Death [edit]

On 31 July 2019, *The New York Times* and other news organizations quoted unnamed American officials as saying that bin Laden was believed to have been killed in the first two years of the Trump administration, which began on January 20, 2017.[38] At the time, intelligence agencies were unable to confirm his death and, in February 2019, the U.S. State Department issued a $1 million reward for information leading to Hamza's whereabouts.[39] On September 14, 2019, U.S. President Donald Trump confirmed that bin Laden was killed in a U.S. counterterrorism operation in the Afghanistan/Pakistan region. Other details were not disclosed.[40]

Afghan journalist, Bilal Sarwary, claims that Hamza bin Laden was most likely killed in Geru district in Ghazni province of Afghanistan.[41]

However, the Al-Qaeda has not confirmed the death of Hamza bin laden.[42]

President Obama's reelection team, looking to portray opposition to the health care law and other administration policies as part of a larger "smear" campaign, has launched a new website aimed at defending the president from criticism.

Obama for American Campaign Manager Jim Messina wrote in an email to supporters released Tuesday that he is looking for scouts to collect and report "phony attacks" on the president to a site called Attack Watch.

Dear Senator Rand Paul:

My name is Vogel Denise Newsome (Newsome) and I am a constituent of yours (i.e. Kentucky Registered Voter). Because Newsome does not want you to think that she is an Ohio resident (i.e. because of the cell phone number and mailing addressed used), she has attached a copy of my Driver's License. Newsome is requesting an INVESTIGATION and if necessary the IMPEACHMENT and INDICTMENT of United States President Barack Obama, his Administration and others who are found to have engaged in the criminal/civil wrongs reported. From News reports, Newsome believes that Representative Darrell Issa may be handling the initiation of INVESTIGATIONS against President Obama and his Administration. You may want to begin there to determine what the process is in getting my issues addressed in an ***EXPEDITED*** manner – i.e. considering that it appears President Obama's people are looking to cause IMMEDIATE harm within this week or very shortly against Newsome.

In a one-year period there have been criminal actions brought against Judges involved in matters in which Newsome is a litigant/party: **a)** In Mississippi, Judge DeLaughter has been INDICTED; **b)** in Ohio, Judge West's Bailiff *has been* ***found guilty*** of crimes – the complaint/petition to be filed in the Supreme Court of the United States **addresses Judge West's crimes**; and **c)** in Louisiana, Judge G. Thomas Porteous on or about December 8, 2010, **has been IMPEACHED** by the United States Senate and removed from office. All of this information is of PUBLIC RECORD. Also, it is of PUBLIC RECORD just how early Newsome reported the crimes of these Judges; however, because of President Barack Obama's legal counsel's (Baker Donelson Bearman Caldwell & Berkowitz P.C.) deep roots and ties to the White House and D.C., nothing is done. Baker Donelson also has DEEP ROOTS and CONNECTIONS in the United States Department of Justice and has used such relationships to IMPEDE and OBSTRUCT justice. Will you look into this for Newsome and advised the status of her FBI Criminal Complaints that have been filed? The FBI Criminal Complaints are addressed in the attached October 2010 document attached t this email.

Pakistan–United States relations

From Wikipedia, the free encyclopedia

Pakistan – United States relations or **Pakistan-American relations**, refers to the international, historical, and cultural bilateral relationship between the State of Pakistan and the United States, with both countries first establishing diplomatic relations on October 20, 1947, roughly two months after the establishment of the former country after the Indian partition by Great Britain. With the United States being among the very first nations to have established relations with Pakistan, the relationship since then has been based primarily on U.S. economic and military assistance to Pakistan.[1] Pakistan is a Major non-NATO ally of the United States and also the second-largest supplier of military equipment to Pakistan after China, and largest economic aid contributor as well.[2][3][4]

Pakistan-United States relations

A key campaign argument of US President Barack Obama was that the US had made the mistake of "putting all our eggs in one basket" in the form of General Musharraf.[*citation needed*] Musharraf was eventually forced out of office under the threat of impeachment, after years of political protests by lawyers, civilians and other political parties in Pakistan. With Obama coming into office, the U.S. is expected to triple non-military aid to Pakistan to $1.5 billion per year over 10 years, and to tie military aid to progress in the fight against militants. The purpose of the aid is to help strengthen the relatively new democratic government led by President Zardari and to help strengthen civil institutions and the general economy in Pakistan, and to put in place an aid program that is broader in scope than just supporting Pakistan's military.

Aid from the United States since 9/11

See also: Foreign aid to Pakistan

Pakistan is a major non-NATO ally as part of the War on Terrorism, and a leading recipient of U.S. aid.[39]

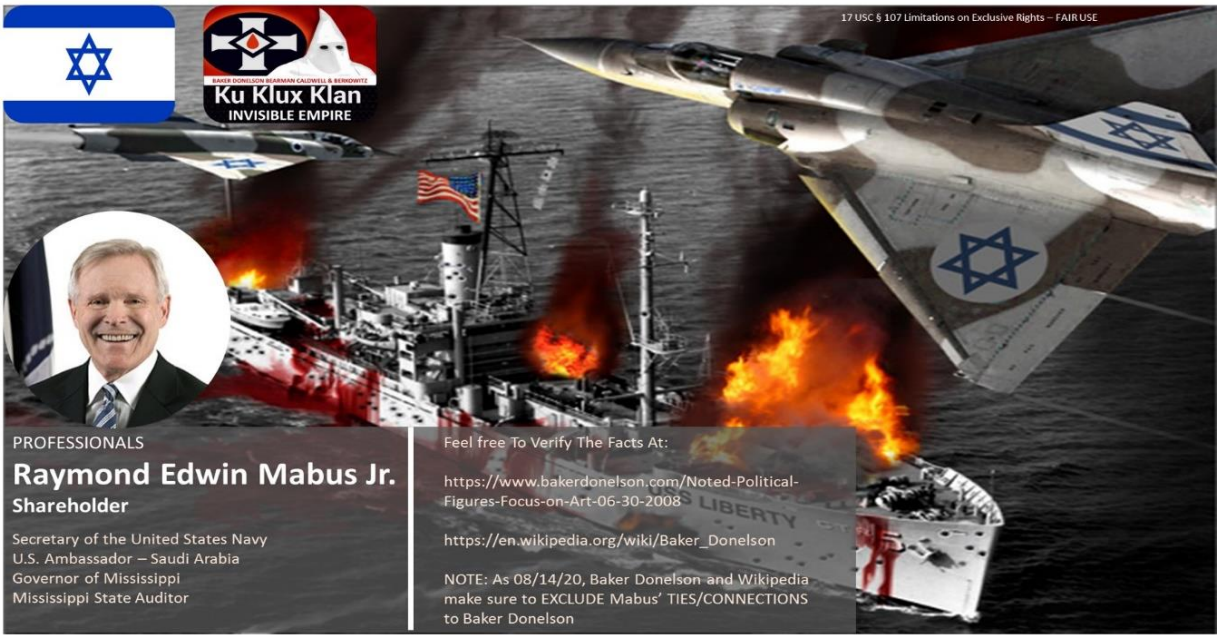

Between 2002–2010, Pakistan received approximately $18 billion[60] in military and economic aid from the United States. In February 2010, the Obama administration requested an additional $3 billion in aid, for a total of $20.7 billion.[61]

In mid-February 2010, after the capture of the second most powerful Taliban, Abdul Ghani Baradar in Pakistan by Pakistani forces, the White House hailed the operation. Furthermore, White House Press Secretary Robert Gibbs said that this is a "big success for our mutual efforts(Pakistan and United States) in the region" and praised Pakistan for the capture, saying it was a sign of increased cooperation with the US in the terror fight.[62]

In March, Richard Holbrooke, then US special envoy to Pakistan, said that US-Pakistani relations have seen "significant improvement" under Obama. He also said, "No government on earth has received more high-level attention" than Pakistan[63][64]

Article Talk

From Wikipedia, the free encyclopedia

Legal **Chattel slavery** existed in Saudi Arabia until the 1960s.

Hejaz (the western region of modern day Saudi Arabia), which encompasses approximately 12% of the total land area of Saudi Arabia, was under the control of the Ottoman Empire from 1517 to 1918, and as such nominally obeyed the Ottoman laws. When the area became an independent nation first as the Kingdom of Hejaz and then as Saudi Arabia, it became internationally known as a slave trade center during the interwar period. After World War II, growing international pressure eventually resulted in the formal abolition of the practice. Slavery was formally abolished in 1962. Many members of the Afro-Saudi minority are descendants of the former slaves.

In contemporary Saudi Arabia, the kafala system, in which foreign workers are tied to a single employer for the duration of their time in Saudi Arabia, and often have their passports confiscated, has been described by human-rights organizations as a form of modern slavery. The labor performed by Kafala workers is similar to labor previously performed by slaves, and the workers often come from similar parts of the world from which slaves were previously imported.

RE: *Vogel Newsome*

Dear Ms. Sanders:

This letter follows-up my telephone conversation with your office on August 15, 2003. As you know, Bill Purdy and I just recently formed this firm. I left another firm to start this one. After leaving my previous firm, I needed a temporary secretary. For the last several weeks your office provided us with Ms. Vogel Newsome.

I have been very, very pleased with Vogel, not only in terms of her work product, but also in terms of her attitude and personality. I would rate her as one of the best legal secretaries with whom I have ever worked. I would highly recommend her to any one who is looking for a full-time legal secretary. If my previous secretary were not rejoining me, I would want Vogel to be my new permanent secretary.

If any one would care to discuss Vogel with me, please do not hesitate to give them my name and number. I will be more than happy to talk with them.

I am not certain of the exact day when my previous secretary will rejoin me. It could be immediately, or, it could be a couple of weeks. In light of that, we would like to request that we be allowed to continue to work with Vogel until further notice. However, the last thing I want to do is have Vogel miss another good opportunity that might lead to permanent employment. Therefore, if she must be reassigned, I will understand, but grudgingly so.

If you have any questions, please do not hesitate to give me a call.

Sincerely yours,

PURDY & GERMANY, PLLC

Re: *Vogel Newsome v. Melody Crews, et. al.*, Civil Action No. 3:07cv00560

Dear Ms. Abioto:

This confirms your call yesterday regarding my letter to you of February 19, 2008. In that call you confirmed to me that you authorized the filing of the complaint in this matter. You also advised you presently represent Mrs. Newsome and that you authorized Mrs. Newsome to sign your name to the initial Complaint and send it to the Court for filing on your behalf as her lawyer.

As I expressed to you yesterday, we will not agree that you may withdraw as counsel unless you dismiss the entire lawsuit. Pursuant to the Local Rules for the Northern and Southern District of Mississippi, Rule 83.1(B)(3) "when an attorney enters an appearance in a civil action, he or she shall remain as counsel of record until released by formal order of the court." The rule requires that a motion must be filed. It is our position that you knew Mrs. Newsome would make unauthorized filings when you agreed to file this suit. We also take the position that you knew that she had already filed Civil Action No. 3:07cv00099 and that the case you filed was based upon the same facts and circumstances. You were fully aware that Mrs. Newsome would be a difficult client and one you could not control. However, notwithstanding this knowledge, you chose to sue my clients and instigate this now third frivolous lawsuit against my client on Mrs. Newomse's behalf. Therefore, unless the Court releases you we have no intent of agreeing to your withdrawal as counsel. Also, even if released, you remain responsible for the filing of the Complaint pursuant to Rule 11 and we are going to seek sanctions under that rule.

Where this requirement is met, the court will hold the employer to something approximating a due process standard in determining whether the employer acted in good faith. . . Thus, *the issue was whether the employee had received the required warning provided by the booklet*. .. The court held that a covenant of good faith was implied in the employee's employment contract, and that there was a triable issue of fact as to whether the employer had **afforded the employee the process required by the employee booklet**.. . .The information upon which the employee relies as an objective manifestation of the employer's implied promise of job security in exchange for good performance may be entirely informal. *A formal printed booklet that is routinely distributed to new workers* ***is not*** *always required, and* ***neither is a statement*** *outlining the employer's termination procedures*. . . *The court also held that an employee booklet with termination policies* ***was not*** *essential to invoke the implied covenant*. . . Where the employee pamphlet or the employer's personnel policies prescribe a procedure for terminating at-will employees and imply that employees will be dismissed only for cause, *the employer* ***has an affirmative duty*** *to carry out its function* ***in good faith*** *and* ***to deal fairly*** *in determining to discharge an employee* . . . The employer's good faith may be evidenced by the fact that the employer performed all of the investigation, hearing and evaluative processes strictly in accordance with the provisions of its policies or the employee booklet. . . *On the other hand, where the evidence shows that the process was incomplete and* ***negligently*** *conducted, and included the* ***deliberate alteration of the employee's personnel file*** *in order* ***to document charges against the employee****, such evidence may not only result in a finding of bad faith on the employer's part but also* ***lead to the imposition of punitive damages*** *for* ***oppression*** *and* ***malice***. . . .An expert witness testified on plaintiff's behalf that the investigation of the charges against her had been incomplete and that, in the expert's opinion, the dismissal had been unjustified. purposes of recovering damages sustained from such injury/harm. Therefore, Newsome is demanding that the **EEOC/OCRC** and/or the **Commissioner Charge issued** to perform the **MANDATORY** ***ministerial*** *duties* required and enforce the applicable statutes/laws governing Title VII/Civil Rights violations and/or discriminatory practices/employment violations leveled against her. An investigation into this instant Complaint/Charge will support GRG's efforts to get Newsome to forego protected rights and OBSTRUCT Newsome's EXPOSING matters of PUBLIC Policy and/or PUBLIC Interest by filing a Lawsuit AGAINST Newsome on or about February 3, 2012. As a direct and proximate result of GRG's/MStaffing's CONSPIRED to deprive Newsome of rights secured/guaranteed under the United States Constitution, Title VII, and other laws of the United States for purposes of DEPRIVING her equal protection of the laws, equal privileges and immunities, due process of laws, and to subject Newsome to embarrassment, humiliation, mental anguish and emotional distress, etc. as a direct and proximate result of Newsome's engagement in PROTECTED activities and exercise of rights secured/guaranteed under the statutes/laws governing said matters. Causal Connection/Nexus established: See **Paragraph III.** ***PATTERN-OF-DISCRIMINATION*** **at Nos. 19 and 22(c)** above.

Under section of civil rights statutes regarding right of all persons to full and equal benefits of laws, both compensatory and punitive damages are recoverable. 42 U.S.C.A. § 1981. *Harris* at n.8.

An award of punitive damages is permissible under section of civil rights statutes relating to right of all persons to full and equal benefits of laws even though action under such section is joined with Title VII action. Civil Rights Act of 1964, §§ 701 et seq., 704(a) as amended 42 U.S.C.A. §§ 2000e et seq., 2000e-3(a); 42 U.S.C.A. § 1981. *Harris* at n. 9.

Under section of civil rights statutes relating to right of all persons to full and equal benefits of laws, court may award compensatory **damages for *embarrassment, humiliation and mental anguish, and damages for emotional distress* may be inferred from circumstances as well as proved by testimony, but there must be sufficient causal connection between defendant's illegal actions and injury to plaintiff**. 42 U.S.C.A. § 1981. *Harris* at n.10.

for bad faith wrongful discharge if the defendant's conduct is sufficiently culpable.. . . The amount of punitive damages or exemplary damages to be awarded is a matter for the discretion of the jury; it depends on the circumstances of the particular case. Punitive damages must bear a reasonable relationship to the actual damages sustained by the plaintiff, though there is no fixed ratio by which punitive and actual damages are properly proportioned. An appellate court generally will not substitute its judgment for that of the trier of fact as to the amount of punitive damages to be awarded. . . . **Plaintiff experienced substantial difficulty finding subsequent employment, and she ultimately had to leave the state**. She had lived and worked in a small community where a dismissal for poor work performance would necessarily have an adverse consequence on her reputation and ability to earn a livelihood. One of the charges against her had been fabricated and her personnel file had been altered to support the allegation. An award of punitive damages against her former employer was affirmed on the basis of this evidence. . . .Plaintiff had a . . . faithful performance until she was fired by a vindictive supervisor . . .At the trial of Plaintiff's wrongful discharge case, expert witnesses testified that the employer had violated its own personnel practices and policies in thirteen separate instances; and the employer's evidence at trial was often inconsistent and even contradictory as to whether plaintiff was fired . . . **as a part of a reduction-in-force program**. In addition, the president of the company for which she had worked had revealed a calloused attitude toward. . . plaintiff in particular. . . An award of exemplary damages against the plaintiff's former employer was affirmed on appeal. [FN 89] *Flanigan v. 98. An investigation into this instant Charge will support that Newsome has been subjected to unlawful/illegal employment practices in violation of Title VII, Civil Rights law, Constitutional law as well as other statutes/laws governing said matters. Moreover, that the very statutes/laws that the EEOC are to uphold and enforce has REPEATEDLY been abused and violated with Newsome being a victim of such legal wrongs. An investigation into this instant Charge will

engagement in protected activities, breach of the implied duty of good faith and fair dealing, and Newsome's claims of deceit, and an award to Newsome for damages in an amount that will reasonably compensate her for each of the following elements of claimed loss or harm, provided it is found such harm or loss suffered by her and was proximately caused by the act or omission upon which it is found liability.

The amount of such award shall include:

- The reasonable value of medical care, services and supplies reasonably required and actually given in the treatment of Newsome.
- The loss of wages and fringe benefits to date.
- Reasonable compensation for any pain, discomfort, fears, anxiety or other mental and emotional distress suffered by Newsome and of which she or her injury was a proximate cause.

No definite method of calculation is prescribed by law by which to fix reasonable compensation for pain and suffering. Nor is the opinion of any witness required as to the amount of such reasonable compensation. In making an award for pain in suffering the factfinder shall exercise authority with common reasonable judgment and the damages fixed shall be just and reasonable in light of the evidence. ***See 31 Am Jur Trials 317 § 60 pp. 511-512.***

II. DEMAND FOR SELF-GOVERNMENT . . .

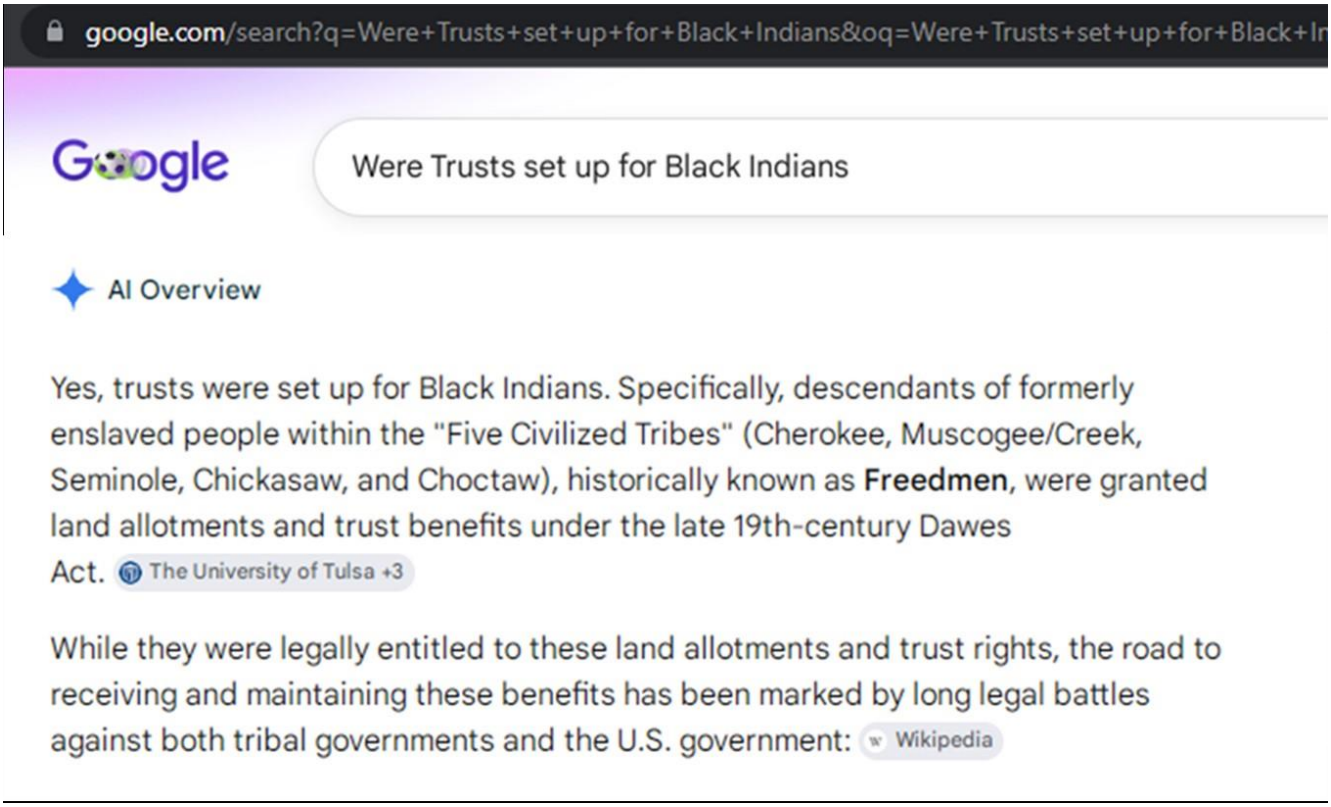

7. In the context of the United Nations Charter, the correct term is **"administering authority"** or **"administering power"** (often referred to in the **practice of decolonization**). It designates a member state tasked with managing and governing a non-self-governing or trust territory under Chapter XII and XIII of the Charter.

Purpose of an Administering Power

* Promote the political, economic, social, and educational advancement of the trust territory's inhabitants.

(**NOTE:** The United States of America / United States (collectively known as USA) and its Officials, etc. have **FAILED** to promote the political, economic, social and educational advancement of the Trust Territories of the Chickasaw Tribal Nation as well as other BLACK Indians (as the Cherokee Tribal Nation, Choctaw Tribal Nation, Creek Tribal Nation, and Seminole Tribal Nation, etc.)

---

* Assist the territory's progress toward self-government or independence.

(**NOTE:** The USA and its Officials, etc. **have FAILED** to assist the Chickasaw Tribal Nation as well as other BLACK Indians (as the Cherokee Tribal Nation, Choctaw Tribal Nation, Creek Tribal Nation, and Seminole Tribal Nation, etc.) within their Territories to progress towards ***SELF-Government*** or ***Independence*** and **has FAILED** and / or **VIOLATED the reporting of** Chicksaw Tribal Nation's and other BLACK Indians coming through the Utica International Embassy demanding SELF-Government and / or their INDEPENDENCE ***to the United Nations***!

* Encourage respect for human rights and fundamental freedoms.

(**NOTE:** The USA and its Officials, etc. FAILED to encourage respect for human right and fundamental freedoms and have, instead, have focused on pushing Supreme Court of the United States [a SONDERGERICHT] ***"DRED Scott Decision"*** **schemes** [***that the BLACKS do NOT have Rights that the WHITE Man / Nazis / Ku Klux Klan / Jews / Zionists . . . have to respect***] **and INFRINGING** upon the **SOVEREIGNTY, PROTECTED Human Right** and ***Freedoms*** of the Chickasaw Tribal Nation and other BLACK Indians who have reached out and have come to the Chickasaw Tribal Nation and / or Utica International Embassy seeking assistance in getting the applicable **SECURITY and PROTECTIONS** . . .for themselves and / or their Tribal Nations (as the Cherokee Tribal Nation, Choctaw Tribal Nation, Creek Tribal Nation, and Seminole Tribal Nation, etc.)

* Ensure equal treatment in social, economic, and commercial matters for all UN members.

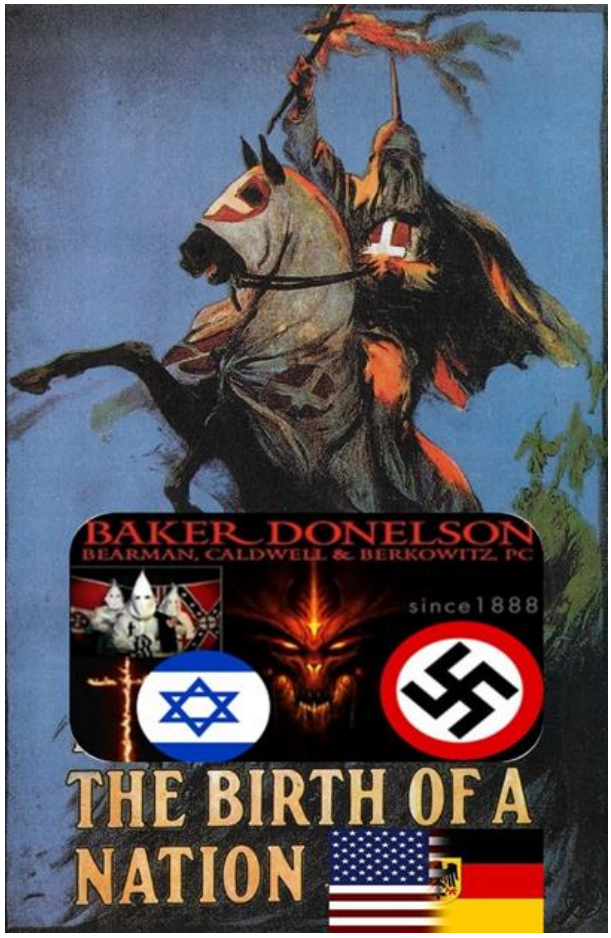

(**NOTE:** The USA and its Officials, etc. **FAILED to encourage EQUAL treatment** in social, economic and commercial matters for all United Nations Members as well as **FAILED to ensure EQUAL treatment** in Social, Economic and Commercial matters as it relates Administrating Power responsibilities **regarding the Chickasaw Tribal Nation People** and its Territories as well as that of other Tribal Nations (as the Cherokee Tribal Nation, Choctaw Tribal Nation, Creek Tribal Nation, and Seminole Tribal Nation, etc.)

* Maintain local law and order and defend the territory responsibly.

(**NOTE:** The USA and its Officials, etc. FAILED to maintain lawful local law and order and defend the Territory of the Chickasaw Tribal Nation and other BLACK Indian Nations (as the Cherokee Tribal Nation, Choctaw Tribal Nation, Creek Tribal Nation, and Seminole Tribal Nation, etc.) responsibly. Instead, the USA and its Officials **did KNOWINGLY** engage WAR Crimes, Crimes **AGAINST** Humanity and other Atrocities in their **QUESTS To ENSLAVE** Black Indians / Indigenous People for purposes of STEALNG their Lands / Territories, Properties and Resources, etc. as well as **creating FRAUDULENT Laws / Codes** (known as BLACK Codes and Jim Crow Laws . . .) for purposes of **SHIELDING / HIDING!**

Title 25 - INDIANS
CHAPTER 46 - INDIAN SELF-DETERMINATION AND EDUCATION ASSISTANCE
Sec. 5301 - Congressional statement of findings
From the U.S. Government Publishing Office, www.gpo.gov

§5301. Congressional statement of findings

(a) Findings respecting historical and special legal relationship, and resultant responsibilities

The Congress, after careful review of the Federal Government's historical and special legal relationship with, and resulting responsibilities to, American Indian people, finds that—

(1) the prolonged Federal domination of Indian service programs has served to retard rather than enhance the progress of Indian people and their communities by depriving Indians of the full opportunity to develop leadership skills crucial to the realization of self-government, and has denied to the Indian people an effective voice in the planning and implementation of programs for the benefit of Indians which are responsive to the true needs of Indian communities; and

(2) the Indian people will never surrender their desire to control their relationships both among themselves and with non-Indian governments, organizations, and persons.

(b) Further findings

The Congress further finds that—

(1) true self-determination in any society of people is dependent upon an educational process which will insure the development of qualified people to fulfill meaningful leadership roles;

(2) the Federal responsibility for and assistance to education of Indian children has not effected the desired level of educational achievement or created the diverse opportunities and personal satisfaction which education can and should provide; and

(3) parental and community control of the educational process is of crucial importance to the Indian people.

EX. ORD. NO. 13647. ESTABLISHING THE WHITE HOUSE COUNCIL ON NATIVE AMERICAN AFFAIRS

Ex. Ord. No. 13647, June 26, 2013, 78 F.R. 39539, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to promote and sustain prosperous and resilient Native American tribal governments, it is hereby ordered as follows:

SECTION 1. *Policy*. The United States recognizes a government-to-government relationship, as well as a unique legal and political relationship, with federally recognized tribes. This relationship is set forth in the Constitution of the United States, treaties, statutes, Executive Orders, administrative rules and regulations, and judicial decisions. Honoring these relationships and respecting the sovereignty of tribal nations is critical to advancing tribal self-determination and prosperity.

As we work together to forge a brighter future for all Americans, we cannot ignore a history of mistreatment and destructive policies that have hurt tribal communities. The United States seeks to continue restoring and healing relations with Native Americans and to strengthen its partnership with tribal governments, for our more recent history demonstrates that tribal self-determination—the ability of tribal governments to determine how to build and sustain their own communities—is necessary for successful and prospering communities. We further recognize that restoring tribal lands through appropriate means helps foster tribal self-determination.

This order establishes a national policy to ensure that the Federal Government engages in a true and lasting government-to-government relationship with federally recognized tribes in a more coordinated and effective manner, including by better carrying out its trust responsibilities. This policy is established as a means of promoting and sustaining prosperous and resilient tribal communities. Greater engagement and meaningful consultation with tribes is of paramount importance in developing any policies affecting tribal nations.

To honor treaties and recognize tribes' inherent sovereignty and right to self-government under U.S. law, it is the policy of the United States to promote the development of prosperous and resilient tribal communities, including by:

(a) promoting sustainable economic development, particularly energy, transportation, housing, other infrastructure, entrepreneurial, and workforce development to drive future economic growth and security;

(b) supporting greater access to, and control over, nutrition and healthcare, including special efforts to confront historic health disparities and chronic diseases;

(c) supporting efforts to improve the effectiveness and efficiency of tribal justice systems and protect tribal communities;

BRITISH CONVICTS IN AMERICAN COLONIES

The British were noted for transported prisoners out of England to be made to work at their numerous colonies. From 1615 to 1870, more than 200,000 criminals were conditionally pardoned, exiled, and transported to penal colonies. Before 1775, more than 50,000 prisoners were sent to America—primarily to Virginia and Maryland. With the American Revolutionary War, then from 1788 to 1869, more than 160,000 prisoners were sent to the British Colony of Australia.

What most Americans do not realize is that from 1718 until 1775, convict transportation to the American colonies flourished. Some estimates claim that almost 10 percent of migrants to America during this time were British convicts. This means, if you had ancestors in the American colonies during that time, they might have come as unwanted convicts, against the will.

What was done by the British was to banish a convict to America was for a term of either seven or fourteen years, after which the convict could theoretically come back the Britain. Escaping on a ship to return to England early, however, was punishable by death. This was not just a sentence for men. Some female convicts were transported to the American colonies as well, for crimes such as being "lewd" and "walking the streets after ten at night."

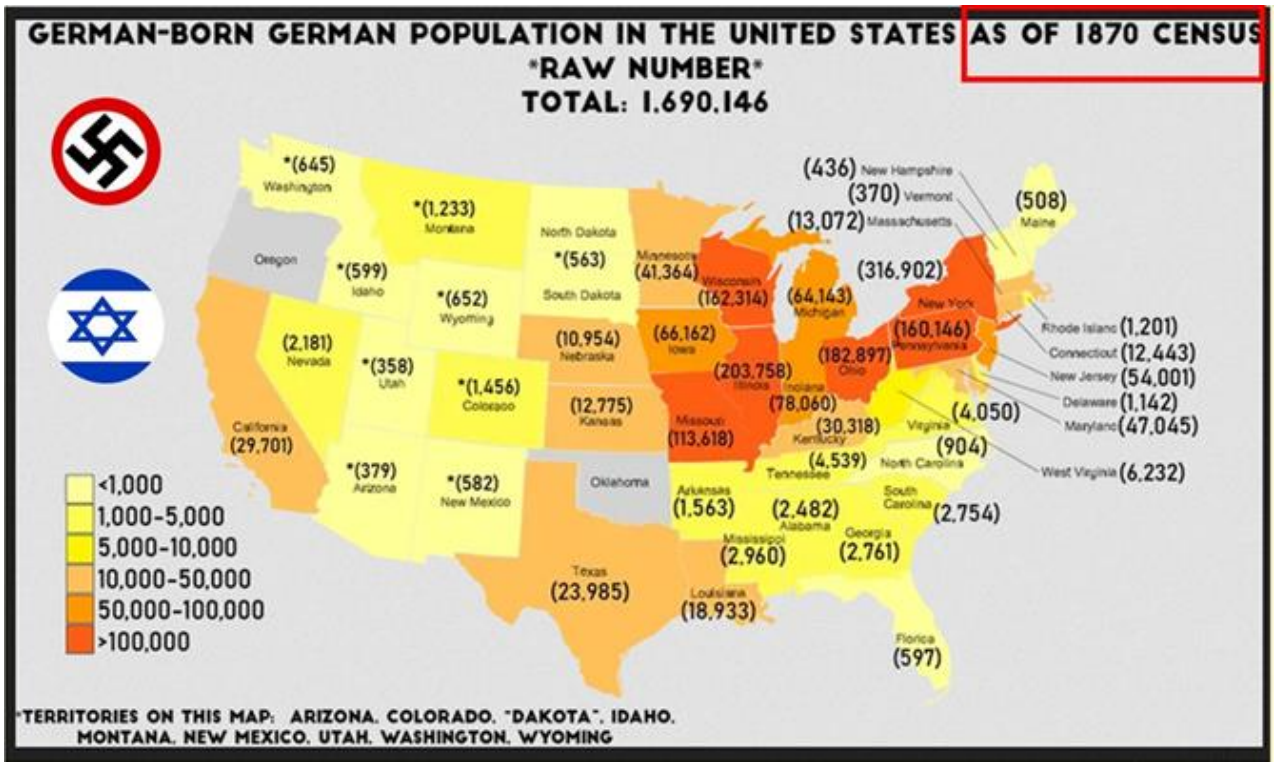

Going back to the early 1600s, convicts had been sent to America. In 1670 authorities in Virginia passed an act that prohibited convicts from being sent to the area. That act was overruled by King. By the early 1700s British convicts were sent over in droves, and free Americans weren't too happy about it. In fact, even before the Transportation Act of 1718 really opened the doors for Britain's dumping of undesirables in America, some colonies tried to pass laws that would prohibit the practice.

Many of those sent to the American colonies were put to work doing manual labor. Or in time of battles – French-Indian War, served as soldiers. Criminals could have been convicted of any type of crime, this included debtors. Those who had murdered were just hung in England and not sent.

About 20,000 convicts were sent to Virginia and settled along the Potomac and Rappahannock Rivers. Knowing where many did originate can help in your own family research. A reminder they were convicts not indentured servants who worked in exchanged for their passage to America. Indentured servants choose to come, convicts did not.

New Order (Nazism)

From Wikipedia, the free encyclopedia

The **New Order** (German: *Neuordnung*), or the **New Order of Europe** (German: *Neuordnung Europas*), **was the political order which** Nazi Germany **wanted to impose on the conquered areas under its dominion. The establishment of the New Order had already begun long before the start of** World War II**, but was publicly proclaimed by** Adolf Hitler **in 1941:**

> **The year 1941 will be, I am convinced, the historical year of a great European New Order.**[1]

Among other things, **it entailed the creation of a** pan-German racial state **structured according to** Nazi ideology **to ensure the supremacy of an** Aryan-Nordic master race**, massive territorial expansion into** Central and Eastern Europe **through its** colonization **with German settlers, the** physical annihilation **of . . . others considered to be** "unworthy of life" **and the** extermination, expulsion or enslavement of most of the . . . peoples and **others regarded as "racially inferior".**[2] **Nazi Germany's desire for aggressive territorial** expansionism **was one of the most important** causes of World War II**.**

Historians are still divided as to its ultimate goals, some believing that it was to be limited to Nazi German domination of Europe, while **others maintain that it was a springboard for eventual world conquest and the establishment of a** world government **under German control.** - -As of **02/13/19** this is an excerpt of an Article that may be found at the following LINK: https://en.wikipedia.org/wiki/New_Order_(Nazism)

AI Overview

The Beer Hall Putsch was a failed takeover of the government led by Adolf Hitler and the Nazi Party on November 8–9, 1923, in Munich, Germany. Hitler hoped to copy a recent takeover in Italy to overthrow Germany's democratic government. The brief revolt failed, but it brought Hitler national fame. Wikipedia +5

Detailed breakdowns of the event explain how it unfolded and changed history:

How the Coup Began

- **The Beer Hall:** Hitler and armed troops stormed a large beer hall called the Bürgerbräukeller in Munich on November 8, 1923.
- **The Takeover Plan:** Bavarian state leaders were holding a meeting inside. Hitler fired a pistol at the ceiling to take control.
- **The Demand:** Hitler forced local leaders at gunpoint to support his plan to march on Berlin and overthrow the national government. Holocaust Encyclopedia +5

Why the Coup Failed

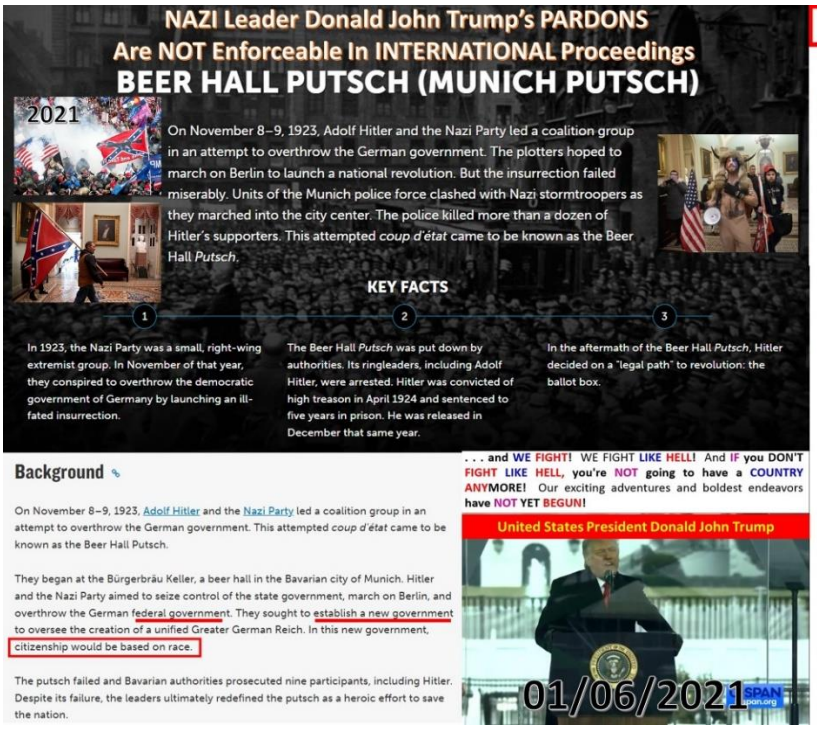

- **Escaped Officials:** The local leaders promised to help Hitler under pressure, but they escaped as soon as they could.
- **Police Clashes:** On November 9, Hitler and about 2,000 followers marched into Munich. Police blocked them and opened fire.
- **The Casualties:** Sixteen Nazis and four police officers died in the shootout. Hitler fled but police arrested him two days later. History.com +4

can the united states sell black indian lands to foreign governments

No, the United States cannot sell "Black Indian lands" to foreign governments. These lands are not the property of the U.S. government to sell, but are held in trust or as sovereign territories belonging to Native American tribes and individuals. Any sale would be a violation of treaties, sovereignty, and the unique legal relationship between the tribes and the federal government.

- **Sovereignty:** Native American tribes are considered sovereign nations, similar to foreign nations, and their reservations are their territories, not U.S. government property that can be sold.
- **Trust Relationship:** The federal government holds most of this land in trust for the benefit of the tribes, which is a legal relationship, not an ownership one.
- **Treaties:** The relationship is governed by treaties, which are legally binding agreements that cannot be easily broken. Selling land would violate these agreements, which historically protected tribal lands from being taken without consent.

THE POISONED WELL

17 USC § 107 Limitations on Exclusive Rights – FAIR USE

The parable of **the poisoned well** tells the story of **a king, a contaminated water source,** and a town of **mad / brainwashed people. An enemy poisons a village well so that anyone who drinks from it loses the ability to control their mind / thoughts. The king and queen do not drink the water, so they remain sane.** However, the **insane / mad / brainwashed** villagers think **the king is the crazy one** and try to overthrow him, **forcing the king to drink the poisoned water also so he can fit in with the crowd.**

The Plot / The Process:

The Poisoning Of The Minds: A witch or enemy puts a magic potion in the town's main water well, resulting in everyone who drinks from the well becoming immediately **mad / insane / brainwashed** and unable to think for themselves and enslaved.

The Isolation: The king and queen **drink from a separate, safe water supply,** leaving them as **the only** sane people in the kingdom.

The Rebellion: When the king tries to rule and give normal orders, the crazy townspeople think his commands are absurd and **decide he has lost his mind.** They plan to overthrow him.

The Choice: Facing a revolt and realizing he cannot reason with **mad / insane / brainwashed people,** the king drinks from the communal poisoned well.

The Ending: The king goes mad just like everyone else. ***The villagers are happy because the king now acts and talks like them, and their distortion of peace / normal returns to the town.***

The Lesson

Conformity versus Sanity: The story shows **how hard** it is **to stay different when everyone around you pressures you to be the same.**

The Cost of Belonging: Sometimes people **give up what is right or true just to fit in** with a **mad / insane / brainwashed** group and keep the **distortion of peace / normality thriving.**

INTERNATIONAL CONVENTION[1] AGAINST THE TAKING OF HOSTAGES

The States Parties to this Convention,

Having in mind the purposes and principles of the Charter of the United Nations concerning the maintenance of international peace and security and the promotion of friendly relations and co-operation among States,

Recognizing in particular that everyone has the right to life, liberty and security of person, as set out in the Universal Declaration of Human Rights[2] and the International Covenant on Civil and Political Rights,[3]

Reaffirming the principle of equal rights and self-determination of peoples as enshrined in the Charter of the United Nations and the Declaration on Principles of International Law concerning Friendly Relations and Co-operation among States in accordance with the Charter of the United Nations,[4] as well as in other relevant resolutions of the General Assembly,

Considering that the taking of hostages is an offence of grave concern to the international community and that, in accordance with the provisions of this Convention, any person committing an act of hostage taking shall either be prosecuted or extradited,

Being convinced that it is urgently necessary to develop international co-operation between States in devising and adopting effective measures for the prevention, prosecution and punishment of all acts of taking of hostages as manifestations of international terrorism,

1983 United Nations — Treaty Series • Nations Unies — Recueil des Traités 207

Have agreed as follows:

Article 1. 1. Any person who seizes or detains and threatens to kill, to injure or to continue to detain another person (hereinafter referred to as the "hostage") in order to compel a third party, namely, a State, an international intergovernmental organization, a natural or juridical person, or a group of persons, to do or abstain from doing any act as an explicit or implicit condition for the release of the hostage commits the offence of taking of hostages ("hostage-taking") within the meaning of this Convention.

2. Any person who:

(*a*) Attempts to commit an act of hostage-taking, or

(*b*) Participates as an accomplice of anyone who commits or attempts to commit an act of hostage-taking

likewise commits an offence for the purposes of this Convention.

Article 2. Each State Party shall make the offences set forth in article 1 punishable by appropriate penalties which take into account the grave nature of those offences.

Article 3. 1. The State Party in the territory of which the hostage is held by the offender shall take all measures it considers appropriate to ease the situation of the hostage, in particular, to secure his release and, after his release, to facilitate, when relevant, his departure.

2. If any object which the offender has obtained as a result of the taking of hostages comes into the custody of a State Party, that State Party shall return it as soon as possible to the hostage or the third party referred to in article 1, as the case may be, or to the appropriate authorities thereof.

Placing down ANCHORS for Germany and its European NAZI / WHITE Supremacist / Ku Klux Klan . . . Operations in the ***Republic of Iraq (Baghdad)***

AI Overview

The Iraq War (2003-2011) was a U.S.-led invasion to overthrow Saddam Hussein, justified by claims of weapons of mass destruction (WMDs) and links to terrorism, though WMDs were never found, leading to a costly insurgency and protracted occupation. Initiated by the Bush administration, the conflict saw the rapid fall of Hussein's regime but devolved into a prolonged insurgency and sectarian violence, with the U.S. formally withdrawing troops in 2011 after years of fighting, high casualties, and immense financial cost.

BRITISH CONVICTS IN AMERICAN COLONIES

https://www.familytree.com/blog/british-convicts-in-american-colonies/

The British were noted for transported prisoners out of England to be made to work at their numerous colonies. From 1615 to 1870, more than 200,000 criminals were conditionally pardoned, exiled, and transported to penal colonies. Before 1775, more than 50,000 prisoners were sent to America—primarily to Virginia and Maryland. With the American Revolutionary War, then from 1788 to 1869, more than 160,000 prisoners were sent to the British Colony of Australia.

What most Americans do not realize is that from 1718 until 1775, convict transportation to the American colonies flourished. Some estimates claim that almost 10 percent of migrants to America during this time were British convicts. This means, if you had ancestors in the American colonies during that time, they might have come as unwanted convicts, against the will.

Catholic Church and the Age of Discovery

The Catholic Church during the Age of Discovery inaugurated a major effort to spread Christianity in the New World and to convert the indigenous peoples of the Americas and other indigenous people by any means necessary. The evangelical effort was a major part of, and a justification for, the military conquests of European powers such as Portugal, Spain and France. Christian Missions to the indigenous peoples ran hand-in-hand with the colonial efforts of Catholic nations. In the Americas and other colonies in Asia and Africa, most missions were run by religious orders such as the Franciscans, Dominicans, Augustinians, and Jesuits. In Mexico the early systematic evangelization by mendicants came to be known as the "Spiritual Conquest of Mexico".[1]

Antonio de Montesinos, a Dominican friar on the island of Hispaniola, was the first member of the clergy to publicly denounce all forms of enslavement and oppression of the indigenous peoples of the Americas.[2] Theologians such as Francisco de Vitoria and Bartolomé de las Casas drew up theological and philosophical bases for the defense of the human rights of the colonized native populations, thus creating the basis of international law, regulating the relationships between nations.[3] Important contemporary ecclesiastical documents taking a strong stance on enslaving or despoiling the indigenous peoples of the Americas was the ecclesiastical letter *Pastorale officium* and the superseding encyclical *Sublimis Deus*.

58. **IMPORTANT TO NOTE:** **NEITHER** the **Chickasaw Tribal Nation / Utica International Embassy NOR** their Officials, Leaders and / or Native People **are responsible** for the **GLOBAL / WORLDWIDE Atrocities** – i.e. War Crimes and Crimes Against Humanity. . . – that the United States of America's / United States' NAZIS / WHITE Supremacists / Ku Klux Klan / Jews / Zionists . . . have engaged in, **ARE engaging in** and **CONTINUE** (to date) to engage in **while UNLAWFULLY dwelling** and / or **HIDING OUT** among the **"BLACK Indians" / Native Nations** and the **Native People within the Lands / Territories and Properties that** have been **LABELED** as the **United States of America!**

59. Through the Scriptures provided in the Holy Bible brought to the BLACK Indians and / or Native Nations and their People, **there appears to be a PATTERN by Government Officials** to pursue those **they FEAR** may be deemed **a "MESSIAH" and CONSPIRACIES have been launched to ASSASSINATE** those who may be seen as **a LEADER / LIBERATOR / DELIVERER** of the Native People and / or Native Nations and their People **from their OPPRESSORS!**

> **1** Now when Jesus was born in Bethlehem of Judaea in the days of Herod the king, behold, there came wise men from the east to Jerusalem,
>
> **2** Saying, Where is he that **is born King of the Jews?** for we have seen his star in the east, and are come to worship him.
>
> **3** **When Herod the king** had heard these things, **he was troubled,** and **all Jerusalem with him.**
>
> **4** And when he had gathered all the chief priests and scribes of the people together, **he demanded of them where Christ should be born.**

17 USC § 107 Limitations on Exclusive Rights – FAIR USE

5 And they said unto him, In Bethlehem of Judaea: for thus it is written by the prophet,

6 And thou Bethlehem, in the land of Juda, art not the least among the princes of Juda: for out of thee shall come a Governor, that shall rule my people Israel.

7 **Then Herod, when he had privily called the wise men, enquired of them diligently what time the star appeared.**

8 And he sent them to Bethlehem, and said, Go and **search diligently for the young child;** and **when ye have found him, bring me word again**, **that I may come** and **worship him also.**

9 When they had heard the king, they departed; and, lo, the star, which they saw in the east, went before them, till it came and stood over where the young child was. . . .

12 **And being warned of God in a dream** that they **should not return** to Herod, **they departed into their own country another way.** . . .

16 **Then Herod, when he saw that he was mocked** of the wise men, **was exceeding wroth,** and **sent forth,** and **slew all the children** that were in Bethlehem, and in all the coasts thereof, ***from two years old* and under,** according to the time which he had diligently inquired of the wise men. - - - Matthew 2

17 USC § 107 Limitations on Exclusive Rights – FAIR USE

60. **The FAKE Jews** (Revelation 3:9) **PLANTING** Themselves Amongst "BLACK Indian" / NATIVE Communities **LOOKING For** The **"BLACK Messiah" / "Black DELIVERER / LIBERATOR!"**

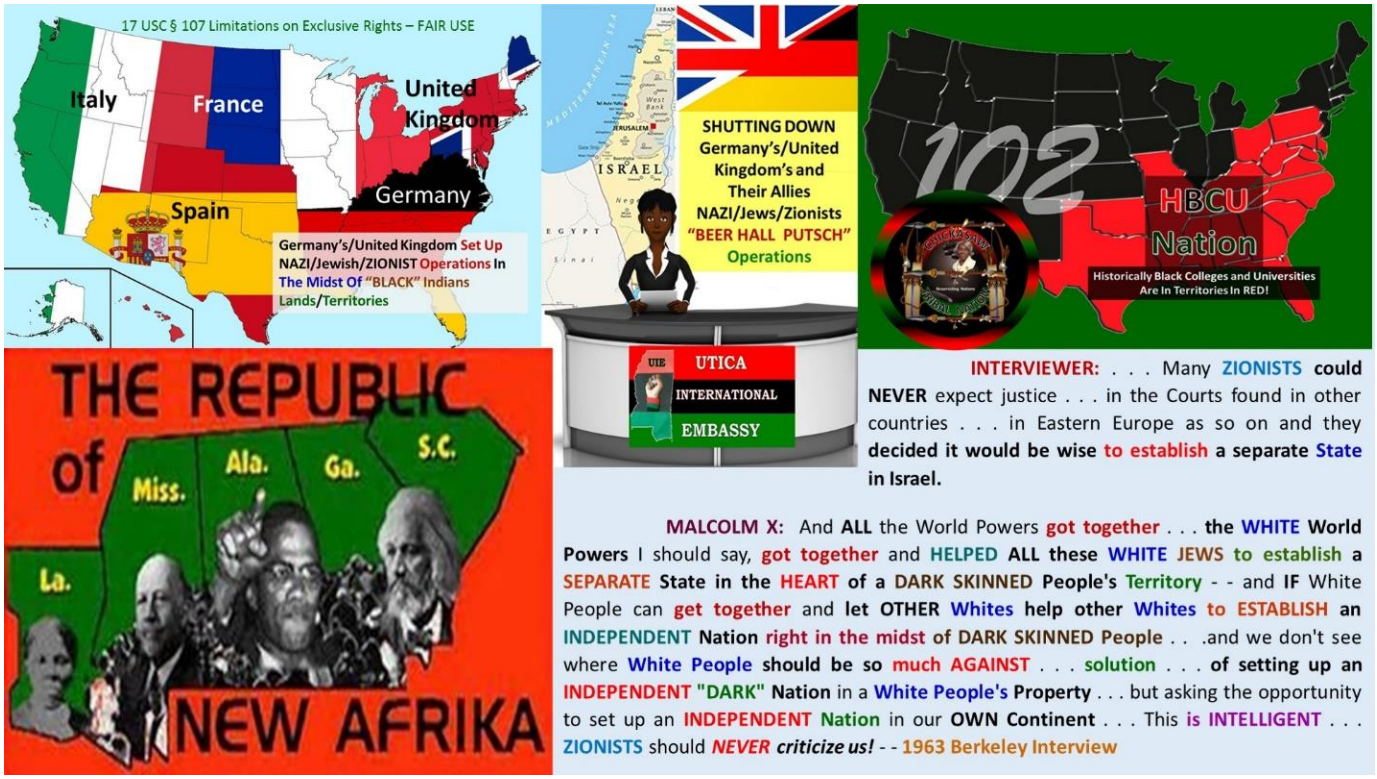

[18] And I say also unto thee, That thou art Peter, and upon this rock **I will build** my church; and **the gates of hell shall not prevail** against it. - - Matthew 16

IMPORTANT TO NOTE: Using the White Man's **HOLY Bible REPACKAGED / REVISED (with their King James "TRANSLATED" VERSION of events and attempts of WHITEWASHING and PROVIDING *Illustrations* Of EUROPEAN People – i.e. named Moses, Mary, Jesus . . .)** and brought to the "BLACK Indians" / Native Nations and their People – **through the Catholic Church's** / EUROPEANS' ***"AGE Of Discovery"*** – for purposes **of propping up SHADOW Governments / SECRET Societies,** etc. to **STALK Natives** from **STATE-To-STATE / CITY-To-CITY / TOWN-To-TOWN, JOB-To-JOB** and **HOUSE-To-HOUSE** as the USA's NAZI / WHITE Supremacist / Ku Klux Klan / Jewish / Zionist . . . Officials and their Legal Counsel Baker Donelson and CO-Conspirators **conduct unlawful RAIDS-After-RAIDS** in

17 USC § 107 Limitations on Exclusive Rights – FAIR USE

their search for those they allege **to have been RADICALIZED** – i.e. when it is clear, such ***CRIMES Against Humanity*** **VIOLATIONS** are carried out to specifically TARGET those who PUBLICLY and / or LAWFULLY OBJECT, etc. to the USA's Officials . . . WAR Crimes, Crimes Against Humanity and other Atrocities, etc. and **those FEARED** may be deemed the **"BLACK Messiah!"**

61. Cherokee Descendant / Muslim Leader / Prophet Noble Drew Ali advised, *"**Don't** throw away **your Bibles, because I am going to use them to condemn the government."*** Approximately **94 years since after Noble Drew Ali's transitioning** – i.e. shortly after being released by **his KIDNAPPERS (Chicago Police) – the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. are reminded of said Prophecy! Using the** WHITE Man's **Holy Bible** and / or the **Scriptures therein against the** United States of America and its NAZI / WHITE Supremacist / Ku Klux Klan / Jewish / Zionist Officials, their Legal Counsel Baker Donelson Berman Caldwell & Berkowitz and their CO-Conspirators!

62. The **Honorable Noble Drew Ali being of Cherokee Descent!** Cherokee **is a NATIONALITY!** Cherokee having allege **TREATIES** with the United States of America / United States! Therefore, a reasonable mind may conclude the USA's Officials, etc. **FEARING an AWAKENING and use of CHEROKEE Nationality to RESTORE / REBUILD Nation(s)** – i.e. Going as far as creating *so-called* **Legislation / Laws** and **putting the WHITE Man's $5.00 Indians (RAPED-Out Version) in place to COINCIDE with the LIES told of their DISCOVERY of America through *"DOCTRINE Of Discovery / AGE Of Discovery"* WAR Crimes . . . and REPLACEMENT Schemes against the BLACK Indians NATIVE Nations and their People!**

Does it make sense that **"ALL"** of the so-called Civilized Tribes **do NOT** reflect "BLACK Indians" – i.e. **NOTE "APPEARANCE?"**

BIRTH OF A NATION MAKEUP ARTISTS: Appear to be SAME person used in both images; however, NAMES CHANGED! Look at the HAIRSTYLES!

THINK ABOUT IT / IMPORTANT TO NOTE: **WHY** would God / Allah **USE** the **White Man's** NAZIS / WHITE Supremacists / Ku Klux Klan / Jews / Zionists . . . **to DELIVER** the **"BLACK Indians" / DARK-Skinned NATIVE Nations** and their **Native People** from **OPPRESSION(S),** War Crimes, Crimes Against Humanity and other Atrocities, etc. **being carried out against them through / under the DIRECTION** of the so-called **WHITE Man / *Europeans*?**

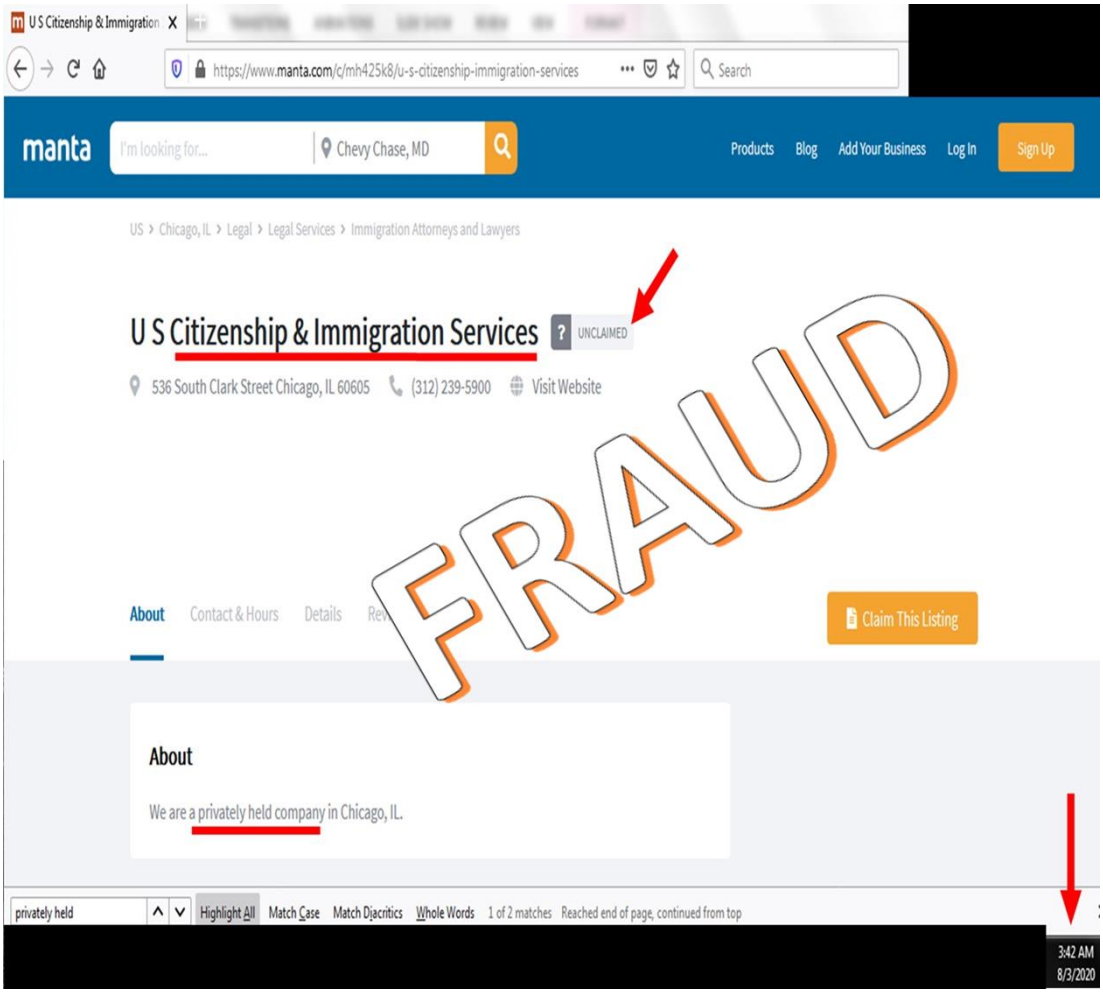

63. There is EVIDENCE in the United States of America's Record supporting **an ISSUANCE** of a ***"CERTIFICATE OF CITIZENSHIP"*** to Vogel Denise Newsome; however, in keeping with the NAZIS' / WHITE Supremacists' / Ku Klux Klan's / Jews' / Zionists' . . . **BLACK Codes Practices**, she **is BANNED** from using Courts of the USA Corporation Empire!

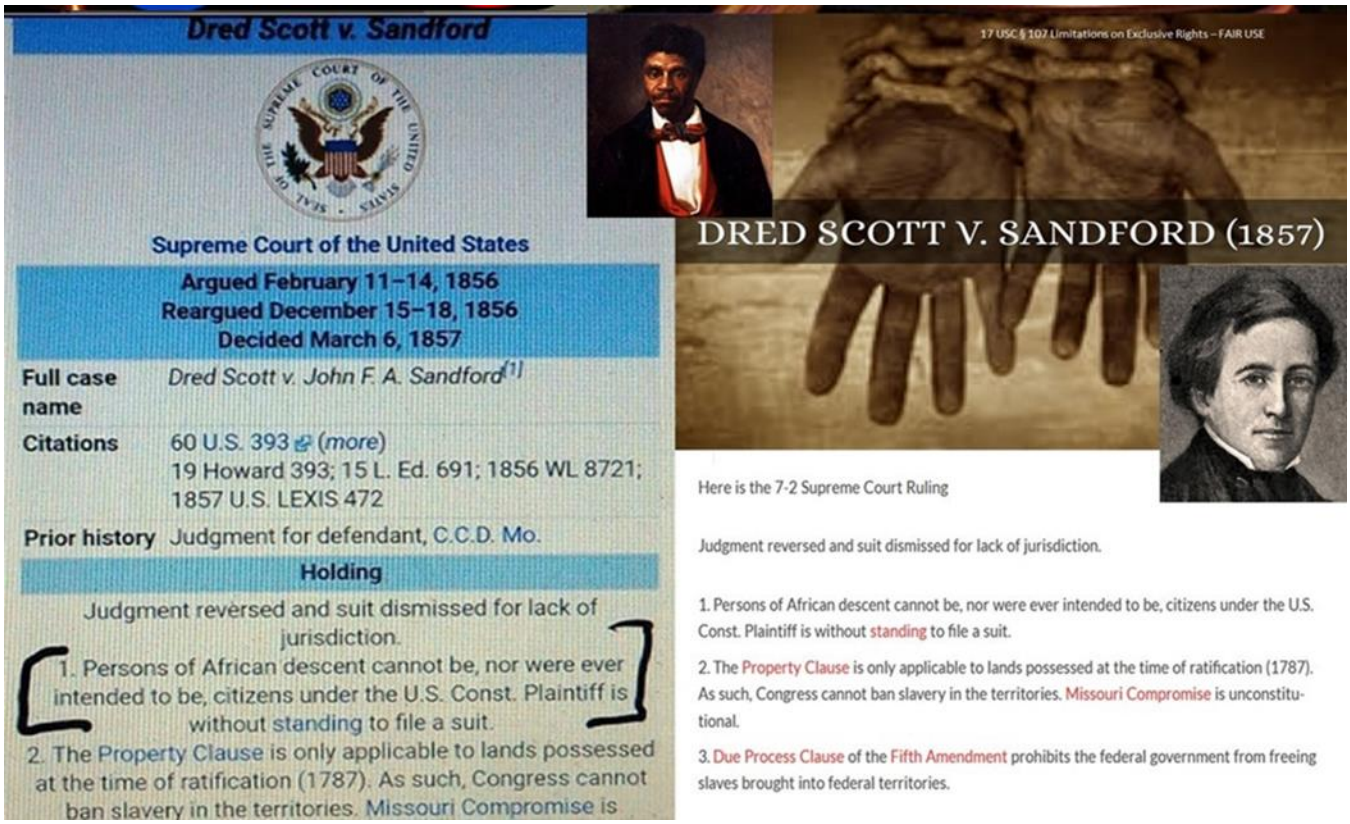

Furthermore, there is RECORD EVIDENCE to support **under the** United States of America's **CONSTITUTION,** BLACK Indians **are NOT and CANNOT be Citizens!** So, although Vogel Denise Newsome **was issued a *"Certificate of Citizenship,'*** it was issued for **"WINDOW DRESSING" purposes** and she (as well as the Chickasaw Tribal Nation / Utica International Embassy and other BLACK Indians utilizing their Nation's and / or Embassy's Services) **BEING PROHIBITED from suing the WHITE People and USA White Corporation Empire** – as well as Agencies and Employees, etc. therein – **through United States Courts!**

The United States Courts "are PRIVATELY held Companies" – i.e. as also the United States ***Citizenship and Immigration Services!***

JUST ONE HUGE "RACKETEERING" SCAM!

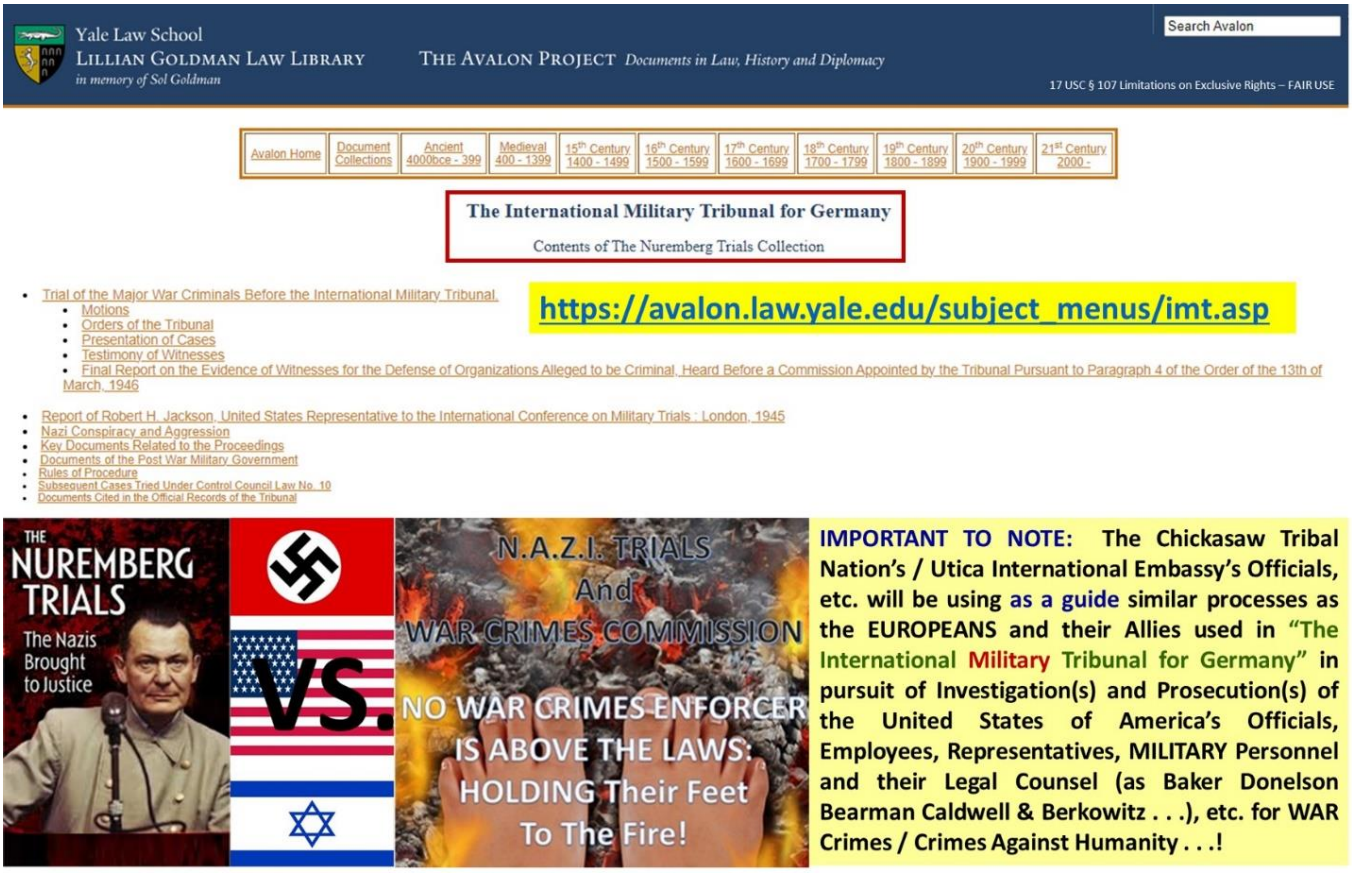

64. While the Chickasaw Tribal Nation is in the process of **REBUILDING,** etc. it has not stopped **the PROGRESS** being made and forwarding submissions through Judicial Tribunals set up and opened - as ***"International Recourse Tribunals"*** - for BLACK Indians to bring LAWFUL / LEGAL actions against WHITE Illegal Settlers and others that have been (and continues to date) OBSTRUCTED through BLACK Codes / Jim Crow Laws . . . practices by the NAZIS / WHITE Supremacists / Ku Klux Klan / Jews / Zionists . . .;

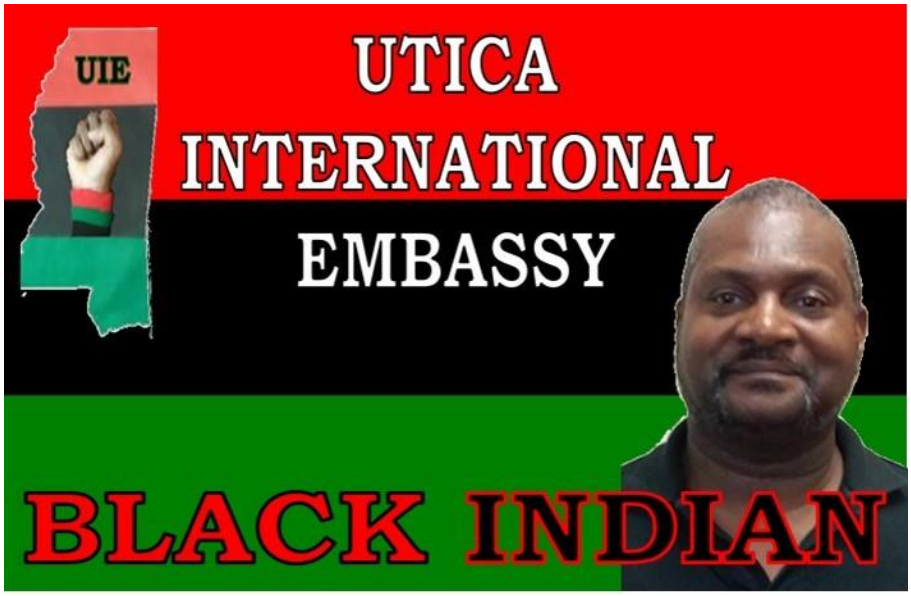

as well as **INTERNATIONAL "MILITARY" Tribunals** for prosecution for War Crimes, Crimes Against Humanity, Geneva Convention violations and other atrocities, etc. – i.e. as that used in the "NUREMBERG Trials" to bring Nazi Germany Leader Adolf Hitler and others to JUSTICE!

65. **In 2018,** many BLACK Indians began reaching out and / or coming to the Utica International Embassy requesting assistance with their matters and wanting **SEPARATION** from the United States of America's / United States' **FRAUDULENT** Empire and concerns regarding **the THREATS** to their **SOVEREIGNTY, INDEPENDENCE, FREEDOM** and **WELLBEING,** etc.

WASHINGTON (AP) — America's long-running reluctant relationship with the International Criminal Court came to a crashing halt as decades of U.S. suspicions about the tribunal and its global jurisdiction spilled into open hostility, amid threats of sanctions if it investigates U.S. troops in Afghanistan.

National security adviser John Bolton on Monday denounced the legitimacy of The Hague-based court, which was created in 2002 to prosecute war crimes and crimes of humanity and genocide in areas where perpetrators might not otherwise face justice. The court has 123 state parties that recognize its jurisdiction.

Thus, if you wish to pursue this matter further, you may consider raising it with appropriate national or international authorities.

Explosive evidence from Trump insider

Assange dragged from embassy "on the orders of the president"

Laura Tiernan, Thomas Scripps

22 September 2020

Alt-right media personality Cassandra Fairbanks' witness testimony was read out in court yesterday, providing evidence that Julian Assange's April 2019 arrest at the Ecuadorian Embassy in London was politically motivated and directed by United States President Donald Trump.

Schwartz, a frequent visitor to the White House and "informal adviser" or "fixer" to Donald Trump Jr., told Fairbanks the president's orders were conveyed via US Ambassador to Germany Richard Grenell, who brokered a deal with the Ecuadorian government for Assange's removal. Grenell was appointed acting director of national intelligence by Trump in February this year, holding the position until May.

Assange's lawyer, Edward Fitzgerald QC, spelled out the significance of Fairbanks' disclosures, telling Judge Vanessa Baraitser they were, "evidence of the declared intentions of those at the top who planned the prosecution and the eviction from the embassy."

Dear Senator Rand Paul:

My name is Vogel Denise Newsome (Newsome) and I am a constituent of yours (i.e. Kentucky Registered Voter). Because Newsome does not want you to think that she is an Ohio resident (i.e. because of the cell phone number and mailing addressed used), she has attached a copy of my Driver's License. Newsome is requesting an INVESTIGATION and if necessary the IMPEACHMENT and INDICTMENT of United States President Barack Obama, his Administration and others who are found to have engaged in the criminal/civil wrongs reported. From News reports, Newsome believes that Representative Darrell Issa may be handling the initiation of INVESTIGATIONS against President Obama and his Administration. You may want to begin there to determine what the process is in getting my issues addressed in an ***EXPEDITED*** manner – i.e. considering that it appears President Obama's people are looking to cause IMMEDIATE harm within this week or very shortly against Newsome.

President Obama's people came in and had Newsome unlawfully/illegally removed from her residence without legal authority – i.e. although there was a legally authorized INJUNCTION and RESTRAINING Order in place and over $16,000 in Escrow in that Newsome was ordered to place her rent in escrow, she was still thrown out on the streets. However, President Obama's people (i.e. Baker Donelson Bearman Caldwell & Berkowitz P.C.) and those they conspired with have engaged in criminal acts which resulted in Newsome's filing of criminal complaint with the FBI. Now President Obama and his people are attempting to cover-up these crimes. Nevertheless, there is record evidence to support that official criminal actions have been filed. Senator Paul, will you check into this matter?

Newsome is also contacting you because Senator Mitch McConnell *is one of Baker Donelson's Senator's and his wife Elaine Chao, had a role in the FALSE and MALICIOUS information that has been posted on the Internet regarding Newsome*. Some of the criminal/civil wrongs leveled against Newsome happened under Chao's watch when she was Secretary of Labor and employment violations were reported directly to her. ***This information and the correspondence Newsome submitted is of PUBLIC RECORD!*** As you know, Mitch McConnell is part of the "CAREER POLITICIANS" that have been in the way, way too long and has profited off of hiding the crimes of President Obama, Baker Donelson and others – i.e.

IN FACT: It is Liberty Mutual, its insured(s) and attorneys that have REPEATEDLY subjected Newsome to CRIMINAL Stalking and other crimes and civil violations it appears because of its RELATIONSHIPS to Baker Donelson – i.e. due to Baker Donelson's TIES to TOP/KEY Corrupt Government/Judicial Officials and ABILITY to BRIBE/PURCHASE/COERCE/ BLACKMAIL/INFLUENCE, etc. the outcome of judicial/government agency decisions.

3. Sen. Paul, you will see that Newsome timely, properly and adequately requested that the S.Ct.U.S. advise her of any/all **"CONFLICT OF INTEREST;"** however, to date said Court has **NOT** done so. Furthermore, that the following facts are UNDISPUTABLE:

a. That CONFLICT OF INTERESTS **does** exist in the S.Ct.U.S. handling of Newsome's ***Petition For Extraordinary Writ***.

b. That the S.Ct.U.S. is engaging in CRIMINAL/CIVIL violations in its **OBSTRUCTION OF JUSTICE, CONSPIRACIES**, etc. as it works FRANTICALLY to try and keep United States President Barack Obama, his Administration, etc. in Office – i.e. ***subjecting Newsome to DILATORY practices in hopes of dragging this matter out beyond the 2012 Elections.***

Obama addresses the nation on the death of Osama bin Laden

Speech Transcript

Good evening. Tonight, I can report to the American people and to the world that the United States has conducted an operation that killed Osama bin Laden, the leader of al Qaeda, and a terrorist who's responsible for the murder of thousands of innocent men, women, and children.

It was nearly 10 years ago that a bright September day was darkened by the worst attack on the American people in our history. The images of 9/11 are seared into our national memory -- hijacked planes cutting through a cloudless September sky; the Twin Towers collapsing to the ground; black smoke billowing up from the Pentagon; the wreckage of Flight 93 in Shanksville, Pennsylvania, where the actions of heroic citizens saved even more heartbreak and destruction.

Then, last August, after years of painstaking work by our intelligence community, I was briefed on a possible lead to bin Laden. It was far from certain, and it took many months to run this thread to ground. I met repeatedly with my national security team as we developed more information about the possibility that we had located bin Laden hiding within a compound deep inside of Pakistan. And finally, last week, I determined that we had enough intelligence to take action, and authorized an operation to get Osama bin Laden and bring him to justice.

Today, at my direction, the United States launched a targeted operation against that compound in Abbottabad, Pakistan. A small team of Americans carried out the operation with extraordinary courage and capability. No Americans were harmed. They took care to avoid civilian casualties. After a firefight, they killed Osama bin Laden and took custody of his body.

AI Overview

"Paper genocide" refers to the administrative and legal reclassification of Indigenous and Black-Indigenous people in official government records to erase their distinct heritage. PhilArchive +1

What Is Paper Genocide?

- **Administrative Erasure:** Governments use birth certificates, census data, and tribal rolls to change or compress racial categories.
- **The "One-Drop" Rule:** Officials enforce a binary system—such as "white" or "colored"—where any non-white ancestry or mixed Black-Indigenous lineage is legally categorized solely as Black or "colored".
- **Loss of Legal Status:** Erasing Native identity on paper strips individuals and communities of their cultural heritage, land rights, and political recognition.
