who tried to establish a new nation in the southwest, and its Benedict Arnold, who conspired with the British to deliver West Point.

Burr was charged with treason, but later exonerated. Arnold had to flee to England to escape prosecution by the government. So what of this Republic of New Africa? Is it a "secession" movement similar to the Confederacy? Is it a cancer which will revolt, at the proper time, against the United States?

MISSISSIPPI'S Attorney-General A. F. Summer stated the case for Mississippi, and the nation, in an open letter to U. S. Attorney-General John Mitchell.

The letter was dated April 1. As this is written, no reply has been received. Here is the complete text of Mr. Summer's letter:

Dear General Mitchell:

I should like to call to your immediate attention a matter of extreme importance to the people of the State of Mississippi and the United States of America. The facets of this urgent problem are both complicated and far-reaching and strike at both federal and state constitutional provisions and statutory authority and portend grave implications for the continued domestic tranquility of our state and nation. I refer specifically to the activities in Mississippi in recent days of an organization styling itself the "Republic of New Africa."

I am certain that you have seen accounts emanating from the various news media covering the activities of this organization and are aware that on Monday, March 28, 1971, this group entered into certain land in Hinds County, Mississippi, and proclaimed it to be the Capitol of the New Republic of Africa.

Approximately two hundred members of this organization, many of whom were heavily armed with rifles and sideguns which were openly brandished in a menacing fashion, participated in the activity on that date. Additionally, this organization has distributed in Mississippi pamphlets containing graphic drawings of how to prepare Molotov cocktails, simple flamethrowers, and instructions generally on methods of destroying the utility systems of towns, cities and counties.

Imari Abubakari Obadele, the apparent leader of this group, has written a book entitled "Revolution and Nation Building", published by The House of Songhay, which includes the following statement on page 9:

"In the South, where we must ultimately deploy the Black Legion as our main force army, our strategy has to include the people on the land and in the cities as a vital element. The army must be able to move in secret and conceal itself. It must be able to live off the land, in order to minimize supply and logistical problems. It must be able to move in secret and conceal itself. It must be able to depend on the people for reconnaissance and intelligence information, against the enemy, and it must be able to depend on the people to deny the enemy food, general supplies, transport and sanctuary in order to maximize for the enemy his supply, concealment, and logistical problems."

A further quote from page 6 of said book states:

"Blacks remaining within the United States must also — and importantly — use their influence, so long as it exists, to restrain the hand of the United States in using its court and military establishments against us."

In a bulletin issued by the Republic of New Africa, Boston Consulate, there is a reference to their Declaration of Independence as follows:

"The Republic of New Africa came into existence on March 31, 1968, after two days of intense deliberations. Over two hundred people signed the Declaration of Independence, declaring Black people forever free and independent of the jurisdiction of the United States Government. The elected officers of our Government will carry out the aims of the Revolution stated in the Declaration."

From a communication entitled "Black Laws As Accepted And Voted On By Brothers And Sisters That Were In Attendance At The Blacks Laws Conference On November 2, 1969," we find the following:

"We must defend the rights of the whole Black Nation to choose, govern, protect, punish and pursue the course of action for their people, declare war or peace, decide and determine its enemies and friends, and again: "We must defend the rights of the Black Nation to independence, freedom and justice for all Black people under Black law."

I am certain that you already have in your possession the complete texts from which these excerpts are drawn, and are completely familiar with their stated objective — the creation of the Republic of New Africa from five Southern States, including Mississippi.

I trust that from the above you see the peculiar position of the State of Mississippi and the problem it faces. Our citizens are justifiably disturbed over the fact that a group of people can proclaim to the United States Government and to the world that they have withdrawn from that Government and are going to create a new "Nation" carved out of our State, then come upon the land and declare that new "Nation" into being, without any intervention from the Federal Government nor any effort by the Government to expel them from our premises.

I respectfully refer you to Article IV, Section 3, Paragraph 1 of the Constitution of the United States which reads as follows:

New States may be admitted by the Congress into this Union; but no new State shall be formed or erected within the Jurisdiction of any other state; nor any State be formed by the Junction of two or more States, Nor Parts of States, without the Consent of the Legislatures of the States concerned as well as of the Congress.

Section 4 of the same Article states:

The United States shall guarantee to every State of this Union a Republican Form of Government, and shall protect each of them against Invasion; and on Application of the Legislature or of the Executive (when the Legislature cannot be convened) against domestic Violence.

From the above, it is apparent that the Federal Government has the primary obligation to act in such matter, yet we do not at the moment, know the position of the United States Government and particularly your Department concerning the activities of the Republic of New Africa Organization, as a group or as individuals.

We would, therefore, request that you at once advise the State of Mississippi as to your proposed course of action if any, in this most serious matter.

State and local government in Mississippi is prepared to act in any case of violation of state and local law and, if appropriate, in the defense of the United States. However, we respectfully suggest to you that the activities and statements of the Republic of New Africa organization appear to be in the nature of an armed insurrection against not only the State of Mississippi, but the United States of America.

The officials of Mississippi, both state and local, have asked that in the event of conflict between the Republic of New Africa and state and local government, what will be the position of the United States. We do not believe that this question is unwarranted in the light of past events in our State and we feel that your positions on this should be known in advance by our people and our officials.

IMARI ABUBAKARI OBADELE, I, is President of the Republic of New Africa (RNA). On August 18, 1971, the RNA Residence in Jackson, Miss., was raided by police and FBI agents who were allegedly seeking a fugitive. Gunfire was exchanged and a policeman was killed and two others wounded. As a result, 11 RNA citizens were arrested and jailed on charges of murder, assault with a deadly weapon and "waging war against the State of Mississippi." Subsequently, some charges were dropped and some RNA citizens released after serving jail terms. But three have been sentenced to life imprisonment, one received two concurrent 10-year prison terms and three still face murder charges. Released on bail in April 1973, Obadele and six

other RNA members were tried shortly afterwards on federal charges of conspiracy and assault, found guilty and sentenced to terms ranging from three to 17 years. Released on an appeals bond, Brother Imari is now waging a campaign to have the convictions reversed by the Mississippi Supreme Court and the U.S. Fifth Circuit Court of Appeals. The appeal is expected to come before the courts this September. Further information can be obtained from the RNA at P.O. Box 465, Jackson, Miss. 39205. (Note: In this essay the word "We" is capitalized and "i" is lower-cased because, according to Brother Imari, "It is a principle of New African thought that the community is more important than the individual.")

THE STRUGGLE OF THE REPUBLIC OF NEW AFRICA

All the charges grew out of a persistent campaign of the white power structure—led in Mississippi by the state attorney general, A. F. Summer, and FBI Chief Elmer Linberg, with the support of then U.S. Attorney General John Mitchell—to smash the RNA. The RNA had returned the struggle of Africans in America for independent land to a point of on-site confrontation, after 105 years, in March 1971. At that time, on 20 acres being purchased by the RNA from a black Hinds County farmer named Lofton Mason, We consecrated the land as El Malik, the capitol site of the still-unliberated nation.

We had said publicly that We were not declaring the land independent, though We would fence it and guard it just as ordinary business corporations do all over America. But the whites, understanding the psychological impact of our land move better than most of our people, panicked. They induced Mr. Mason to abrogate our land deal, issued a state injunction against our returning to the land (We shall, of course,

return—on conditions satisfying to all black people), and heightened their campaign of press vilification. For our part, the leaders of the RNA Provisional Government understood the dimensions of our struggle; We simply pressed on.

Our basic work in Mississippi was to organize people for a plebiscite, a freedom vote, to declare the black western third of the state, along the Mississippi River from Memphis to the Louisiana border, the Kush District, independent. Before the plebiscite there is to be a Reparations Election: a vote to be used as a testing and training exercise for the coming plebiscite, but a vote to mobilize black demand for reparations—millions of dollars from the U.S. government without strings—to be used for the building of New Communities. Also the reparations election is to create a Black Assembly, a body of blacks to seek reparations and to guide cooperative black economic development.

In June 1971, undaunted by Attorney General Summer, We held the first neighborhood reparations elections. In July We quietly bought a few acres from a black cooperative in north Leflore County, and in the same month, rallied the people behind us with a People's Court.

It was thus that in August the FBI and the Jackson Police—having despaired of finding,

as Jackson Mayor Russell Davis was to say later, any "legal means of driving the RNA out of Jackson"—decided on an old-fashioned, surprise armed attack. They realized, as they continue to realize, that every moment of continued RNA presence in Mississippi diminished the power of that fear by which whites hold the black counties enthralled. Our success in that summer of 1971 dictated their rashness.

Or was it, from their point of view, rashness? One year earlier that summer Jackson police and Mississippi Highway Patrolmen in all their fierce armor, had lined the street before the modern high-rise girls' dormitory at Jackson State College and, on signal, raked the building and the surrounding area with riot-gun fire: double-ought buckshot. None of the students was armed, but two young black males died and a number of other sisters and brothers were wounded. The police department and the highway patrol coolly stood the weight: Congressional outrage and black memorials across the country. It was all ruled justifiable. After all it was Mississippi, the murder state.

So, maybe there was no rashness in their conception of the armed attack on the RNA Government Residence in Jackson on Wednesday, August 18, 1971. In that summer, an election year in Mississippi with Charles Evers running for Governor and blacks daring to contest some 200 positions, whites had begun their reign of terror. All the country knew of the wanton murder of Jo Etha Collier, a 19-year-old high school graduate shot

what is the purpose of Administrative Powers in the United Nations

The purpose of "administrative powers" in the United Nations is to carry out the day-to-day operations of the organization, manage its budget, and oversee specific mandates like preparing non-self-governing territories for self-governance. This includes the administrative functions of the **Secretariat**, led by the Secretary-General, and the oversight role of the **Fifth Committee** regarding administrative and budgetary matters.

Administrative powers in decolonization

- Historically, "administering powers" also referred to countries responsible for Trust Territories.
- These powers were obligated to prepare the territories under their care for self-governance through independence, integration with another state, or free association.
- Since all Trust Territories have now attained self-government or independence, this role is largely historical.

what is the purpose of Administrative Powers in the United Nations

The purpose of "administrative powers" in the UN context can refer to two main things: the administrative authority of a state over a non-self-governing territory, and the administrative functions of the UN itself. In the first case, the purpose is to prepare the territory for self-governance through free association, integration, or independence. In the second case, administrative powers are those held by UN bodies like the General Assembly's Fifth Committee to manage the organization's budget and administrative matters, or by the Secretary-General as the chief administrative officer.

Administering powers for non-self-governing territories

- **To guide territories toward self-governance:** Administering powers are responsible for guiding Non-Self-Governing Territories to a "full measure of self-governance," which can take the form of integration with another state, free association, or full independence.
- **To transmit information:** They are obligated to regularly inform the UN Secretary-General about the economic, social, and educational conditions in the territories they administer.
- **To protect natural resources:** They must take measures to protect the rights of the people to their natural resources and ensure they have control over their future development.
- **To uphold rights:** They are also tasked with protecting the property rights of the people in these territories.

ROLE OF ADMINISTERING POWERS IN DECOLONIZATION PROCESS DISCUSSED IN SECOND MEETING OF PACIFIC REGIONAL SEMINAR

Administering Powers have an obligation under the United Nations Charter to bring the peoples of those Territories to a full measure of self-governance, which could be achieved through three measures: free association, integration with another State or independence.

During the morning meeting of the Seminar, the case of Tokelau was discussed and noted as an example of how an administering Power, in this case New Zealand, is adhering to its obligations and working in cooperation with the people of the Non-Self-Governing Territory towards self-determination.

The second meeting commenced with statements by Ipulasi Aitofele Sunia, the Lieutenant Governor of American Samoa, who said that the current status of the Territory and its administering Power, the United States, is the desired relationship the people of American Samoa wish to have. He asked that American Samoa be delisted as a colony of the United States and said the partnership between American Samoa and its administering Power is one that has benefited both parties.

Hope Alvarez Cristobal, from the Organization of People for Indigenous Rights (Guam), who shared concerns about political and social development on Guam, specifically related to the Chamorro people. Speaking from her organization's perspective, Ms. Cristobal provided a number of obstacles and opportunities regarding Guam and its administering Power, the United States. Concerns were expressed regarding immigration policies, United States military presence in Guam and environmental issues.

The United States of America's allege **10/2025** **GOVERNMENT Shutdown** is a **FRAUD** perpetrated for purposes of **shielding** / **hiding** its **COLLAPSE** and the **lawful INTERNATIONAL TAKEOVER** to assist the Chickasaw Tribal Nation with **TRANSITIONING** into **SELF-GOVERNMENT**!

The Chickasaw Tribal Nation / BLACK Indians **proclamation of NATIONALISM** ("Chickasaw") – i.e. Wherein there is record evidence to support:

- ✓ A **Permanent POPULATION** (consisting of Chickasaw and / or BLACK Indians)
- ✓ A **DEFINED Territory** (preserved through USA allege ceded Lands claims)
- ✓ A **GOVERNMENT**
- ✓ **Capacity to enter into RELATIONSHIPS** with other FOREIGN / SOVEREIGN Nations (Treaties / Agreements...)

There are reports of the United States of America **and United Kingdom** (**PERMANENT Members** of the United Nations Security Council) Officials engaging in WAR Crimes, Crimes Against Humanity and other Atrocities, etc. and **engaging in COVERT operations TARGETING** “BLACK” Nations and having them **UNLAWFULLY removed** from their Lands / Territories – i.e. matters in which the Chickasaw Tribal Nation having an interest in as well as its Utica INTERNATIONAL Embassy!

The reality was that a community had lived on Chagos for centuries. The Chagossians are predominately descendants of enslaved people, forcibly brought from the African continent and Madagascar to the then-uninhabited Chagos islands where they worked on coconut plantations under French and British rule. Over the centuries they became a distinct people with their own Chagossian Creole language, music, and culture.

But the UK and US governments treated them as a people without rights, who they could permanently displace from their homeland without consultation or compensation to make way for a military base. From 1965 to 1973, the UK and US forced the entire Chagossian population from all the inhabited Chagos islands, not only Diego Garcia but also Peros Banhos and Salomon. They abandoned them in Mauritius or Seychelles, where they lived in abject poverty.

**Note: United Kingdom's FALSE Claims That Chagos has NO
“Permanent Population” (EMPHASIS)**

About 60 years ago, the United Kingdom government secretly planned, with the United States, to force an entire Indigenous people, the Chagossians, from their homes in the Chagos Archipelago. The Indian Ocean islands were part of Mauritius, then a UK colony. The two governments agreed that a US military base would be built on Diego Garcia, the largest of the inhabited Chagos islands, and the island’s inhabitants would be removed. The UK government split the Chagos Archipelago from Mauritius, creating a new colony in Africa, the British Indian Ocean Territory (BIOT). So that it would not have to report to the United Nations about its continued colonial rule, the UK falsely declared that Chagos had no permanent population.

NOW there are UNLAWFUL efforts of the NAZI Axis (Germany, Italy and Japan, etc.) with EXTENDED Allies (European Commission, United Nations Security Council PERMANENT Members [United Kingdom, United States, France, China and Russia], Israel, Australia, Canada, Qatar, Saudi Arabia and United Arab Emirates, etc.) attempting to carry out such WAR Crimes, Crimes Against Humanity and other Atrocities, etc. against the State of Palestine through such operations known as “TRUMP GAZA!”

The Declaration of Independence: A Transcription

IN CONGRESS, July 4, 1776.

The unanimous Declaration of the thirteen united States of America,

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.—That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed.—That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.

Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.—Such has been the patient sufferance of these Colonies, and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

RESTORING/RECLAIMING AND BUILDING A GOVERNMENT THAT WORKS FOR THE OPPRESSED/PEOPLE!

(II) **AMERICAN REVOLUTION** = Cited in the **DECLARATION OF INDEPENDENCE** of the United States = When a **GROUP of Representatives** from the **VARIOUS States** signed a **DECLARATION OF INDEPENDENCE** citing **CHARGES . . . (III) **DECLARATION OF INDEPENDENCE** = **"WHEN a LONG TRAIN of ABUSES and USURPATIONS, pursuing invariably the SAME OBJECT evinces a DESIGN to REDUCE them under ABSOLUTE Despotism, it IS their RIGHT it IS their DUTY to THROW OFF such Government!"**

UNITING FOR PEACE

EMERGENCY SPECIAL SESSION(S) OF THE UNITED NATIONS SECURITY COUNCIL, UNITED NATIONS GENERAL ASSEMBLY and / or APPLICABLE UNITED NATIONS BODIES / APPROPRIATE INTERNATIONAL AUTHORITIES

Through this instant **11/12/2025 CTN Tentative 60-Days 2025 Agenda** as well as the **22 June 2024, UNCONTESTED** United Nations Human Rights Office of the High Commissioner - Special Procedures of the Human Rights Council (Reference No. hhpo8pa7) – and subsequent Submissions, the Chickasaw Tribal Nation seeks the applicable Emergency Special Session(s) of the United Nations Security Council, United Nations General Assembly and / or Applicable United Nations Bodies / Appropriate International Authorities, etc. for purposes of IMPLEMENTATION of the RELIEF sought therein, UNITING FOR PEACE as well as any / all other relief known to the United Nations Members States and / or Foreign Nations . . .

An **emergency special session** of the *United Nations General Assembly* is an unscheduled meeting of the *United Nations General Assembly* to make **urgent** recommendations on a **particular** issue. Such recommendations can include **collective** measures and can include the **use of armed force** when necessary **to maintain** or restore **international peace and security** in the case of a **breach of the peace** or act of aggression when the *United Nations Security Council* **fails to exercise** its responsibility for the **maintenance of international peace and security** due to lack of unanimity of its permanent ("veto") members.

Under Chapter Five of the Charter of the United Nations, the *Security Council* is normally **entrusted with maintaining international peace and security**. However, on 3 November 1950, the General Assembly passed *Resolution 377 (Uniting for Peace)* which expanded its authority **to consider topics that were previously reserved solely for the Security Council**. Under the Resolution, if the Security Council cannot come to a decision on an issue because of a lack of unanimity, the General Assembly may hold an emergency special session **within 24 hours** to consider the same matter.^{[1][2][3][4]}

The mechanism of the emergency special session^[5] was created in 1950 by the General Assembly's adoption of its "**Uniting for Peace**" resolution, which made the necessary changes to the Assembly's Rules of Procedure.^[6] The resolution likewise declared that:

... if the Security Council, because of lack of unanimity of the permanent members, **fails to exercise its primary responsibility for the maintenance of international peace and security** in any case where there appears to be a **threat to the peace, breach of the peace, or act of aggression**, the General Assembly shall consider the matter immediately with a view to making appropriate recommendations to Members for collective measures, including in the case of a breach of the peace or act of aggression **the use of armed force when necessary, to maintain or restore international peace and security**. If not in session at the time, the General Assembly may meet in emergency special session within twenty-four hours of the request therefor. Such emergency special session shall be called if requested by the Security Council on the vote of any seven members, **or by a majority** of the Members of the United Nations..

The Chickasaw Tribal Nation suggesting name as *“Utica International Embassy Charter of Rights and Freedoms”* – i.e. in that there have been BLACK Indians / Indigenous Descendants from **VARIOUS Nationalities** that have reached out / contacted the CTN / Utica International Embassy for assistance requiring use of the “appropriate INTERNATIONAL Authorities” that the International Criminal Court advised of through its 4 APRIL 2019 Communication!

Providing **EMERGENCY International Intervention** in requiring that United States of America **“ESSENTIAL Workers” be returned to provide assistance and TRAINING through TRANSITIONAL Phase of the Chickasaw Tribal Nation’s SELF-Government and Utica International Embassy operations!**

- (b) **On or about 21 NOVEMBER 2025, Recognition Of Chickasaw Tribal Nation:** The Chickasaw Tribal Nation reiterates the **22 June 2024, UNCONTESTED** United Nations Human Rights Office of the High Commissioner - Special Procedures of the Human Rights Council (Reference No. hhpo8pa7); wherein, **DECOLONIZATION** was presented. Thus, **now affording 11 NOVEMBER 2015, DECLARATION OF INDEPENDENCE** drafted. Moreover, supporting the Declaration on the GRANTING of INDEPENDENCE to the Chickasaw Tribal Nation and its People / Citizens as well as those utilizing its Services and that of its Utica International Embassy pursuant to Chapter XI (Articles 73 and 74) of the United Nations Charter and / or Statutes, Codes, Rules, Regulations, Article(s), Resolution(s) and / or Laws governing said matters! PLEASE BE ADVISED that it took DECADES of Planning, Drafting of Legislation and Implementation of the CONSPIRACIES leveled AGAINST Natives, Native Americans and Blacks/Negroes/African-Americans/People-of-Color to WSPY OUT/DESTROY/STEAL their Lands/Properties by the United States DESPOTISM TERRORIST Government/Organization Regime and its WHITE Jewish/Zionist/Supremacist MILITANTS. Therefore, it is going to take a GREAT DEAL of time to BUILD "NEW" Governments to CORRECT these INAPPROPRIATE practices and HEAL a MULTI-nation of these PROTECTED People that have ENDURED "DECADES" of TRAUMATIC abuses under the United States' DESPOTISM TERRORIST Government/Organization Empire! - (c) On or about 24 NOVEMBER 2025, IMMEDIATE EXPULSION Of The United States of America From United Nations: Through this instant 11/12/2025 CTN Tentative 60-Days 2025 Agenda as well as the 22 June 2024, UNCONTESTED United Nations Human Rights Office of the High Commissioner - Special Procedures of the Human Rights Council (Reference No. hhpo8pa7), the Chickasaw Tribal Nation seeks the lawful EXPULSION of the United States of America from the United Nations – i.e. in that it is NOT a Country and is merely “a PRIVATELY held Company” allegedly in place to operate as an “ADMINISTRATIVE Power!”

Record EVIDENCE supports that the United States of America was *afforded opportunity to CONTEST* and present EVIDENCE that it is a lawful COUNTRY; however, FAILED to do so! *Instead, elected* to use time to CONTEST the Chickasaw Tribal Nation’s Complaint to ENTERTAIN and BE DISTRACTED with Donald John Trump’s FOOLISHNESS! Thus, to the USA’s DEMISE / DETRIMENT!

REPLACING said EXPULSION of the United States of America from the United Nations and the Seat therein / United Nations Security Council Seat WITH THE Chickasaw Tribal Nation!

VOGEL DENISE NEWSOME IS ON THE FRONTLINE EXPOSING the UNITED STATES OF AMERICA’S CORRUPT GOVERNMENT OFFICIALS’ CRIMES: While United States President Barack Obama and his WHITE SUPREMACIST/RACIST Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz have come AFTER Newsome’s JOBS, BANK ACCOUNT(S), RESIDENCE(S), etc., as you can see, she has NOT been IDLE and is using her time EFFECTIVELY to EXPOSE the CORRUPTION, COVER-UPS and CRIMINAL/CIVIL violations in ALL THREE Branches (EXECUTIVE/White House – LEGISLATIVE/Congress – JUDICIAL/Supreme Court of United States) in their efforts to KEEP THIS INFORMATION FROM THE PUBLIC/WORLD as well as attempts to have Newsome PLACED IN CHAINS, PLACED ON WELFARE, and CONTROLLING ALL ASPECTS of her LIFE, LIBERTIES and PURSUIT OF HAPPINESS – FREEDOMS! [This is INFORMATION of PUBLIC INTERNATIONAL GLOBAL Interests that the United States of America’s BIAS MAINSTREAM Media (PRO-Obama) does NOT want you to KNOW ABOUT and/or SEE and is News that you will NOT get UNBIAS coverage on!]

The PROBLEM with HABITUAL CAREER CRIMINALS such as Baker Donelson Bearman Caldwell & Berkowitz and its ALLIES, because of their ADDICTION to PROMOTE “WHITE SUPREMACY/DOMINANCE” over ALL Races and Cultures, they do NOT know how to STOP and will go to HIDEOUS EXTREMES to ACCOMPLISH their AGENDAS!

So WHY IS THE UNITED STATES OF AMERICA’S LEADERS STILL ALLOWED TO SIT AT THE TABLE? **NEWS FLASH:** IF FOREIGN NATIONS THAT HAVE LOANED THE UNITED STATES OF AMERICA MONIES ARE THINKING THEY ARE GOING TO GET THESE MONIES BACK - - THINK AGAIN! It appears the United States of America have NO INTENTIONS of PAYING BACK ITS LOANS! It appears the United States of America is BROKE and it simply CANNOT just print monies because under the laws, only a CERTAIN amount is ALLOWED in CIRCULATION at a time!

INVESTIGATIONS OF PUBLIC CORRUPTION: Rooting Crookedness Out of Government

03/15/04

OPERATION GREYLORD

Today marks an important anniversary in the annals of public corruption investigations in the U.S.

Twenty years ago today, in a federal courtroom in Chicago, a jury found Harold Conn (top center in photo) guilty on all 4 counts of accepting bribes to be passed on to Cook County judges as payment for fixing tickets. The evidence? He had been caught live on FBI tapes.

This "bagman" had been Deputy Traffic Court Clerk in the Cook County judicial system, and he was the first defendant to be found guilty in a mammoth sting investigation of crooked officials in the Cook County courts.

It was called **OPERATION GREYLORD**, named after the curly wigs worn by British judges. And in the end -- through undercover operations that used honest and very courageous judges and lawyers posing as crooked ones... and with the strong assistance of the Cook County court and local police -- 92 officials had been indicted, including 17 judges, 48 lawyers, 8 policemen, 10 deputy sheriffs, 8 court officials, and 1 state legislator. Nearly all were convicted, most of them pleading guilty (just a few are shown in our photo). It was an important first step to cleaning up the administration of justice in Cook County.

Who's investigated? Public servants: members of Congress and state legislatures; members of the Administration and governors' offices; judges and court staffs; all of law enforcement; all government agencies. Plus everyone who works with government and is willing to pay for "special favors": lobbyists, contractors, consultants, lawyers, U.S. businesses in foreign countries, you name it.

Last words: Straight from Teddy Roosevelt: "Unless a man is honest we have no right to keep him in public life, it matters not how brilliant his capacity, it hardly matters how great his power of doing good service on certain lines may be... No man who is corrupt, no man who condones corruption in others, can possibly do his duty by the community."

By Edwin Bender
July 1, 2000

Early the morning of Aug. 12, 1999, Tennessee Gov. Don Sundquist took the podium at the 26th annual meeting of the American Legislative Exchange Council [1] to welcome attendees to Nashville. It was an intimate affair of some 2,700 in total, including a large number of lawmakers, state and national, gathered to discuss governing and public policy.

Following Sundquist in an afternoon session the next day, J. Michael Quinlan told his audience how private prisons can contain costs and still provide quality services to criminal justice systems across the country. Quinlan, a former director of the federal Bureau of Prisons under presidents Reagan and Bush, is chief operations officer of Corrections Corporation of America (CCA).

It is fitting that Sundquist, an ardent proponent of prison privatization, and Quinlan, whose company is the largest private-prison corporation in the United States, should be addressing lawmakers and staff about public policy at a conference funded in part by private-prison corporations and held in Nashville, home to CCA.

A standard-bearer for prison privatization, Sundquist's early efforts supporting CCA and its proposal to take over the Tennessee state prison system were met by stiff opposition. Promises of \$100 million in savings to taxpayers were found to be fiction under legislative review. His later legislative proposals to limit importation of violent offenders were pre-emptive, as support grew for a complete ban on out-of-state prisoners, which account for a significant portion of CCA's bottom line in Tennessee.

While perhaps an extreme case given CCA's long history in the state, Tennessee nonetheless provides a clear example of how the private-prison industry has managed to protect its bottom line by nurturing its relationships with politicians through campaign contributions. It also illustrates the role the American Legislative Exchange Council, or ALEC, is playing across the country in legitimizing corporate-sponsored legislation that both furthers privatization efforts and ensures a flow of inmates.

The National Institute on Money in State Politics' study of the private-prisons industry looks at the industry's contributing patterns and at the role ALEC is playing as a promoter of industry-backed legislation.

What private-prison corporations have spent on lobbyists very likely dwarfs their contributions total. The Institute found several examples of major private-corrections corporations hiring top-of-the-line firms to push their agendas. [4]

CCA and Wackenhut lobbyists that the Institute could find include:

In Tennessee, Betty Anderson, wife of House Speaker Jimmy Naifeh; Lewis Donelson of Baker Donelson Bearman & Caldwell and also finance commissioner under former Gov. Lamar Alexander;

DECEMBER 20, 2018

Housing - The right to adequate housing is a human right recognized in international human rights law as part of the right to an adequate standard of living. The UN Committee on Economic, Social and Cultural Rights has underlined that the right to adequate housing should be seen as the right to live somewhere in security, peace and dignity.

Despite the central place of this right within the global legal system, well over a billion people are not adequately housed. Millions around the world live in life- or health-threatening conditions, in overcrowded slums and informal settlements, or in other conditions which do not uphold their human rights and their dignity. -- As of 08/20/2025:

ENFORCEMENT ACTS/KU KLUX KLAN ACT

... It further made a number of the KKK's intimidation tactics into federal offenses, authorized the president to call on the militia to suppress conspiracies against the operation of the federal government, and prohibited those suspected of complicity in such conspiracies to serve on juries related to the Klan's activities. -- Wikipedia

- Purposes of CREATING "False" and "Illegal" DEBTS;

WTVY talked to neighbors in that area, one said she did not feel safer after seeing the rolled-up flyer in her front yard.

Description ①
 17 USC § 107 (LIMITATIONS On EXCLUSIVE Rights - FAIR USE)

HOW MANY PEOPLE REALLY WANT TO KNOW "WHO" CARRIED OUT THE 9/11 BOMBINGS ON THE WORLD TRADE CENTER TOWERS and other Targets?
 HOW MANY People REALLY want to KNOW "WHO" is BEHIND ORCHESTRATING and GIVING ORDERS to Law Enforcement to CARRY OUT these BRUTAL POLICE ATTACKS against Blacks/African-Americans?
 Look at HOW SO MANY People are SO CALLOUS about such issues (that's WILLIE LYNCH!) They are SO CAUGHT UP in the DISTRACTIONS (iPhones/SmartPhones, 2016 Presidential Elections, POLITICAL Games...) and are FINANCING/FUNDING Zionist-Controlled Organizations (PURCHASED under 501(c)(3) ~ as the MAJORITY of Black Churches/Pastors and their Members, NAACP, Black Lives Matter...) and WHO work HAND-AND-HAND with the KLAN'S/WHITE SUPREMACIST Law Firm of Baker Donelson Bearman Caldwell & Berkowitz that they HAVENT taken the time to SEE that it is the BLACK DOLLARS as well as their TAX DOLLARS that are FINANCING the ONGOING TERRORIST ACTS of the United States DESPOTISM Government Regime AGAINST Blacks/African-Americans!

STRAPPED FOR CASH and SEEING THE NEED to keep the Public from FINDING OUT that their TAX DOLLARS, 401Ks, INVESTMENT Portfolios, etc. have been CLEANED OUT, as TERRORISTS DO, they have ESCALATED their GENOCIDE Plans which are TARGETING the Blacks/African-Americans in their PUSH to bring about MARTIAL LAW. However, even this APPROACH (the BRUTAL Killings/Murders of Black/African-Americans) is UNLAWFUL, and ILLEGAL, and CANNOT be used to IMPLEMENT MARTIAL LAW that was ORCHESTRATED by White Supremacist Groups in efforts of CIRCUMVENTING the KU KLUX KLAN ACT!

UIE'S TAKE DOWN OF BAKER DONELSON'S "OPERATION SONDERGERICHT"

A *Sondergericht* was a **German "special court"**. After taking power in 1933, the Nazis **quickly moved to remove internal opposition to the Nazi regime** in Germany. The legal system became **one of many tools** for this aim and the Nazis **gradually supplanted the normal justice system with political courts with wide-ranging powers**. The function of the special courts **was to intimidate the German public**, . . .

These protections were swept away in the special courts, since they existed outside the ordinary judicial system. **There was no possibility of appeal**, and verdicts could be executed at once. The court decided **the extent of evidence to consider**, and **"the defense attorneys couldn't question the proof of the charges"**. . . . As of 05/04/20: <https://en.wikipedia.org/wiki/Sondergericht>

IMPORTANT TO NOTE: It appears the 4 April 2019, Communication from the International Criminal Court was submitted with **KNOWLEDGE** that Prime Minister Vogel Denise Newsome had been **KIDNAPPED with INTENT to have her ASSASSINATED!** However, to the DISAPPOINTMENT of such NAZI / Zionist COVERT Operations, Prime Minister survived 110 days ordeal and the World is NOW witnessing **HISTORICAL SWEEPING "REVOLUTIONARY" CHANGE!**

Furthermore, providing FINDINGS and / or FACTS. Thus, if VIOLATIONS are found, that the applicable PROSECUTION proceedings are brought through the applicable Tribunal(s) in the interest of JUSTICE!

Merkel and Other German Leaders Try, Again, to Form a Government

By Melissa Eddy

Chancellor Angela Merkel of Germany is leading the conservative Christian Democrats in talks with other political parties to form a coalition government. *— AP*

European Unity

Martin Schulz, the leader of the Social Democrats, has called for a "United States of Europe" by 2025, a notion that conservatives have rejected as unrealistic.

One sticking point will be a common approach on changes to the eurozone, along the lines proposed by President Emmanuel Macron of France, who is seeking a shared budget and governing structure.

Malcolm X Bids Africans Take Negro Issue to U.N.

CAIRO, July 17 (Reuters)—Malcolm X appealed today to delegates of 34 African nations at a conference here to bring the cause of United States Negroes before the United Nations. In a message circulated to the heads of state and government as the meeting got under way, the American racial extremist said "the deteriorating plight of American Negroes was 'definitely' becoming a threat to world peace."

He charged that the "United States Government is morally incapable of protecting the lives and property of 22 million Afro-Americans."

In his message Malcolm X said: "We assert the right of self-defense by whatever means necessary and reserve the right of maximum retaliation against our racist oppressors no matter what the odds against us are."

for purposes of OBSTRUCTING the LAWFUL Self-Government operations of the Chickasaw Tribal Nation and other BLACK Indians utilizing CTN / Utica International Embassy Services and / or those of the “appropriate INTERNATIONAL authorities” (as the United Nations)!

There is record evidence that the USA’s President **“VERBALLY”** changing the name **FROM** Department of **Defense** **TO** Department of **WAR!** Therefore, while the name **has NOT** been changed in accordance with Policies and Procedures required, a reasonable mind may conclude, United States President Donald John Trump **making clear** that **“ALL”** operations using the **MILITARY Arm / Department of WAR** [as the NATIONAL GUARD / ARMY / NAVY / MARINES . . . – PRIVATELY held Companies] **are to be DEEMED “ACTS of WAR”** and / or **WAR of AGGRESSION** . . . against the BLACK Indian Nations / BLACK Indians and NATIVE Nations in which they ARE PRESENTLY being used against!

Furthermore, providing FINDINGS and / or FACTS.
Thus, if VIOLATIONS are found, that the applicable PROSECUTION proceedings are brought through the applicable Tribunal(s) in the interest of JUSTICE!

The NATIVE Nations of the World have spoken! The EUROPEANS' / NAZIS' / Zionists' Global FINANCIAL System **does NOT** work for NATIVE Nations (as the Chickasaw Tribal Nation, South America / Latin Nations, Middle Asia Nations (also known as Middle East), Asian Nations, African Continent Nations and Native Island Nations, etc. Thus, said Native Nations **are ADVERSELY impacted** due to the UNLAWFUL **SYSTEMIC** Racial / Discriminatory practices and UNLAWFUL **Sanctions**, etc. imposed on them by the United States of America with support of EUROPEAN Allies! **IMPORTANT TO NOTE:** Reports of Native Nations desire to **GET OFF** of the USA's "**DOLLAR**" System – i.e. **a system pushed AFTER** the Europeans' / NAZIS' **World War II / WW2 HOAX!** Thus, **being a great time to NOW make the necessary and CRUCIAL changes in advancing the NATIVE Nations forward with a FINANCIAL System that is FRIENDLY and PRODUCTIVE to their needs!**

There is a saying, "**FIND The ACHILLES HEEL Of A Monopoly's ECONOMIC System, Then Its DESTRUCTION / DEMISE Becomes INEVITABLE!**" That is just what the Chickasaw Tribal Nation's Officials did! Focused on WHO appeared **TIME-and-TIME** again to be **SURFACING** in the **UNLAWFUL attacks** and war crimes, crimes against humanity and other atrocities, etc. **launched against** Vogel Denise Newsome – i.e. **who NOW** presently serves as **Prime Minister** for the Chickasaw Tribal Nation as well as Utica International Embassy!

MEET Baker, Donelson, Bearman, Caldwell & Berkowitz P.C.- Legal Counsel for the United States of America / United States [The EXECUTIVE Branch, LEGISLATIVE Branch, and JUDICIAL Branch] as well as appears to serve as the **BRAIN** of NAZI / WHITE Supremacist / Ku Klux Klan / Jewish / Zionist... **Paramilitary TERRORISTS** operations and **TRAINING** (as in the PLANNING, ORCHESTRATING and CARRYING OUT the 11 September 2001, DOMESTIC Terrorists Attacks)! PRESERVATION Of A "**PAPER Trail**" To Support "**HOW**" USA **Covert Paramilitary** "BLACK Codes" / "Jim Crow" **SLAVERY** Schemes. . . Are Being Used By The United States of America's NAZI/White Supremacist/Ku Klux Klan/Jewish/Zionist Officials AGAINST Those Who Have Been **LABELLED** As: "BLACK-Indians," Niggers, Colored, Negroes, BLACKS and African-Americans, etc.

WHEN Vogel Denise Newsome was **BANNED** from **Employment** in the so-called United States, she continued on with Civil Rights/Human Rights . . . Activism! **When BANNED** from the United States **COURTS**, she proceeded to utilize **INTERNATIONAL** options **LAWFULLY** available!

NOW Vogel Denise Newsome serves as **Prime Minister** for the Chickasaw Tribal Nation/Utica International Embassy and their **SOVEREIGN** Native Nation/Embassy is in a position to assist other "BLACK-Indians"/Natives in utilizing **INTERNATIONAL** remedies available to them! Former Baker Donelson lobbyist pleads guilty for role in timber investment scheme

BY DEBRA CASSENS WEISS

APRIL 28, 2025, 8:40 AM CDT

A former Baker, Donelson, Bearman, Caldwell & Berkowitz lobbyist pleaded guilty Wednesday to conspiracy to commit wire fraud for participating in a scheme to defraud investors in timber investments.

Former lobbyist Ted Brent Alexander admitted participating in a scheme that solicited millions of dollars from investors who were led to think that he was personally inspecting tracts of timber that were the basis for their investments, according to an April 27 press release from the Department of Justice.

Law360 has coverage.

Alexander pleaded guilty in federal court in Jackson, Mississippi.

Former Baker Donelson partner Jon D. Seawright pleaded guilty in July 2022 to a conspiracy to defraud investors in the same scheme. He was accused of soliciting the investors along with Alexander and misrepresenting their due diligence in vetting the timber contracts.

Investors were told that rights to the timber were sold to a timber broker, who then sold the timber rights to lumber mills at a higher price. Alexander said he loaned funds to the timber broker, and investors could reap a return of 10% or more on their investment, according to the press release.

EXTORTION Racketeering

Alexander represented that he was not only inspecting the timberland but also reviewing documentation supporting the investments.

Thus, in LAWFUL move and RESPONSIBILITY TO PROTECT (R2P) pursuant to United Nations General Assembly Resolution 60/1, and subsequent Resolution 75/277 as well as United Nations Security Council Resolution 1674, the Chickasaw seek said relief!

On or about 1 SEPTEMBER 2024, the Chickasaw Tribal Nation submitted Communication DESIGNATING the United States of America (which is “a PRIVATELY held Company) as a TERRORIST Organization! Said NOTIFICATION and SUBMISSION to United Nations and / or Foreign Nations being LAWFU and sufficient to NOTIFY of TIMELY submission. However, it appears that the USA and its CO-Conspirators may have thought, **“IF we just IGNORE and CONTINUE to try and get meetings with Prime Minister Vogel Denise Newsome, we can make this GO AWAY!”** To the USA’s disappointment and that of the United Nations Security Council PERMANENT Members, that **did NOT** happen – i.e. Prime Minister Newsome **“REJECTING”** meeting scams!

IMPORTANT TO NOTE: Using similar processes used in the TRANSFER of components from the League of Nations to the United Nations! The evidence contained in this instant **11/12/2025 CTN Tentative 60-Days 2025 Agenda** as well as the **22 June 2024, UNCONTESTED** United Nations Human Rights Office of the High Commissioner - Special Procedures of the Human Rights Council (Reference No. hhpo8pa7) – and subsequent Submissions supports what appears to be ROLES and COMPLICITY in the World War III / WW3 HOAX specifically TARGETING Native Nations (as the Chickasaw Tribal Nation, Palestine, Iran, North Korea, Burkina Faso, Mali, Niger, Nigeria...) – i.e. in VIOLATION of the United Nations Charter and, thus, presenting THREATS to INTERNATIONAL PEACE and SECURITY, Breach Of The Peace, Acts of Aggression as well as further:

WAR Crimes, Crimes Against Humanity, Violation(s) of Geneva Convention on the Prevention and Punishment of the Crime of Genocide (1948), Ethnic Cleansing, Violation(s) of Chemical Weapons Convention (1997), Violation(s) Convention Against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment (Torture Convention), Violation(s) of Convention on the Prevention and Punishment of the Crime of Genocide (Genocide Convention) and other Atrocities, etc.. . .

Thus, in **LAWFUL** move and **RESPONSIBILITY** TO PROTECT (R2P) pursuant to United Nations General Assembly Resolution 60/1, and subsequent Resolution 75/277 as well as United Nations Security Council Resolution 1674, the Chickasaw seek said relief!

IMPORTANT TO NOTE: For DECADES **“The PEOPLE”** have been sounding the ALARM of CONSPIRACIES by those who have LABELED themselves as the **“POWER ELITE”** that have managed to put together a **“SECRET WORLD GOVERNMENT”** Alliance **AGAINST** the BLACK Indians as well as other NATIVE Nations for purposes of achieving **WHITE Supremacy** OVER **“ALL”** Native (NON-White) Nations! Nevertheless, **NOTE “HOW”** the Nazis / WHITE Supremacists / Ku Klux Klan / Jews / Zionists... *continue to GASLIGHT and attempts to DISTRACT from the TRUTH about their CONSPIRACIES for “ONE-RACE” (WHITE) Dominance / SUPREMACY over “ALL” other Races and NATIVE Nations! CONTINUING to LIE that NO such Conspiracies EXIST (when in FACT – DO) – i.e.* Going as far as making movies to said “POWER ELITE” conspiracies AGAINST those opposing (calling those who do, names as **“RESISTANCE”**)!

Arthur Cherep-Spiridovich

Major-General **Count Arthur Cherep-Spiridovich** (Russian: А́ртур Иванович Череп-Спи́ридович; 8 September 1866^[1] – 22 October 1926) was a major-general in the Imperial Russian Navy^{[2][3]} and an anti-Semitic conspiracy theorist, who moved to the United States following the Bolshevik Revolution. He was a White Russian monarchist, and additionally he was heavily involved in Pan-Slavism, anti-Semitic activism, and various chivalric orders and cultural organizations, especially in the White Russian diaspora community in America. He is perhaps best known for authoring a book titled *The Secret World Government, or, "The Hidden Hand"* (1926), which presents his conspiracy theory that the world is being clandestinely governed by a group of 300 individuals of "Judeo-Mongol" ancestry.

Biography [edit]

Cherep-Spiridovich claimed to be well versed in international affairs, and claimed a number of political successes and insights. He claimed to have been a Russian major-general, to have warned King Alexander I and Queen Draga Mašin of Serbia before their assassination in 1902, and to have warned Grand Duke Sergei Alexandrovich of Russia in 1904 before his 1905 assassination. He also claimed to have foreseen the First World War, and in the early 1920s he foresaw another international war.^[4]

Cherep-Spiridovich was president of the Slavonic Society of Russia and also of the Latino-Slavic League of Paris and Rome. Politically he was a supporter of the Tsar Nicholas II of Russia and an opponent of Bolshevism. According to Lord Alfred Douglas, well-known men like Henry Ford and newspapers like the *Financial Times* in London took him seriously and helped him to reach a fairly wide public.^[5]

Maj.-Gen. Count A. Cherep-Spiridovich, Direct Descendant from the Grand Dukes of Russia, Tells How the Anglo-Latino-Slav League, of Which He Is President, Aims to Unite the White Peoples of the Globe Against the Domination of the Colored Peoples, Who Outnumber Them Two to One.

By FREDERICK BOYD STEVENSON

Maj. Gen. Count A. Cherep-Spiridovich, as President of the Anglo-Latino-Slav League, has established his headquarters in New York City. His father was Russian. His mother was Polish and he swore at her death bed to free all the Slavs, and, with this end in view, he has studied foreign politics for forty years and has fought for the Slavs for twenty-five years.

Predicted Last War in His Book, Published in 1913, and Now Says Unless Preventive Steps for Peace Are Taken the Next War Will Be One of Races, More Terrible Than Any in History. Forecasts Combination of Yellow, Brown, Red and Black Men.

they can be made to thoroughly understand the terrifying danger from the first alliance of European white races seeking combination with colored races, whose ultimate aim is to rule the world, together the result of Japan forming an alliance with China, whose she is already courting by courtesies to Russia, together also combination existing in India and in Africa. Suppose dominant white races should throw their strength to such a combination. You know what the end would be. We all know what it would be.

"The combination of the white races need, of course, include the Germans. I presented such a League of White Races in my book, 'Union des Races,' published in 1913, and there said that it was the only way to avoid the coming world war. And today it is the only way to avoid a future war of races."

Says Slavs Should Be Recognized in White World League.

General Cherep-Spiridovich is saying that the Slavs be recognized in the proposed union of the white races, said that they came from the parent of Nordic stock. Poland was the old Nordic homeland. In their blood also flows the blood of the Indo-European and the Aryans and the Alpine stock. They number about 120,000,000 and are strongest in Russia, where there are 100,000,000 of them. In Poland there are 20,000,000 and in the United States 12,000,000. In the late war they suffered 20,000,000 casualties.

"The United States," continued the General, "now have three 120,000,000 Americans and two—on either side by taking the leadership in world affairs. There are under a combination of other white races that will prevent all wars. John Dillinger has said that there is more in this country for 200,000,000 people. From the viewpoint of defense that would be a wonderful population. As was pointed out in 'The Border Book' long ago the combination of the population will be much denser than the German and British race as they stand today. There-

22) **THE WHITE MAN'S BURDEN** IS AN **UNLAWFUL CONSPIRACY AGAINST NATIVE NATIONS** BY SO-CALLED **WHITE (EUROPEAN NATIONS)** – i.e. Explained As:

"The White Man's Burden" is an analysis of a [1898 poem by Rudyard Kipling](#) that urged Western nations to colonize and "civilize" non-Western peoples, and is now used to critique the racist and paternalistic attitudes of imperialism. The poem frames colonization as a noble but difficult duty for white people to bring their culture, laws, and technology to "lesser" nations. Modern analysis focuses on how the concept was used to justify imperialism for economic exploitation and the lasting impact of colonial ideologies. —

Core themes and context

- **Imperialism:**
The poem was published during a period of intense **imperial expansion**, particularly **for the United States** after the [Spanish-American War](#), and provided a justification for acquiring territories like the Philippines.

- **Paternalism:**
It portrays colonized peoples as childlike or savage, **incapable of self-governance** and in **need of benevolent guidance from Europeans**, which was a common paternalistic and racist viewpoint of the time.
- **Economic motives:**
The "burden" was often a **cover** for the **economic exploitation of colonies** for raw materials and **new markets for industrial goods**.
- **Cultural superiority:**
The concept is a **clear example of ethnocentrism**, promoting **the idea that Western culture is superior** to others.

23) EUROPEANS' / CATHOLIC CHURCH "AGE OF DISCOVERY..." SCAMS Explained As:

The Catholic Church's **involvement** in the Age of Discovery was **primarily a push to spread Christianity** by converting **indigenous peoples in newly "discovered" lands**, which was often intertwined with **European colonization** and conquest. This effort was formalized through a series of papal edicts known as the **Doctrine of Discovery**, which **granted Christian nations the authority to claim the lands and subjugate the non-Christian peoples they encountered**. While some religious orders focused on evangelization and established missions, schools, and hospitals, **the overall goal was to increase the spread of the Catholic faith and was used to justify** the colonial actions of powers like Spain, Portugal, and France. - -

<https://www.google.com/search?q=explain+catholic+church+age+of+discovery&oq=explain+catholic+church+age+of+discovery&aqs=chrome..69j57.12072j0j1&sourceid=chrome&ie=UTF-8>

Key aspects of the Catholic Church and the Age of Discovery:

THEOCRACY is a form of government in which the People believe their Officials / Representatives **are CHOSEN** by God / Allah / Our Creator to provide them with divine guidance!

versus

DEMOCRACY is an **illusionary** government that merely **exist on paper** (if there); however, **is NOT a reality** in which the People believe in **SCIENCE** and their Officials / Representatives are Members of what are known as **"SECRET SOCIETIES!"** Having a **"FORM" of godliness**; however, controlled by **Evil / Spiritual Wickedness** in high places - 2 Timothy 3:1-5 - and engage in **War Crimes . . .** under the guise of **CHRISTIANITY!**

- **Evangelization and conversion:** A central goal was **to convert indigenous populations to Christianity**. Religious orders like the Franciscans, Dominicans, and Jesuits established missions across the Americas and other colonies.

- **Religious justification for conquest:** The **Doctrine of Discovery**, established **through** **papal bulls** in the 15th century, provided a **religious and legal basis** **for European powers** **to claim non-Christian lands**. It declared that lands **not inhabited by Christians** **were available for Christian rulers** **to "discover," claim, and exploit**.
- **Intertwined with colonization:** The church's missionary efforts **ran parallel to the military and colonial ambitions of Catholic nations**, such as Spain and Portugal. **The evangelical mission** was used as a **justification for military conquest** and **the subjugation** of native peoples.
- **Impact on indigenous peoples:** The **Doctrine of Discovery**, as codified in papal bulls, **fostered the view that non-Christian peoples were inferior** and their lands were "free" to be claimed, leading to the displacement, exploitation, and oppression of indigenous peoples.

- 24) On or About 5 **JANUARY 2026, SPECIAL EMERGENCY** Session For Establishing Of Applicable Subsidiary / Organ Be Established Pursuant To **Article 29** Of The United Nations Charter, **Article 22** Of The United Nations Charter and / or Applicable Statutes, Codes, Rules, Regulations, Articles, Resolutions and / or Laws Governing Relief to assist with the ESTABLISHMENT of the an **Analytic Team For Assessments Regarding INTERNATIONAL MULTI-Nation Coalition For “INTERNATIONAL” TAKEOVER Of United States Of America’s TERRORISTS NETWORKS CONTROLLED and OPERATED By** NAZIS / WHITE Supremacists / Ku Klux Klan / Jews / ZIONISTS... IMPORTANT TO NOTE: The Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. will be using as a guide similar processes as the EUROPEANS and their Allies used in "The International Military Tribunal for Germany" in pursuit of Investigation(s) and Prosecution(s) of the United States of America's Officials, Employees, Representatives, MILITARY Personnel and their Legal Counsel (as Baker Donelson Bearman Caldwell & Berkowitz . . .), etc. for WAR Crimes / Crimes Against Humanity . . . !

Nazis engaging in war crimes were prosecuted primarily through the **International Military Tribunal (IMT)** at **Nuremberg** and subsequent national and military courts, which were established by the Allied powers (United States, Great Britain, France, and the Soviet Union) *after* World War II. The United Nations officially came into existence on October 24, 1945, after the war had ended in Europe, and thus was not the body that directly conducted the initial trials, although the trials laid the groundwork for future international law and the UN's mission.

The Process of Nazi War Crimes Prosecution

The legal framework and process for prosecuting Nazi war criminals unfolded in several stages:

1. **Wartime Declarations:** During World War II, the Allied powers, referring to themselves as the "United Nations" (a term first used officially in the 1942 Declaration by United Nations), publicly declared their intention to bring those responsible for atrocities to justice.

2. **London Agreement and Charter (August 1945):** After Germany's surrender in May 1945, the U.S., U.K., France, and the Soviet Union signed the London Agreement, which established the International Military Tribunal (IMT) in Nuremberg, Germany. The London Charter defined the crimes the IMT would prosecute: crimes against peace, war crimes, and crimes against humanity.

Whereas, the *Chickasaw Tribal Nation* ("CTN") and the Nations allied therewith in opposing the ILLEGAL and / or UNLAWFUL wars of aggression, war crimes, crimes against peace, crimes against humanity and other atrocities, etc. of the United States of America ("USA") and its aligned Axis Nations, have from time to time made declarations of their intentions that war criminals are to be brought to justice;

Whereas, the allege Governments of the United States of America and its Axis Nations declaring *COVERT WAR* against the Chickasaw Tribal Nation on **March 25, 2019**, in the USA's, State of Mississippi - Town of Utica, Mississippi. ¹ This document has been drafted using the "International Military Tribunal For The Far East (1946)" as a model— i.e. as of 09/04/2024, may be found at: https://www.un.org/en/genocideprevention/documents/atrocities-crimes/Doc_3_1946%20Tokyo%20Charter.pdf

Whereas, the undersigned has been designated by the Allied Powers / *Coalition of Unified Nations* as Supreme Commander for the Allied Powers to carry into effect the general surrender of the United States of America's / United States' armed forces;

Whereas, the Governments of the Chickasaw Tribal Nation and Allied Powers / *Coalition Of Unified Nations* during the *General Assembly High-Level Week 2024* held at the Headquarters of the United Nations on __ September 2024, having considered the effectuation by the United States of America / United States supporting Surrender and the DISSOLVING of said *privately* held company (United States of America / United States) have agreed that the Supreme Commander shall issue all Orders for the implementation of SURRENDER and DISSOLUTION process(es).

ARTICLE 3. Nothing in this Order shall prejudice the jurisdiction of any other international, national or LAWFULLY formed occupation court, commission or other tribunal(s) established or to be established in the respective designated State Territory(s) or in any territory of the United Nations Member States with which the United States of America / United States is at war and / or has been at war, for the trials of war criminals.

Given under my hand at the Chickasaw Tribal Nation, this 26th day of September, 2024.

3. **The Nuremberg Trials (1945-1949):** The trials were conducted by courts representing the four Allied powers.

1. **The Main IMT Trial (November 1945 - October 1946):** This was the most famous trial, **where 22 major Nazi officials were prosecuted.** A panel of four judges (one from each Allied nation) presided over the proceedings. Evidence included tens of thousands of Nazi documents, photographs, and film footage.
2. **Subsequent Trials (1946-1949):** The United States **held twelve additional military tribunals** in Nuremberg, **prosecuting lower-level officials including doctors, judges, and industrialists** involved in the atrocities. Other Allied nations also held trials in their **occupation zones** and in the countries where the crimes had been committed.
4. **Establishment of the United Nations (October 1945):** While the planning for the UN occurred **during the war**, it only officially came into existence on October 24, 1945, **just before the main Nuremberg trial began.** The trials operated under the specific authority of the four Allied powers in occupied Germany, not directly under the UN's mandate at that time.
5. **Legacy and Impact on International Law:** The Nuremberg trials established crucial legal precedents, **particularly that individuals can be held accountable for war crimes and crimes against humanity**, even if they claim superior orders. In 1946, the newly formed United Nations unanimously recognized the principles applied at Nuremberg as part of international law, which later led to the UN Genocide Convention (1948) and the Universal Declaration of Human Rights (1948).

NAZI Leader Donald John Trump's PARDONS Are NOT Enforceable In INTERNATIONAL Proceedings BEER HALL PUTSCH (MUNICH PUTSCH)

On November 8–9, 1923, Adolf Hitler and the Nazi Party led a coalition group in an attempt to overthrow the German government. The plotters hoped to march on Berlin to launch a national revolution. But the insurrection failed miserably. Units of the Munich police force clashed with Nazi stormtroopers as they marched into the city center. The police killed more than a dozen of Hitler's supporters. This attempted *coup d'état* came to be known as the Beer Hall *Putsch*.

KEY FACTS

1

In 1923, the Nazi Party was a small, right-wing extremist group. In November of that year, they conspired to overthrow the democratic government of Germany by launching an ill-fated insurrection.

2

The Beer Hall *Putsch* was put down by authorities. Its ringleaders, including Adolf Hitler, were arrested. Hitler was convicted of high treason in April 1924 and sentenced to five years in prison. He was released in December that same year.

3

In the aftermath of the Beer Hall *Putsch*, Hitler decided on a "legal path" to revolution: the ballot box.

Background

On November 8–9, 1923, [Adolf Hitler](#) and the [Nazi Party](#) led a coalition group in an attempt to overthrow the German government. This attempted *coup d'état* came to be known as the Beer Hall *Putsch*.

They began at the Bürgerbräu Keller, a beer hall in the Bavarian city of Munich. Hitler and the Nazi Party aimed to seize control of the state government, march on Berlin, and overthrow the German federal government. They sought to establish a new government to oversee the creation of a unified Greater German Reich. In this new government, citizenship would be based on race.

The putsch failed and Bavarian authorities prosecuted nine participants, including Hitler. Despite its failure, the leaders ultimately redefined the putsch as a heroic effort to save the nation.

The 1923 Beer Hall Putsch was a failed coup attempt by Adolf Hitler and the Nazi party to seize power in Bavaria. Hitler was arrested, tried for treason, and imprisoned for his actions (though he received a lenient sentence from a sympathetic judiciary at the time).

In modern legal systems, **particularly in the United States**, several federal laws prohibit the kind of actions seen in the Beer Hall Putsch: - -

PRESENTED IN THE ONE BIG BEAUTIFUL
22 JUNE 2024

UNITED NATIONS HUMAN RIGHTS COMPLAINT

The Chickasaw Tribal Nation through this instant submission, NOW moves forward **to IMPLEMENT the RELIEF, etc. sought** through the 22 June 2024, **UNCONTESTED** “United Nations Human Rights Office of the High Commissioner - Special Procedures of the Human Rights Council (Reference No. *hhpo8pa7*) and Subsequent Submissions As 14 January 2025, United Nations Human Rights Office of the High Commissioner – The Human Rights Council (Reference No. WHRC/13427). The United States of America’s / United States’ **FAILURE** and / or **DECISION “NOT” to contest NOW renders the IMPLEMENTATION of the RELIEF sought therein as PROCEDURAL**; wherein, allowing for the presenting of this instant Agenda and / or other Agenda(s)! Furthermore, **SPECIAL EMERGENCY Sessions** pursuant to **Article 29** of the United Nations Charter, **Article 22** of the United Nations Charter and / or applicable Statutes, Codes, Rules, Regulations, Articles, Resolutions and / or Laws governing said matters. **Lawfully allowing for** United Nations Security Council and / or United Nations General Assembly Member States **to CIRCUMVENT foreseeable DIALIATORY TACTICS** from the United Nations Security Council’s **PERMANENT Members** (United Kingdom, United States, France, China and Russia) and CO-Conspirators **attempts to OBSTRUCT the LAWFUL PROCEDURAL processes** and ADVANCING the Agenda Items presented by the Chickasaw Tribal Nation! Thus, in further support thereof, do hereby state; however, not limited to this listing alone:

32) EXPLANATION OF THE PROCEDURAL VOTE – NOT SUBJECT TO VETO POWER OF THE SECURITY COUNCIL PERMANENT MEMBERS:

For procedural matters, the United Nations Security Council requires an affirmative vote of nine members, and the votes of the five permanent members do not have veto power, meaning a negative vote from a permanent member does not block the decision. If a matter is not considered procedural, it requires an affirmative vote of nine members, including the concurring votes of all five permanent members. Examples of procedural votes include adopting the agenda, holding meetings at a different location, or referring a question to the General Assembly. - -

Voting on procedural matters

- **Nine affirmative votes:** A proposal for a procedural matter is adopted if it receives an affirmative vote from at least nine of the 15 Council members.
- **No veto power:** A "no" vote by one of the five permanent members **does not block a procedural decision**. A **permanent** member's absence or abstention is also **not considered** a veto.

Examples of procedural matters:

- Adopting the **provisional agenda**
- Deciding to submit a question to the General Assembly
- Approving the Council's annual report to the General Assembly
- Deciding to hold a meeting at a different location

33) USE OF UNITED NATIONS GENERAL ASSEMBLY REQUIRING “EMERGENCY” / “RESPONSIBILITY TO PROTECT” INTERVENTION WHEN UNITED NATIONS SECURITY COUNCIL PERMANENT MEMBERS CONSPIRE AGAINST NATIVE NATIONS TO OBSTRUCT and / or VIOLATE USE OF PROCEDURAL VOTE REGARDING AGENDA...

These votes concern the Council's working methods and internal processes, such as submitting questions to the General Assembly, **establishing subsidiary organs**, or **deciding on procedural matters**, and can be passed **even if a permanent member votes no or abstains...** - -

UNITED STATES OF AMERICA'S WEAPONIZATION OF FOOD...

The Chickasaw Tribal Nation through this instant submission, NOW moves forward **to IMPLEMENT the RELIEF, etc. sought** through the 22 June 2024, **UNCONTESTED** “United Nations Human Rights Office of the High Commissioner - Special Procedures of the Human Rights Council (Reference No. hhp08pa7) and Subsequent Submissions As 14 January 2025, United Nations Human Rights Office of the High Commissioner – The Human Rights Council (Reference No. WHRC/13427). Furthermore, believe that the United State of America's **WEAPONIZATION OF FOOD** further supports utilizing the use of **SPECIAL EMERGENCY Sessions for establishing of the applicable Subsidiary / Organ [known as Coalition Of Unified Nations]** be established pursuant to **Article 29** of the United Nations Charter, **Article 22** of the United Nations Charter and / or applicable Statutes, Codes, Rules, Regulations, Articles, Resolutions and / or Laws governing said matters. Thus, in further support thereof, do hereby state; however, not limited to said statements alone:

36) WEAPONIZATION OF FOOD IS RECOGNIZED AS A WAR CRIME and IS PROHIBITED:

YES, the **WEAPONIZATION OF FOOD** is considered a **war crime**, as it **is prohibited** under **international humanitarian law**, including the [Rome Statute of the International Criminal Court](#). The **intentional starvation of civilians by using food as a weapon** is illegal, and the **1977 Protocol II to the Geneva Conventions** ([1977 Protocol II to the Geneva Conventions](#)) protects "objects indispensable to the survival of the civilian population," meaning that **attacks against these objects are prohibited**. - -

<https://www.google.com/search?q=in+the+united+charter+is+weaponization+of+food+a+war+crime&oq=in+the+united+charter+is+weaponization+of+food+a+war+crime&aqs=chrome..69i57.17508j0j1&sourceid=chrome&ie=UTF-8>

37) The 1977 Protocol II Of The Geneva Conventions “WEAPONIZATION OF FOOD” May Be Explained As:

https://www.google.com/search?q=Explain+the+1977+Protocol+II+to+the+Geneva+Conventions+%22weaponization+of+food%22&sc_esv=fde8e1c91dfdf3f9&ei=fn0SaejuHYvEp84P8f7JuAw&ved=0ahUKEwjopY2b5uiQAxUL4skDHXF_EscQ4dUDCBE&uact=5&oq=Explain+the+1977+Protocol+II+to+the+Geneva+Conventions+%22weaponization+of+food%22&gs_l=Exgnd3Mtd2l6LXNlcnAiTkV4cGxhaW4gdGhlIDE5NzcGUHJvdG9jb2wgSUkgdG8gdGhlIEdlbmV2YSBDb252ZW50aW9u cyAid2VhcG9uaXphdGlvbiBvZiBmb29kIkjGkwFQyQ1YgZEBcAR4AZABAJgBzgGgAdYYqgEGOC4xOC4xuAEDyAEA-AEBmAIHoAKvCcICChAAGLADGNYEGEfCAGUQIRigAcICBRAh GKsCmAMaAiAYBkAYIkgcFMS40LjKgB_IwsgcFMC40LjK4B4QJwgcFMy0yLjXIB7sB&sclient=gws-wiz-serp

The 1977 Additional Protocol II to the Geneva Conventions addresses the "weaponization of food" by **explicitly prohibiting the starvation of civilians as a method of combat** in non-international armed conflicts (internal conflicts within a single country).

This prohibition is outlined in **Article 14 - Protection of objects indispensable to the survival of the civilian population**, which forbids using starvation against civilians and specifically prohibits attacking, destroying, removing, or rendering useless objects essential for civilian survival, such as foodstuffs, agricultural areas, crops, livestock, drinking water installations, and irrigation works. This article aims to protect civilians from being deliberately deprived of basic necessities during a conflict by preventing parties from targeting food sources and supply systems to starve the population into submission.

Key points of this provision include **its focus on civilian survival**, distinguishing military targets from civilian life. It also **prohibits the deliberate use of starvation** as a tactic, making sieges unlawful if their **primary goal is to starve civilians** or impede humanitarian aid. The protocol also complements rules requiring parties to facilitate humanitarian relief supplies for civilians in need.

...**The intentional use of starvation** in non-international armed conflicts was later recognized as a war crime by the Rome Statute of the International Criminal Court in 2019. - -
https://starvationaccountability.org/wp-content/uploads/2022/11/Factsheet_1_Prohibition_of_Starvation_EN.pdf

38) ON or ABOUT 20 NOVEMBER 2025, OCHA DEPLOYMENT: CAN AN **EMERGENCY DEPLOYMENT** OF UNITED NATIONS **OFFICE FOR THE COORDINATION OF HUMANITARIAN AFFAIRS** (OCHA) BE SENT TO ASSIST THE **CHICKASAW TRIBAL NATION** REGARDING THE **UNITED STATES OF AMERICA'S WEAPONIZATION OF FOOD...?**

Yes, the United Nations Office for the Coordination of Humanitarian Affairs (OCHA) **is used in food crises to coordinate the humanitarian response**, including food, water, and nutrition assistance. OCHA manages the humanitarian "cluster" system, where organizations like the World Food Programme (WFP) and others work together to assess needs, secure funding, and deliver life-saving aid in affected areas. - -

<https://www.google.com/search?q=can+united+nations+Office+for+the+Coordination+of+Humanitarian+Affairs+be+used+in+situations+where+government+weaponizes+food&oq=can+united+nations+Office+for+the+Coordination+of+Humanitarian+Affairs+be+used+in+situations+where+government+weaponizes+food&aqs=chrome..69i57l9005j0j1&sourceid=chrome&ie=UTF-8>

Therefore, the Chickasaw Tribal Nation seeks assistance with the **INTERNATIONAL TAKEOVER** in providing assistance with the **TRANSITION PHASE** through **DECOLONIZATION / DENAZIFYING process** – i.e. As with the United States Department of Agriculture and Services / Benefits provided through said Department (as the **SNAP [Supplemental Nutrition Assistance Program]** Benefits) and the **CRISES** “manufactured” by the United States of America’s **NAZIS’ / WHITE Supremacists’ / Ku Klux Klan / Jewish / Zionists’ Officials and CO-Conspirators...!** - - **DETERMINING “WHY THERE ARE NO MONIES (If Not) FOR SNAP?”** Thus, **adversely IMPACTING** the Chickasaw Tribal Nation’s Citizens as well as other **BLACK Indians** and **INDIGENOUS / TRIBAL Nations**, etc.!

Office for the Coordination of Humanitarian Affairs

Chair of the IASC is the United Nations Office for the Coordination of Humanitarian Affairs (OCHA). OCHA **coordinates international humanitarian response** efforts, ensuring rapid and effective assistance to people affected by crises. OCHA **brings together governments**, NGOs, and UN agencies **to assess needs, mobilize resources**, and **streamline emergency responses**. It also advocates for humanitarian principles and works to improve crisis preparedness and risk reduction worldwide.

OCHA also manages the United Nations Disaster Assessment and Coordination (UNDAC) system, which deploys teams to assist countries affected by natural disasters or sudden emergencies. These teams can be deployed quickly (**within 12-48 hours**) and are trained in assessing community needs and coordinating the delivery of humanitarian aid, including food, shelter, and medical care. They work with local authorities to ensure an effective and appropriate response.

<https://www.google.com/search?q=CAN+Special+International+Military+Tribunal+Be+Established+by+the+united+nations+To+Prosecute+country+For+WAR+Crimes&oq=CAN+Special+International+Military+Tribunal+Be+Established+by+the+united+nations+To+Prosecute+country+For+WAR+Crimes&aqs=chrome..69i57.33064j0j1&sourceid=chrome&ie=UTF-8>

Yes, a special international military tribunal could be established to prosecute the United States for war crimes... The **UN Security Council** can establish special tribunals, as it has for Yugoslavia and Rwanda, and a new one would operate under a specific charter to define its jurisdiction, like previous **ad hoc tribunals** such as **Nuremberg**. ...

How a special tribunal could be established

- **UN Security Council authorization:** A special tribunal could be established by the United Nations Security Council, which has the authority to establish subsidiary organs for enforcing its decisions.
- **Charter-based jurisdiction:** A new tribunal's jurisdiction would be defined by a charter that specifies the crimes, territorial scope, and procedural rules, **similar to how the International Military Tribunal for the Far East was established**, according to [Wikipedia](#).
- **Examples of previous tribunals:** The UN **has established similar tribunals in the past** to handle specific situations, **such as the ones for** Yugoslavia and Rwanda. These were established under Security Council authority **to prosecute crimes committed during those conflicts**.

43) Using **PROCEDURAL PROCESS(ES)** In Establishing **SPECIAL INTERNATIONAL MILITARY TRIBUNAL(S)**:

IMPORTANT TO NOTE: Is Such Option(s) Available?

<https://www.google.com/search?q=can+the+creation+of+a+special+international+military+tribunal+be+created+using+procedural+process+before+united+nations&oq=can+the+creation+of+a+special+international+military+tribunal+be+created+using+procedural+process+before+united+nations&aqs=chrome..69i57.20963j0j1&sourceid=chrome&ie=UTF-8>

Yes, a special international military tribunal can be established through the **procedural processes** of the United Nations, primarily by a decision of the United Nations Security Council **under Chapter VII** of the UN Charter. **Alternatively**, the UN General Assembly can pass resolutions to request establishing of such a tribunal, often in cooperation with the Secretary-General, **particularly for issues outside** the Security Council's immediate purview, such as a specific crime like aggression.

Methods of establishing

- **UN Security Council:** The Security Council **can establish an international tribunal** as a subsidiary **organ to enforce** its decisions related to **threats to the peace, breaches of the peace, or acts of aggression**.

- **UN General Assembly:** The General Assembly **can pass a resolution** requesting the Secretary-General to establish a tribunal, often **to address specific crimes** that may not fall under the traditional purview of the Security Council, such as the **crime of aggression**.

Examples of established tribunals

- [International Criminal Tribunal for the former Yugoslavia \(ICTY\)](#) and [International Criminal Tribunal for Rwanda \(ICTR\)](#): These were established by Security Council resolutions.
- [International Military Tribunal \(IMT\)](#): The IMT for **the Far East** was established **by the supreme commander for the Allied powers after WWII** to prosecute war criminals.

Can Special International Military Tribunal(s) Be Established Using PROCEDURAL Process(es) Through The United Nations?

<https://www.google.com/search?q=can+the+creation+of+a+special+international+military+tribunal+be+created+using+procedural+issue+thorough+the+united+nations&oq=can+the+creation+of+a+special+international+military+tribunal+be+created+using+procedural+issue+thorough+the+united+nations&aqs=chrome..69i57.52619j0j1&sourceid=chrome&ie=UTF-8>

YES, a special international military tribunal **can be established** through the United Nations, primarily through its Security Council **or** General Assembly. The [UN Security Council](#) can establish one as a subsidiary organ under its enforcement powers in Chapter VII, while the [General Assembly](#), through resolutions, can also recommend or facilitate establishing of a tribunal, **such as a special tribunal for a specific situation**, notes [Just Security](#) and [Just Security](#). The specific procedural steps **and legal basis depend on the nature of the crimes and the specific situation**, but the General Assembly can take action through subsidiary powers, as detailed in [Just Security](#) and [Just Security](#).

Security Council

- **Authority:** Under [Article 41 of the UN Charter](#), the Security Council can establish subsidiary organs, including tribunals, to enforce its decisions.
- **Procedure:** The Council can issue a resolution to establish a tribunal to deal with specific international crimes and refer cases to it.
- **Examples:** The Security Council has established tribunals like the [International Criminal Tribunal for Rwanda](#) (ICTR) and the [International Criminal Tribunal for the former Yugoslavia](#) (ICTY) to handle specific, serious international crimes.

General Assembly

- **Authority:** The General Assembly has the authority **to establish subsidiary organs** under [Article 22 of the UN Charter](#). It can also act in situations where the Security Council **is deadlocked**, using powers derived from resolutions like the [Uniting for Peace resolution](#), according to [Chicago Journal of International Law](#).

- **Procedure:** The General Assembly can pass a resolution to request the Secretary-General to establish a tribunal **or enter into an agreement with a host country to establish one**, as seen in proposals for a **tribunal on aggression**.
- **Examples:** While less common for establishing a criminal court directly compared to the Security Council, the General Assembly **has used its powers to authorize establishing of tribunals, particularly for specific, singular crimes like aggression**.
- **Process:** The process often involves the General Assembly recommending and supporting establishing of a tribunal, and the UN Secretary-General acting to form a tribunal with the agreement of the relevant state or states, notes Just Security and [Just Security](#).

- **Determining a Threat:** The Council would first need to determine that **the internal situation** constitutes a **"threat to the peace, breach of the peace, or act of aggression"** under Chapter VII of the UN Charter.
- **Measures: If a threat is determined**, the Council can implement various measures, including:
 - **Economic sanctions, arms embargoes, and financial penalties.**
 - **Severance of diplomatic relations.**
 - **Authorization of collective military action by multinational forces** if non-military measures are deemed inadequate.

Lower Court Action: *Stor-All Alfred LLC v. Denise V. Newsome*; Hamilton
County (Ohio) Court of Common Pleas; Case No. A0901302

Dear Justice Roberts:

Pursuant to the Ohio Supreme Court Rule 22, please find the "ORIGINAL" and two (2) copies of Newsome's *Emergency Motion To Stay; Emergency Motion For Enlargement Of Time and Other Relief The United States Supreme Court Deems Appropriate To Correct The Legal Wrongs/Injustices Reported Herein* in regards to the lower court action. Also enclosed, please find *Money Order No. 122827292* in the amount of \$100.00 for payment in advance of the required filing fee. From the Docket of the lower court action, it appears that Judge John Andrew West ("Judge West") is looking to carry out his next action (over Newsome's OBJECTIONS – through filing of Affidavit of Disqualification) on **Friday, October 22, 2010**. See EXHIBIT "91".

This matter involves a sitting President of the United States (Barack Obama). Newsome submits the advance payment for purposes of securing costs and to AVOID additional attacks that she has suffered as a DIRECT and PROXIMATE result of President Obama and his Administration's RETALIATION against her for exercising her First and Fourteenth Amendment Rights as well as other rights secured/guaranteed under the United States Constitution and other laws. This is a case of EXTRAORDINARY and EXCEPTIONAL circumstances which requires the Supreme Court of the United States' intervention. Newsome is not sure whether or not the Justices of this Court have witnessed or experienced what she shares in this instant filing and that to be brought on Appeal.

This is a classic case of a "David vs. GOLIATH" Moreover, a classic case that will reveal how a sitting President's Administration and SPECIAL INTEREST GROUPS rely upon their BIG MONEY and POWERFUL INFLUENCE in the political and judicial arena to BULLY, belittle, intimidate, harass and engage in CRIMINAL CIVIL wrongs for purposes of obtaining an UNDECE and unlawful/illegal ADVANTAGE over the weak/poor. Then one may wonder where our children may be learning their BULLYING techniques and criminal behavior from.

The General Assembly (GA), while unable to issue legally binding resolutions on security matters, can still take significant action and make powerful recommendations.

- **"Uniting for Peace" Resolution:** **If** the Security Council **is paralyzed by a veto**, the General Assembly can use the **"Uniting for Peace"** resolution (Resolution 377 (V)) to recommend collective measures, **including the use of force, to maintain or restore international peace and security.** This **has been used in past instances** when the Council was deadlocked.

46) EXPLANATION OF HOW TO ADDRESS UNITED STATES OF AMERICA'S NAZI OPERATIONS BEFORE THE UNITED NATIONS

<https://www.google.com/search?q=explain+the+process+for+address+of+nazis+engaging+in+war+crimes+before+the+united+nations&oq=explain+the+process+for+address+of+nazis+engaging+in+war+crimes+before+the+united+nations&aqs=chrome..69i57.39561j0j1&sourceid=chrome&ie=UTF-8>

To address alleged **war crimes by Nazis**, individuals or groups must engage with existing national and international legal mechanisms... The original Nuremberg trials were **ad hoc military tribunals established by** the Allied powers after World War II...

The current process involves the following steps:

1. Gather Documentation and Evidence

- **Document Everything:** Collect detailed information, including names, dates, locations, specific acts committed, and any available documentation, photographs, or film footage. *The original Nuremberg trials relied on tens of thousands of internal Nazi documents and evidence.*

2. Engage with National Authorities

- **Domestic Prosecution:** The primary route for prosecuting war crimes is often **through national courts**. Many countries have laws based on the principle of **universal jurisdiction**, which allows them to prosecute individuals for serious international crimes regardless of where the crime was committed or the nationality of the perpetrator or victim.
- **Report to National Law Enforcement:** In the United States, for example, **individuals can report information about international human rights violations to the FBI**, which investigates such cases and works with partner agencies.

3. Submit to International Bodies

If **national** courts are **unwilling** or **unable** to prosecute, or as an additional measure, **information can be submitted** to **international** mechanisms:

- **International Criminal Court (ICC):** The ICC investigates and, where warranted, tries individuals for **genocide, war crimes, and crimes against humanity committed since July 1, 2002.**
 - **Submission Process:** **Any individual,** group, or organization can send information (called a "communication") to the Office of the Prosecutor (OTP) of the ICC. The OTP will assess the information to determine if it falls within the ICC's jurisdiction and criteria for an investigation.
- **United Nations Human Rights Mechanisms:**
 - **Office of the High Commissioner for Human Rights (OHCHR):** Complaints can be submitted to the OHCHR's **Special Procedures (independent experts)** or human rights Treaty Bodies, though these typically address general human rights violations **after** domestic remedies have been exhausted.

Yes, the principles of the Nuremberg Charter and the resulting [Nuremberg Principles](#) **can still be used as a guide against a modern nazi uprising**, as they established foundational concepts of international criminal law, such as crimes against humanity and aggression, **that have been incorporated into international law and continue to be relevant for holding individuals accountable today**. While the original Charter was specific to prosecuting Nazi war criminals, its principles **have evolved to form the basis for prosecuting similar atrocities in modern times**.

- **Foundation for modern international law:** The Nuremberg trials and their Charter were a watershed moment **that laid the groundwork** for today's international criminal law, including **the establishment** of international crimes like crimes against humanity and aggression.

- **Evolution into customary law:** The Nuremberg Principles have been adopted by the United Nations General Assembly and are now considered part of customary international law, meaning they are binding on all states, even if they have not formally signed the original charter.
- **International Criminal Court (ICC):** The Nuremberg trials served as a direct model **for the establishment** of the International Criminal Court, which is the modern international court tasked **with prosecuting individuals for war crimes, genocide, and crimes against humanity**.
- **Accountability for leaders:** The principles established that individuals, **including leaders, are accountable for their actions** and that the defense of **"following orders"** is not a valid justification for committing crimes against humanity. This remains a key principle **for holding perpetrators of atrocities accountable** today.

- 49) Record EVIDENCE to support that Vogel Denise Newsome (who presently serves as Prime Minister of the Chickasaw Tribal Nation as well as the Utica International Embassy) EXHAUSTED “domestic” remedies PRIOR to bringing matters before the “appropriate INTERNATIONAL Authorities” (as the United Nations and / or International Criminal Court)! Thus, NOW MOVING FORWARD PROCEDURALLY!

Watkins v. U.S., 77 S.Ct. 1173 (1957) - [n.2] Power of Congress to conduct investigations is inherent in the legislative process, and is broad.

[n.5] In conducting investigation, Congress is not a law enforcement or trial agency and no inquiry is an end in itself, but it must be related to and in furtherance of a legitimate task of Congress.

[2][5] We start with several basic premises on which there is general agreement. *The power of the Congress to conduct investigations is inherent in the legislative process. That power is broad.* It encompasses inquiries concerning the administration of existing laws as well as proposed or possibly needed statutes. It includes surveys of defects in our social, economic or political system for the purpose of enabling the Congress to remedy them. It comprehends probes into departments of the Federal Government to expose corruption, inefficiency or waste. But, broad as is this power of inquiry, it is not unlimited. There is no general authority to expose the private affairs of individuals without justification in terms of the functions of the Congress.

This was freely conceded by the Solicitor General in his argument of this case. FN8 Nor is the Congress a law enforcement or trial agency. These are functions of the executive and judicial departments of government. No inquiry is an end in itself; it must be related to, and in furtherance of, a legitimate task of the Congress. . . .

FN8. ‘Now, we don’t claim on behalf of the Government that there is any right to expose for the purposes of exposure. And I don’t know that Congress has ever claimed any such right. But we do say, in the same breath, that there is a right to inform the public at the same time you inform the Congress.’

URGENT Assistance Is Being Requested

Dear Senator Rand Paul:

My name is Vogel Denise Newsome (Newsome) and I am a constituent of yours (i.e. Kentucky Registered Voter). Because Newsome does not want you to think that she is an Ohio resident (i.e. because of the cell phone number and mailing addressed used), she has attached a copy of my Driver's License. Newsome is requesting an INVESTIGATION and if necessary the IMPEACHMENT and INDICTMENT of United States President Barack Obama, his Administration and others who are found to have engaged in the criminal/civil wrongs reported. From News reports, Newsome believes that Representative Darrell Issa may be handling the initiation of INVESTIGATIONS against President Obama and his Administration. You may want to begin there to determine what the process is in getting my issues addressed in an EXPEDITED manner - i.e. considering that it appears President Obama's people are looking to cause IMMEDIATE harm within this week or very shortly against Newsome.

In a one-year period there have been criminal actions brought against Judges involved in matters in which Newsome is a litigant/party: a) In Mississippi, Judge DeLaughter has been INDICTED; b) in Ohio, Judge West's Bailiff has been found guilty of crimes - the complaint/petition to be filed in the Supreme Court of the United States addresses Judge West's crimes; and c) in Louisiana, Judge G. Thomas Porteous on or about December 8, 2010, has been IMPEACHED by the United States Senate and removed from office. All of this information is of PUBLIC RECORD. Also, it is of PUBLIC RECORD just how early Newsome reported the crimes of these Judges; however, because of President Barack Obama's legal counsel's (Baker Donelson Bearman Caldwell & Berkowitz P.C.) deep roots and ties to the White House and D.C., nothing is done. Baker Donelson also has DEEP ROOTS and CONNECTIONS in the United States Department of Justice and has used such relationships to IMPEDE and OBSTRUCT justice. Will you look into this for Newsome and advised the status of her FBI Criminal Complaints that have been filed? The FBI Criminal Complaints are addressed in the attached October 2010 document attached to this email.

X.
DISSOLVING OF THE UNITED NATIONS and
ESTABLISHMENT OF NEW INTERNATIONAL BODY
(As UNIFIED NATIVE NATIONS)

For the above foregoing reasons / averments, the Chickasaw Tribal Nation through this instant **11/12/2025 CTN Tentative 60-Days 2025 Agenda**, NOW moves forward in **the IMPLEMENTATION** of the **RELIEF / SOLUTIONS** set forth in the 22 June 2024, **UNCONTESTED** “United Nations Human Rights Office of the High Commissioner (Special Procedures of the Human Rights Council (**Reference No. hhp08pa7**) and **Subsequent Submissions As 14 January 2025, United Nations Human Rights Office of the High Commissioner – The Human Rights Council (Reference No. WHRC/13427)**” and, do hereby, present the following information obtained through research to assist with guiding United Nations Member States through the process in accordance with the Statutes, Codes, Rules, Regulations, Articles, Resolutions and / or Laws governing said matters as well as may be known to Members States to achieve this Agenda Item, etc. – i.e. however, not limited to this listing alone:

VS.

52) Suggested STEPS In The DISSOLVING Of The United Nations:

<https://www.google.com/search?q=what+are+the+steps+in+dissolving+the+united+nations+as+done+with+the+league+of+nations&oeq=what+are+the+steps+in+dissolving+the+united+nations+as+done+with+the+league+of+nations&aqs=chrome..69i57.23888j0j1&sourceid=chrome&ie=UTF-8>

DISSOLVING the United Nations would involve a process similar to the [League of Nations](#)'s dissolution, **which required a formal resolution** by its members and **the establishment of a liquidation board** to manage assets and functions. Steps would include the United Nations **General Assembly passing a resolution to cease operations except for liquidation**, and **establishing of a negotiating committee** to handle the transfer of assets and property **to a successor body** or a liquidating entity. This process was detailed in the **"Common Plan"** approved by both the League's and the UN's General Assemblies.

STEPS TO DISSOLVE THE UN, MIRRORING THE LEAGUE OF NATIONS

1. **Pass a resolution to dissolve:** The United Nations **General Assembly** would need **to pass a formal resolution declaring** the organization would cease to exist, **except for the purpose of its liquidation.**
2. **Establish a liquidation board:** A specific board or committee **would be formed to oversee the dissolution process**, similar to the League's Board of Liquidation.
3. **Create a "Common Plan":** A plan would need to be negotiated and approved by both the United Nations and the League's General Assemblies **to detail the transfer of assets, functions, and property.**
4. **Negotiate asset transfer:** A negotiating committee would be established to handle the details of transferring assets, such as property and archives, to a new body or to sell them.
5. **Complete liquidation:** The liquidation board would be **responsible for managing the winding down of the organization, including the sale of assets and the transfer of funds**, which took the League of Nations over a year to complete.

53) IMPORTANT TO NOTE: It appears that AFTER approximately 80 YEARS, the United Nations FAILED in many of its missions because it may be a CREATION of what has been reported as “**The SECRET WORLD Government or HIDDEN Hands**” having a “NEW Order” / “NEW World Order” for GLOBAL WHITE Supremacy. Thus, a reasonable mind may conclude the reasons for the NAZIS’ / WHITE Supremacists’ / Ku Klux Klan’s / Jews’ / Zionists... GLOBAL Terrorists Operations!

54) The United Nations Security Council’s **PERMANENT Members Conspiracies** to JUMPSTART as well as engage in the World War III / WW3 HOAX is contrary and / or in **VIOLATION** to the United Nations Charter and presents **THREATS to International Peace and Security**, etc.! Said conspiracies and objectives that have been set forth in this instant **11/12/2025 CTN Tentative 60-Days 2025 Agenda** and / or the **UNCONTESTED** 22 June 2024, “*United Nations Human Rights Office of the High Commissioner (Special Procedures of the Human Rights Council (Reference No. **hhpo8pa7**) and Subsequent Submissions As 14 January 2025, United Nations Human Rights Office of the High Commissioner – The Human Rights Council (Reference No. **WHRC/13427**)!*”

55) In the interest of JUSTICE, the United Nations be DISSOLVED – i.e. In that it appears to have been created / established with MALICIOUS intent to ADVERSELY impact the Chickasaw Tribal Nation as well as other NATIVE (NON-White) Nations for purposes of promoting such Conspiracies of

- (a) NAZISM
- (b) ZIONISM
- (c) The SECRET WORLD GOVERNMENT or HIDDEN HANDS
- (d) PROJECT 2025 and
- (e) NUMEROUS NAZI / WHITE Supremacist / Ku Klux Klan / Jewish / Zionist...

with **GLOBAL White Supremacy** / “**OWN-World**” Schemes requiring the UNLAWFUL carrying out of:

WAR Crimes, Crimes Against Humanity, Violation(s) of Geneva Convention on the Prevention and Punishment of the Crime of Genocide (1948), Ethnic Cleansing, Violation(s) of Chemical Weapons Convention (1997), Violation(s) Convention Against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment (Torture Convention), Violation(s) of Convention on the Prevention and Punishment of the Crime of Genocide (Genocide Convention) and other Atrocities. . .

against the Chickasaw Tribal Nation as well as other NATIVE Nations in order to ACCOMPLISH!

56) Concerns that in approximately **80 years of operations**, there appears being:

- (a) **NO** standing INTERNATIONAL MULTI-Nation Operation **READILY available** to address **and counter** such **NAZI operations** as that **presently being carried by the United States of America**, its United Nations Security Council PERMANENT Members WORLD War III / WW3 HOAX Colluders – i.e. As that presently being reported by the United States of America **in INTERNATIONAL Waters (Caribbean and Pacific)**, State of Israel's WARS and UNLAWFUL Bombings and TERRORISTS Attacks on SOVEREIGN Nations

- (b) **GLOBAL Food Crises** – i.e. Appears said crises **ORCHESTRATED** by EUROPEAN Nations and / or Nazis / WHITE Supremacists / Ku Klux Klan / Jews / Zionists...
- (c) **NO** standing and / or adequate INTERNATIONAL Multi-Nation Operation appears NOT READILY available to address and meet the needs of those impacted by **Natural and / or MANMADE Disasters** (as that of Hurricane Maria and the **DEVASTATION caused** to Jamaica as well as other NATIVE Nations adversely impacted by Natural and / or MANMADE Weather Disasters)! **Furthermore, concerns whether or NOT** there have been **INTERNATIONAL Investigations** (and **PROSECUTION if violations found**) into reports of the United States of America's Officials ability to engage in WEATHER Manipulation Techniques – i.e. **NEXUS**: Concerns that Jamaica taking such a **DEVASTATING BLOW** and the USA carrying out **UNLAWFUL TERRORISTS Operations** in Caribbean Waters...

XI.

Wherefore, premises considered, the Chickasaw Tribal Nation makes known through this instant
